**UOB BULLION AND FUTURES LIMITED**  
**CLIENT AGREEMENT**

---

**1 GENERAL TERMS AND CONDITIONS APPLICABLE TO ALL ACCOUNTS AND SERVICES**

**1.1 Applicability of Client Agreement**

1.1.1 The terms and conditions comprised in this Client Agreement shall apply to and govern:

- (a) each Account currently requested for;
- (b) all Accounts opened and currently maintained; and
- (c) all Accounts subsequently opened or established,

with UOB Bullion and Futures Limited (“**UOBBF**”) and in respect of all Transactions and Services.

1.1.2 If, in respect of a given Account, Transaction or Service, any additional or specific terms are stated to apply, such additional or specific terms shall apply (as supplemented by and read together with this Client Agreement) in respect of that Account, Transaction or Service, and shall form an integral part of this Client Agreement.

1.1.3 If there is any conflict or inconsistency between the terms of this Client Agreement and any additional or specific terms in respect of the relevant Account, Transaction or Service, the latter shall prevail but only to the extent of such conflict or inconsistency.

**1.2 Applicable Terms, Disclosures and Risk Disclosures**

1.2.1 The terms and conditions comprised in the main body of this Client Agreement are supplemented by the Schedule hereto. The Schedule shall be read together with, and shall form an integral part of this Client Agreement. The terms and conditions in each Part of the Schedule shall apply if stated therein to be applicable to the relevant Account, Order, Transaction or Service. Accordingly, all references to “**Client Agreement**” herein shall be deemed to be a reference to all the terms and conditions comprised in the main body of this Client Agreement and each Part of the Schedule as applicable.

1.2.2 The terms and conditions of this Client Agreement must be read together with the terms and conditions appearing on the Application, UOBBF’s CAR and/or CKA documentation, confirmation notes relating to Transactions and statements of account. All of the foregoing may from time to time be amended, supplemented or replaced from time to time by UOBBF. All of the foregoing shall together govern the relationship between UOBBF and the Customer.

1.2.3 By completing the Application, agreeing to open an Account, maintaining or operating an Account, issuing any Order, entering into any Transaction or acquiring or using any Service from, with or through UOBBF:

- (a) the Customer acknowledges to UOBFF that the Customer has received, read and understood this Client Agreement and all its contents;
- (b) the Customer acknowledges and accepts the risks and other matters disclosed in this Client Agreement (including Clause 1.19 and the Schedule); and
- (c) the Customer agrees to, and undertakes to be bound by, this Client Agreement as applicable to the Account, Order, Transaction, and Service acquired or used.

1.2.4 The Customer's acknowledgements, acceptance, agreements and undertakings in Clause 1.2.3 shall be conditions precedent to UOBFF's performance of its obligations under this Client Agreement.

1.3 **Overriding Rights of UOBFF to Secure Compliance with Applicable Laws**

1.3.1 The Customer's relationship with UOBFF hereunder, the opening, maintaining and operation of all Accounts, the provision of all Services, the implementation and execution of all Orders, and the entry into and settlement of all Transactions, shall be subject at all times to Applicable Laws.

1.3.2 The Customer acknowledges that its application to open an Account or to undertake a Transaction may be subject to UOBFF having established that the Customer has the requisite knowledge and competence under Applicable Laws (including relevant CAR and/or CKA requirements under the SFA) ("**Customer Assessments**"). Where UOBFF has determined that such Customer Assessments are required in respect of the Customer under Applicable Laws:

- (a) if the Customer is assessed or is deemed by UOBFF not to possess the requisite knowledge and competence, UOBFF may refuse to permit the Customer to open an Account and/or to enter into any such Transaction, without any liability whatsoever to the Customer; and
- (b) the Customer may be assessed or deemed not to possess the requisite knowledge and competence:
  - (i) in accordance with Applicable Laws; or
  - (ii) by reason of the Customer's failure or refusal to provide all relevant information to UOBFF for such Customer Assessments.

To the fullest extent permitted by law, in conducting any Customer Assessment, UOBFF does not undertake any duty or obligation to ensure that any Transaction is suitable or recommended for the Customer and UOBFF shall not be regarded as making any recommendation or suitability representation to the Customer by reason only that UOBFF permitted the Customer to open an Account or to enter into any Transaction.

1.3.3 Notwithstanding anything herein to the contrary:

- (a) UOBFF may take or refrain from taking any action whatsoever; and
- (b) the Customer shall do all things required by UOBFF (including the giving by the Customer of its full co-operation with any market, exchange or clearing house),

in order for UOBFF to secure, procure or ensure for UOBFF's benefit all compliance with Applicable Laws and UOBFF shall have no liability whatsoever to the Customer.

1.4 **Basis of Transactions**

1.4.1 The Customer shall ensure that all necessary authorisations, licences, approvals and consents of any governmental or other regulatory body or authority applicable to each Transaction are obtained and that the terms thereof and of all Applicable Laws are complied with.

1.4.2 UOBFF may require the Customer to supply, and the Customer shall supply such evidence of compliance with Clause 1.4.1 as UOBFF may require. Notwithstanding the foregoing, the absence or lack of any such authorisation, licence, approval or consent shall not be a bar to any action or proceedings for recovery of payment or delivery by UOBFF against the Customer in respect of any Account, Service or Transaction.

1.4.3 All Transactions on any Account are entered into in reliance on the fact that, to the extent permissible under all Applicable Laws, this Client Agreement, all outstanding Transactions (and to the extent recorded in a Confirmation, each such Confirmation) shall form a single agreement between UOBFF and the Customer and the parties would not otherwise enter into such Transactions.

1.4.4 Unless UOBFF otherwise agrees with the Customer, each obligation of UOBFF (including any obligation to make any payment or delivery) to the Customer under this Client Agreement is subject to the condition precedent that there is no Default subsisting or amount owing to UOBFF on the part of the Customer.

1.5 **Agent of the Customer; Prior Consent for UOBFF acting as Principal**

1.5.1 The Customer understands that UOBFF acts as the agent of the Customer in respect of all Transactions, except when UOBFF discloses to the Customer with respect to any particular Transaction that UOBFF acts as principal for UOBFF's own account or as an agent for some other person.

1.5.2 In order to avoid the need, on each occasion where there is the possibility of UOBFF acting as principal or counterparty for UOBFF's own account or acting for the account of any person associated with or connected to UOBFF in respect of the Customer's Order in respect of a Transaction, to seek the Customer's prior consent before the Customer's Order may be executed and so to avoid at least any delay in execution and filling of such Order, **the Customer hereby:**

(a) **consents to UOBFF, from time to time and at any time, acting as principal or counterparty for UOBFF's own account or acting for the account of any person associated with or connected to UOBFF in respect of the Customer's Order in respect of a Transaction; and**

(b) **waives any and all prior notice by UOBFF in respect of all such Transactions.**

1.5.3 The consent and waiver of the Customer under Clause 1.5.2 shall be deemed to be effective as a formal written consent and waiver for all purposes under all Applicable Laws. Such consent and waiver of the Customer shall stand and remain in effect at all times until and unless revoked by at least five (5) Business Days' prior written notice by the Customer to UOBFF.

- 1.5.4 Unless otherwise required by any Applicable Law, UOBFF has:
- (a) no obligation to provide the Customer with information with respect to any position of the Customer; and
  - (b) except as directed by the Customer, no obligation to close any position in any Account which UOBFF may carry on behalf of the Customer.

Notwithstanding the aforesaid, UOBFF may, without assigning any reason therefor, refuse to act for the Customer in any particular Transaction.

- 1.5.5 Where UOBFF has:
- (a) assumed the role of the counterparty to any Transaction which UOBFF has been given an order to effect on behalf of the Customer or is under a duty to effect on behalf of the Customer; and/or
  - (b) entered into that Transaction with the Customer,

and unless otherwise required by law, UOBFF need not inform the Customer whether any such Transaction of the Customer has been effected with UOBFF as the counterparty and UOBFF shall be absolutely entitled to all gains, profits and benefits derived from any such Transaction of the Customer entered into with UOBFF.

## 1.6 **Rights of UOBFF**

- 1.6.1 UOBFF may, whenever UOBFF considers it necessary for UOBFF's protection and interests, without prior notice to the Customer and at the Customer's sole expense and risk, take such actions and/or steps in such manner as UOBFF deems fit in relation to the Account(s) including to:
- (a) satisfy any obligation the Customer may have to UOBFF (either directly or by way of guarantee or suretyship) out of any cash or other property of the Customer in UOBFF's custody or control;
  - (b) terminate any outstanding Transactions or other open positions in the Account, or close-out or otherwise liquidate the same in such manner and upon such terms as UOBFF deems fit;
  - (c) sell or buy any or all Securities, Commodities or any property outstanding which may be long or short respectively in the Account(s);
  - (d) net or set off some or all positions and balances in the Accounts;
  - (e) combine two or more of the Accounts;
  - (f) take delivery under any of the positions in the Accounts;
  - (g) hedge and/or enter into off-setting or other Transactions in order to establish a spread or straddle to protect against any risk of Loss in respect of such positions;
  - (h) sell, realise, liquidate or otherwise apply all or any part of the Margin towards satisfaction of any and all of the Customer's liabilities to UOBFF;

- (i) cancel or complete any outstanding Orders or other commitments made on behalf of the Customer for the purchase or sale of any property or for any Transaction;
- (j) borrow or purchase or otherwise procure any such property being the subject matter of any sale and making delivery under such sale; and
- (k) cancel any outstanding Orders in order to close the Account or Accounts,

on such terms and conditions as deemed appropriate by UOBBF. In exercising any one or more of its foregoing rights, UOBBF shall not be obliged to furnish any reason to the Customer.

1.6.2 Any sale or purchase of Securities, Commodities or other property outstanding in the Account or Accounts arising out of Clause 1.6.1 may be made according to UOBBF's judgment and at UOBBF's discretion:

- (a) either by direct sale or purchase in the same contract month (if applicable) or by sale or purchase in another contract month in which a hedging position is possible; and
- (b) on any exchange or other market where such business is then usually transacted.

1.6.3 It is understood that, in all cases, a prior demand, or call, or prior notice of the time or place of any sale or purchase under Clause 1.6.2:

- (a) shall not be considered a waiver of UOBBF's right to sell or to buy without demand or notice as herein provided;
- (b) that the Customer shall at all times be liable for the payment of any debit balance owing in such Account(s) with UOBBF upon demand; and
- (c) that in all cases, the Customer shall be liable for any deficiency remaining in such Account(s) in the event of the liquidation thereof in whole or part by UOBBF or by the Customer.

1.6.4 Debit balance(s) in the Account(s) shall be charged with interest thereon at such rate per calendar month as UOBBF may from time to time reasonably determine and the Customer shall promptly settle, upon demand, all liabilities outstanding to UOBBF, together with all costs of collection including legal costs on a solicitor and own client basis.

1.6.5 In the event of Transactions for which UOBBF is called to take up or deliver the underlying but for which funds are not made available by the Customer or documents for delivery are not forthcoming when required by UOBBF:

- (a) UOBBF may terminate or close-out such Transactions; and
- (b) the Customer shall hold harmless, indemnify and keep indemnified UOBBF for all Losses (including legal costs on a full indemnity basis) suffered or incurred by UOBBF in connection with such termination or close-out or in connection with UOBBF's inability to effect any such termination or close-out.

1.6.6 In case of the sale of any Security, Commodity or other property by UOBBF at the direction of the Customer and UOBBF's inability to deliver the same to the purchaser by reason of the Customer's failure to supply UOBBF therewith, then, and in such event:

- (a) UOBBF may buy-in or borrow for the Customer's account any Security, Commodity, or other property necessary to make delivery thereof; and
- (b) the Customer shall hold harmless, indemnify and keep indemnified UOBBF for all Losses (including legal costs on a full indemnity basis) suffered or incurred by UOBBF in connection with such buying-in or borrowing (including any premiums which UOBBF may be required to pay) or in connection with UOBBF's inability to effect any such buying-in or borrowing.

## 1.7 Delegation And Use of Intermediaries

1.7.1 UOBBF may use, engage or appoint, directly or indirectly, any person (including another broker, dealer, market-maker, exchange, clearing house, bank, custodian or other third party) ("**Intermediary**"), whether in Singapore or elsewhere, whether or not an Officer of UOBBF, and whether or not associated with, connected to or related to UOBBF, to:

- (a) carry out any Order;
- (b) execute or clear any Transaction;
- (c) hold or custodise any of the Customer's funds and assets; or
- (d) exercise any authority granted to UOBBF by the Customer under this Client Agreement or otherwise.

Such use, engagement or appointment of any Intermediary shall be upon such terms and conditions as UOBBF deems fit in its discretion.

1.7.2 If UOBBF has exercised reasonable care in its selection of the Intermediary, the Customer acknowledges, agrees and accepts that:

- (a) UOBBF has no liability or responsibility for any Intermediary Default which is beyond UOBBF's reasonable control;
- (b) the Customer shall bear all risks arising from or consequent from or in relation to the acts or omissions or the Intermediary Default of such Intermediary which is beyond UOBBF's reasonable control; and
- (c) the Customer shall indemnify, keep indemnified and hold harmless UOBBF against any and all Losses (including legal costs on a full indemnity basis) suffered or incurred by UOBBF whether directly or indirectly in relation to, arising out of or in connection with any act, or omission, or any Intermediary Default, of an Intermediary or such Intermediary's officers, employees, agents or representatives, which is beyond UOBBF's reasonable control.

1.7.3 The Customer further acknowledges and agrees that, where UOBBF uses, engages or appoints an Intermediary:

- (a) UOBBF may have to accept sole and principal responsibility to the Intermediary for the executed Order. This may be notwithstanding that, as between the Customer and UOBBF, UOBBF may in fact be the agent of the Customer; and accordingly
- (b) the Customer shall indemnify, keep indemnified and hold harmless UOBBF against any and all actions taken by UOBBF in good faith in compliance or performance of UOBBF's said principal obligation or responsibility.

- 1.7.4 The foregoing rights and remedies of UOBFF will apply even though as between UOBFF and the Customer, the Customer may be in actual or anticipatory default.
- 1.7.5 In view of the fact that UOBFF may have accepted principal responsibility and/or liability to another Intermediary, the Customer also acknowledges that:
- (a) any cash or other property (which as between UOBFF and the Customer is to be regarded as that of the Customer, or purchased by or for the Customer) may or will be regarded by such Intermediary as being the cash or other property of UOBFF or purchased by UOBFF for itself; and
  - (b) **this may in some instances result in prejudice to the Customer. For example, in certain circumstances, the Customer's monies and property may be used to satisfy obligations of UOBFF or other customers of UOBFF; and**
  - (c) **the Customer accepts that this is a necessary risk of dealing in Singapore or in any foreign jurisdiction through UOBFF.**
- 1.7.6 UOBFF may at any time, to the extent permitted by Applicable Laws and without notice to the Customer, directly or indirectly, provide any credit facility, advance, loan or other accommodation (each a "**Margin Loan**") to the Customer or for the Customer's Account, for the purposes of meeting, or directly to meet, any margin, credit support, security or other collateral requirements of an Intermediary with or through whom the Customer's Transactions are to be effected, traded, cleared or settled, whether to prevent the Customer's Account (or UOBFF's account with such Intermediary) from being under-margined, under-funded or otherwise.
- 1.7.7 Any interest or other return arising from any Margin Loan or its proceeds shall accrue solely to UOBFF and UOBFF shall be entitled to retain all such interest and return for its own sole account and benefit.
- 1.7.8 The Customer shall, upon UOBFF's demand, repay to UOBFF in full the Customer's Margin Loans.
- 1.7.9 To the extent permitted by Applicable Laws and without notice to the Customer, UOBFF may apply any and all of the Customer's cash or other property for the time being held or under the control or possession of UOBFF towards full or partial repayment of any and all of the Customer's Margin Loans.
- 1.7.10 As long as UOBFF acts in good faith and in a commercially reasonable manner:
- (a) UOBFF will accept no liability or responsibility for any Loss suffered by the Customer; and
  - (b) the Customer shall hold harmless, indemnify and keep indemnified UOBFF for and against all Losses (including legal costs on a full indemnity basis) suffered or incurred by UOBFF,
- in connection with the grant of any Margin Loan or any other act, omission or step taken by UOBFF under Clauses 1.7.6, 1.7.7, 1.7.8 and 1.7.9.

1.7.11 The Customer confirms and acknowledges that it has read and understood, in particular, the risks disclosed in the section entitled “**Counterparty and Intermediary Default Risks**” in Part E (Additional Risks) of the Schedule hereto.

## 1.8 **The Customer Not To Encumber Any Account**

1.8.1 The Customer shall not without the prior written consent of UOBFF:

- (a) assign, charge, pledge, encumber or create or permit to subsist any security right; or
- (b) create or permit to create, any interest, whether by way of trust or otherwise,

in favour of any person other than UOBFF, in or over any Account, any cash or property in any Account or the Customer's rights therein.

1.8.2 Unless otherwise agreed by UOBFF in writing, UOBFF shall not be required to recognise any person other than the Customer as having any interest in any Account.

## 1.9 **Consent to Recordings**

1.9.1 UOBFF may record, by any means and at any time, any communications through any medium between UOBFF and the Customer or any representative or agent of the Customer using any recording apparatus.

1.9.2 Any such recording may be used in evidence against the Customer.

1.9.3 UOBFF may, in accordance with its internal procedures and policies and business requirements, periodically destroy such recordings without giving any reason and without having to account to any Customer for the same.

1.9.4 No adverse inferences shall be drawn against UOBFF for not having made any such recording, or for having destroyed such recording in the ordinary course of its business or pursuant to routine procedures or for not providing, or producing, any such recordings.

## 1.10 **Orders**

1.10.1 The Customer may instruct UOBFF to operate an Account or to execute a Transaction by placing a relevant Order with UOBFF through such medium and in such manner as UOBFF may approve.

1.10.2 Where any electronic broking, trading, clearing or other services or platforms are made available to the Customer by or through UOBFF (“**Electronic Facilities**”):

- (a) the Customer may place Orders through the use of such Electronic Facilities;
- (b) any such Orders placed shall be subject to, and the Customer agrees to comply with, all terms and conditions as UOBFF and/or any other relevant third party service provider may from time to time prescribe for the Customer's access and use of such Electronic Facilities; and
- (c) the Customer acknowledges and agrees that access to such Electronic Facilities is provided on an "as is" and "as available" basis and UOBFF makes no representation or warranty of any kind, express or implied, with respect to the functionality, operation, content or otherwise of such Electronic Facilities and does not

represent or warrant that the Electronic Facilities or any part thereof is free from defect, failure or interruption or that they are fit for the Customer's purposes or any particular purpose and, without prejudice to the foregoing, UOBFF shall not in any event be liable for any system error, faults or failure of the Electronic Facilities whatsoever and howsoever caused other than by the wilful default or gross negligence of UOBFF; and

- (d) the Customer shall indemnify, hold harmless and fully indemnify UOBFF from and against any and all Losses (including legal costs on a full indemnity basis) suffered or incurred by UOBFF in connection with the Customer's access to and use of such Electronic Facilities and the acts or omissions of the Customer in connection therewith, other than where such Losses are directly caused by UOBFF's own wilful default or fraud.

1.10.3 Nothing in this Client Agreement obliges UOBFF to enter into any Transaction with the Customer, or to accept any Order. UOBFF may refuse to enter into any Transaction or act on any Order without giving any reason therefor.

1.10.4 UOBFF may verify and satisfy itself as to the identity of the person purporting to give such Order or the source and origin of such Order and UOBFF may refuse to rely or act upon any such Order unless and until UOBFF is satisfied as to the matters on which UOBFF sought verification.

1.10.5 In the event that UOBFF decides to act on any Order or is otherwise under an obligation to act on any Order, UOBFF shall be allowed such amount of time to act and implement any Order as may be reasonable having regard to the systems and operations of UOBFF and the other circumstances then prevailing and shall not be liable for any Loss arising from any delay on the part of UOBFF in acting on any such Order.

1.10.6 Where any Order is ambiguous or inconsistent with any other Order, UOBFF may rely and act upon any Order in accordance with any reasonable interpretation thereof which any Officer or any Intermediary, believes in good faith to be the correct interpretation.

1.10.7 UOBFF shall only act on Orders in respect of any Account or any part of the cash and other property held in any Account. UOBFF shall not be required to act in accordance with any Order which purports to dispose of or deal with any cash or other property which is in fact not held in or to the credit of any Account.

1.10.8 In the absence of gross negligence, wilful default or fraud on UOBFF's part, UOBFF shall not be liable to the Customer for any and all Losses incurred by the Customer arising from any loss or delay in the transmission or wrongful interception of any Order through any equipment or system, including any equipment or system owned and/or operated by or for UOBFF or any Electronic Facilities.

1.10.9 Notwithstanding anything to the contrary in this Client Agreement, and unless UOBFF otherwise agrees in writing, no Orders may be communicated to UOBFF by electronic mail.

## 1.11 **Order Aggregation**

1.11.1 The Customer acknowledges and consents to the right of UOBFF to aggregate the Orders with the orders of UOBFF's other customers (whether for execution in other jurisdictions or otherwise).

- 1.11.2 The allotment or distribution of any Transaction (or part thereof), monies or property pursuant to such order aggregation to or amongst the Customer and UOBFF's other customers shall be carried out by UOBFF in such manner as UOBFF believes to be fair and equitable, and UOBFF may also effect such Transactions as principal to the counterparty in such jurisdictions.
- 1.11.3 If UOBFF acts as provided in Clauses 1.11.1 and 1.11.2, UOBFF may also take such actions as UOBFF may reasonably require in order to avoid liability to its counterparty.
- 1.11.4 Where the Customer gives any Order which may be executed in more than one exchange or market and/or by more than one mode or sub-market or sub-exchange (e.g. pit and electronic trading) without specifying the specific exchange or market or the mode or sub-market or sub-exchange for execution, then UOBFF shall be deemed to be vested with the discretion to decide where and how the Order should be executed if accepted for execution. So long as UOBFF exercises its discretion in good faith it shall have no liability whatsoever to the Customer with respect to such execution.
- 1.11.5 Without prejudice to the generality of Clause 1.7, the Customer acknowledges that UOBFF, in taking principal responsibility vis-à-vis another Intermediary in any Transaction, may do so on behalf of the Customer together with other customers of UOBFF, on an aggregate and undifferentiated basis, whether on an omnibus account or otherwise.
- 1.11.6 The Customer accepts that such allotment or distribution or actions by UOBFF as aforesaid may result in prejudice and/or Loss to the Customer and accepts the risk thereof as being for its account.
- 1.12 **Transactions Limits and Restrictions**
- 1.12.1 UOBFF may, at any time and without prior notice to the Customer, impose upon the Customer any position or transaction limits, or any trading or transaction restrictions. Such limits may include minimum sizes for Transactions, specified times or procedures for communicating Orders to UOBFF or otherwise.
- 1.12.2 UOBFF may, at any time and without prior notice to the Customer, vary the position or transaction limits, or any trading or transaction restrictions.
- 1.12.3 No previous limit or restriction shall set a precedent or bind UOBFF.
- 1.12.4 The Customer shall not exceed any position or transaction limits, or breach any trading or transaction restrictions imposed by UOBFF in accordance with this Clause 1.12.
- 1.13 **Fees and Payments**
- 1.13.1 The Customer shall promptly pay all of UOBFF's fees and/or other charges at such rates and in such manner as UOBFF may impose and stipulate from time to time with respect to the execution, performance and/or settlement of any Transaction or otherwise for the maintenance of any Account or the provision of any Service to the Customer or in connection with any Account.
- 1.13.2 The Customer shall make payment to UOBFF's order promptly of any outstanding sum in respect of any Transaction on the Settlement Date of the relevant Transaction or upon demand by UOBFF.
- 1.13.3 UOBFF may charge interest on any sum or payment due to UOBFF from the Customer at such rate and calculated and/or compounded in such manner as UOBFF may impose and determine from time to time and the Customer shall pay such interest to UOBFF.

- 1.13.4 All payments to UOBFF shall be in the Currency in which they are due, in free and clear funds and free of deductions or withholdings. If the Customer is required to effect such deductions or withholdings, then the amount due to UOBFF shall be increased by such amount as shall result in UOBFF receiving an amount equal to the amount UOBFF should have received in the absence of such deduction or withholding.
- 1.13.5 Any taxes, duties, disbursements, costs and/or other expenses incurred by UOBFF in connection with the Account or the Customer shall be reimbursed in full by the Customer.
- 1.13.6 If for any reason UOBFF cannot effect payment or repayment to the Customer in a particular Currency in which payment or repayment is due, UOBFF may effect payment or repayment in the equivalent in any other Currency selected by UOBFF based on the rate of exchange quoted by UOBFF in respect thereof at the relevant time.
- 1.13.7 All interest, fees, commissions and other charges of UOBFF are exclusive of any goods and services tax or any other applicable sales tax which shall be borne by and separately charged to the Customer.
- 1.13.8 UOBFF shall be fully entitled to debit any Account of the Customer in respect of any and all payments due to UOBFF at such time and in such manner as UOBFF may determine.
- 1.13.9 Any and all payments to be made by UOBFF to the Customer shall be made in such manner as UOBFF may from time to time determine. All such payments shall be subject to all applicable taxes, deductions and withholdings, and less any and all amounts payable by the Customer to UOBFF.
- 1.14 **Foreign Currency Transactions**
- 1.14.1 If the Customer directs UOBFF to enter into a Transaction and such Transaction is effected in a Currency other than Singapore Dollars (the "**Relevant Currency**"):
- (a) any loss resulting from exchange rate fluctuations of the Relevant Currency will be at the Customer's sole risk;
  - (b) all initial and subsequent deposits for Margin purposes in respect of that Transaction shall, unless UOBFF otherwise stipulates, be made in the Relevant Currency and in such amounts as UOBFF may require; and
  - (c) UOBFF may debit or credit the Account in the Relevant Currency when such Transaction is liquidated, and the rate of exchange of the Relevant Currency shall be determined by UOBFF in its discretion on the basis of the rates of exchange prevailing at the time of the debit or credit.
- 1.14.2 UOBFF may, at any time, convert any amounts in any Account or standing to the credit of the Customer in any other Currency for the purposes of carrying out the Orders of the Customer or exercising any of UOBFF's rights under this Client Agreement or under any Account. Exchange rate losses and the costs of conversion shall be borne by the Customer.
- 1.15 **Joint Accounts**
- 1.15.1 If an Account is opened or maintained in the name of more than one person:

- (a) the expression "**Customer**" shall refer to each person jointly and severally, and the liability of each such person to UOBFF shall be joint and several;
- (b) UOBFF may debit that Account at any time in respect of any sum howsoever due or owed to UOBFF by any of the persons in whose name the Account is opened or maintained;
- (c) the delivery of any monies, instruments and any other property in relation to the Account(s) and/or the Transactions may be made by UOBFF upon the Order of any one of such persons and such delivery shall constitute full and complete delivery by UOBFF and shall without limitation be deemed to be sufficient delivery to all such persons; and
- (d) no person constituting the Customer shall be discharged, nor shall his liability be affected by, any discharge, release, time, indulgence, concession, waiver or consent at any time given or effected in relation to any one or more of the other such persons constituting the Customer.

1.15.2 Unless otherwise agreed by UOBFF:

- (a) the Orders or agreement of any one person constituting the Customer shall be deemed to be the Orders or agreement of all the persons constituting the Customer;
- (b) any notice or communication addressed and sent by UOBFF to any one person constituting the Customer shall be deemed to have been addressed and sent to all the persons constituting the Customer; and
- (c) where any such person shall have received or is deemed to have received any such notice or communication, all the persons constituting the Customer shall be deemed to have received the same.

1.15.3 The doctrine of survivorship shall apply to any Account opened in the joint names of more than one person.

1.16 **Omnibus Accounts**

1.16.1 All omnibus accounts (which UOBFF may agree to open for the Customer) shall be subject to all Applicable Laws. The Customer holding an omnibus account with UOBFF shall comply with all Applicable Laws with respect to its opening, maintaining and operating of such omnibus account and shall at all times provide to UOBFF all information as UOBFF may require under any Applicable Laws.

1.17 **Default**

1.17.1 A "Default" shall be deemed to occur if:

- (a) the Customer fails to make, when due, any payment or delivery required to be made by it under this Client Agreement or in respect of any Account or Transaction;
- (b) the Customer fails to comply with or perform any of its obligations hereunder or in respect of any Account or Transaction (other than its payment or delivery obligations described in Clause 1.17.1(a)) and if such failure (if remediable) is not remedied within three (3) Business Days after notice of such failure is given to the Customer;

- (c) (in the event the Customer is comprised of one or more individuals or sole proprietorships) any person constituting the Customer dies, becomes bankrupt, of unsound mind, unable to pay his debts as they fall due, or has an action commenced against him, to place him in bankruptcy;
- (d) (in the event the Customer is a partnership) any of the partners thereof dies, becomes bankrupt, of unsound mind, unable to pay his debts as they fall due or has an action commenced against him, to place him in bankruptcy, or if an action is commenced to dissolve and/or alter the partners or the constitution of the Customer;
- (e) (in the event the Customer is a corporation or other body corporate) the Customer becomes unable to pay its debts as and when they are due, or any action or step is commenced or any resolution is passed to place the Customer in liquidation, winding up, insolvency, judicial management, receivership, administrative management, or any similar or analogous proceedings;
- (f) any claim, action or proceeding of any nature is commenced against the Customer (or where the Customer comprises two or more persons or where the Account is a joint account, any such person), or steps are taken by any person to enforce any security against the Customer (or where the Customer comprises two or more persons or where the Account is a joint account, any such person);
- (g) the Customer (or where the Customer comprises two or more persons or where the Account is a joint account, any such person) makes any compromise or arrangement with its creditors;
- (h) UOBFF forms the view, acting in good faith, that it should take action in order to preserve its rights or interests under any Account or Transaction, or under its relationship with the Customer; or
- (i) a default, event of default or other similar condition or event (however described) occurs in respect of the Customer (or where the Customer comprises two or more persons or where the Account is a joint account, any such person) or any affiliate of the Customer under one or more agreements of any of them (individually or collectively) with UOBFF.

1.17.2 In the case of Transactions effected otherwise than on an exchange, in the event of a Default under Clause 1.11.1, 1.17.1(d), 1.17.1(e):

- (a) all outstanding Transactions (including any Transaction which has not been performed and in respect of which the Value Date as determined by UOBFF is on or precedes the date on which UOBFF terminates such Transaction) entered into between the Customer and UOBFF shall be deemed immediately closed-out at prevailing prices (or at such prices UOBFF deems fit);
- (b) the amounts resulting from such close-out shall be converted into Singapore dollars or such other Currency as UOBFF may from time to time use as the principal Currency of its business (together with all Margin duly converted into Singapore dollars or such other Currency as UOBFF may from time to time use as the principal Currency of its business) at UOBFF's prevailing rates; and thereafter
- (c) set-off against each other and the Margin prior to UOBFF resorting to its rights under Clause 1.17.4 and/or making payment or repayment to the Customer (if applicable).

- 1.17.3 The Customer shall immediately notify UOBFF if any Default occurs, or if a Default or Potential Default is likely to occur.
- 1.17.4 Without prejudice to any other right of UOBFF hereunder or otherwise at law, in the event of a Default, UOBFF may immediately or at any time, do any one or more of the following:
- (a) suspend (indefinitely or otherwise) or terminate any Account, or UOBFF's relationship with the Customer and accelerate any and all liabilities of the Customer to UOBFF so that they shall become immediately due and payable;
  - (b) hedge and/or close out any outstanding Transaction (including any Transaction which has yet to be settled on the date on which UOBFF terminates such Transaction) by determining its value in good faith as of the date of the close-out as soon as practicable after the close-out;
  - (c) liquidate all Collateral or part thereof at a price which UOBFF deems appropriate in the circumstances;
  - (d) call upon any Collateral including any guarantees and letters of credit which may have been issued to or in favour of UOBFF as security for the Account(s);
  - (e) apply any amounts of whatsoever nature standing to the credit of any Account against any amounts which the Customer owes to UOBFF (of whatsoever nature and howsoever arising, including any prospective or contingent amounts), or generally to exercise UOBFF's right of set-off against the Customer;
  - (f) demand any shortfall, after taking any one or more of the above steps, from the Customer, hold any excess pending full settlement of any other obligations of the Customer, or pay any excess to the Customer by way of cheque to the last known address of the Customer; and
  - (g) exercise such other authority and powers that may have been conferred upon UOBFF by this Client Agreement.

## 1.18 **Adjustments Upon Extraordinary Events**

- 1.18.1 If there occurs in relation to any Transaction or otherwise in relation to an Account or Accounts an Extraordinary Event, UOBFF may determine any adjustments or take any action it deems necessary or appropriate in relation to such Transaction or any or all Transactions or otherwise to an Account or Accounts in view of the Extraordinary Event.
- 1.18.2 Such adjustments or actions may include altering or varying the quantities of Securities, Commodities or other property, the specifications of Securities, Commodities or other property bought or sold in respect of such Transaction or some or all Transactions, or terminating the Transaction in question or some or all Transactions, or an Account or Accounts or otherwise.
- 1.18.3 Provided that UOBFF undertakes such adjustments or actions in good faith, any such adjustment or action shall be binding on the Customer who shall be liable for any additional Loss suffered or incurred by UOBFF (including legal costs on a full indemnity basis) on the account of the Customer or which the Customer is consequently liable for as a result of such adjustment or action.

## 1.19 **Additional Risk Disclosures**

- 1.19.1 The risks disclosed in:

- (a) the risk disclosure statements respectively prescribed under the SFA and the CTA (as set out in Part B and Part C of the Schedule hereto) in relation to:
  - (i) trading in futures contracts and leveraged foreign exchange trading; and
  - (ii) trading in commodity contracts and spot commodity contracts; and
- (b) the risks disclosed in Part E of the Schedule hereto,

will generally also apply to OTC trading in any form (and whether involving physical settlement or cash settlement) as they would to any financial transactions.

1.19.2 As an additional cautionary note in order to ensure that the Customer invests or trades in Commodities or other Transactions hereunder only on a fully informed basis, please be reminded that:

- (a) OTC Commodity Transactions and other OTC Transactions, like other financial transactions, involve a variety of significant risks;
- (b) the specific risks presented by a particular Transaction the Customer effects depend upon the terms of the transaction and the Customer's circumstances; and
- (c) in general, all Transactions involve some combination of market risk, credit risk, funding risk and operational risk.

1.20 **General Indemnity**

1.20.1 The Customer shall indemnify, keep indemnified and hold UOBFF harmless from and against any and all Loss (including legal costs on a full indemnity basis) suffered or incurred, or which may be suffered or incurred, by UOBFF as a result of or in connection with:

- (a) any failure by the Customer to comply with the terms and conditions of this Client Agreement, or to fully and punctually perform any of its obligations hereunder or in respect of any Transaction;
- (b) any of the Customer's representations, warranties, agreements and undertakings in the Application or this Client Agreement being untrue, incorrect, incomplete or misleading in any material respect;
- (c) any actions, claims, demands or proceedings brought by third parties (including Intermediaries) against UOBFF further to UOBFF acting in accordance with the Customer's Orders or otherwise in the exercise of its powers under this Client Agreement;
- (d) UOBFF acting in accordance with the Customer's Orders or taking any action, exercising any right or otherwise acting in any manner in accordance with or as permitted under this Client Agreement;
- (e) any change in any Applicable Laws; or
- (f) any act or thing done or caused to be done by UOBFF in connection with or referable to this Client Agreement or any Account, or any Transaction entered into for or with, or any Services provided to, the Customer.

1.21 **General Exclusion**

1.21.1 So long as UOBFF acts in good faith, it shall not be liable to the Customer in any respect for any Loss suffered by the Customer, including any Loss resulting from action, inaction or insolvency by or of any Intermediary, exchange, market or clearing house (including wrongful or unlawful action or inaction), or howsoever otherwise suffered and/or incurred by the Customer. UOBFF shall only be liable to the Customer if UOBFF has been grossly negligent, fraudulent or in wilful default.

1.21.2 Without prejudice to the generality of Clause 1.21.1, UOBFF shall not in any event be liable to the Customer for any indirect or consequential Loss (including loss of profit and loss of opportunity) or special or punitive damages.

1.22 **Relationship of UOBFF with the Customer**

1.22.1 Notwithstanding that the Customer may as between itself and a third party be effecting Transactions for and on behalf of such third party, as between the Customer and UOBFF, the Customer shall be deemed to be and is transacting solely as principal. The Customer acknowledges, undertakes and agrees to be always primarily liable to UOBFF for all Transactions.

1.22.2 UNLESS OTHERWISE AGREED BY UOBFF IN WRITING, UOBFF DOES NOT AND IS NOT WILLING TO ASSUME ANY ADVISORY, FIDUCIARY OR SIMILAR OR OTHER DUTIES OR ACT AS INVESTMENT ADVISER TO THE CUSTOMER. THE CUSTOMER REPRESENTS AND WARRANTS TO UOBFF, AND UOBFF RELIES ON SUCH REPRESENTATION AND WARRANTY, THAT:

- (a) THE CUSTOMER DOES NOT WISH TO BE PROVIDED WITH ANY FINANCIAL ADVICE BY UOBFF, AND IN PARTICULAR, THE CUSTOMER DOES NOT WISH TO HAVE, AND THEREFORE WILL REJECT ANY AND ALL OFFERS FOR THE PROVISION OF, SUCH ADVICE BY UOBFF AND, FOR THE AVOIDANCE OF DOUBT AND WHERE RELEVANT, WILL THEREFORE NOT BE ABLE TO RELY ON SECTION 27 OF THE FINANCIAL ADVISERS ACT, CHAPTER 110 OF SINGAPORE TO FILE A CIVIL CLAIM IN THE EVENT THE CUSTOMER ALLEGES IT HAS SUFFERED A LOSS;
- (b) IN SO DOING, THE CUSTOMER IS FULLY AWARE AND ACCEPTS THAT THE CUSTOMER WILL BE SOLELY RESPONSIBLE TO DETERMINE THE MERITS AND SUITABILITY OF EACH AND EVERY TRANSACTION;
- (c) THE CUSTOMER HAS TAKEN ALL NECESSARY INDEPENDENT LEGAL, TAX, FINANCIAL AND OTHER ADVICE IN RELATION TO ANY ACCOUNT OR SERVICE AND BEFORE ENTERING INTO ANY TRANSACTION WITH OR THROUGH UOBFF.

1.22.3 Without prejudice to Clause 1.22.2, unless UOBFF has otherwise agreed in writing with the Customer, the Customer acknowledges that:

- (a) UOBFF prohibits any of its Officers or representatives, or other Intermediary appointed by UOBFF in accordance with Clause 1.7, from giving any advice, representations, trading suggestions or recommendation on its behalf (but nothing herein shall prevent the

Intermediary from independently, and on the Intermediary's own behalf, providing any advice to the Customer upon terms which the Intermediary and the Customer may agree);

- (b) any such advice, representations, trading suggestions or recommendations if made or purported to be made on behalf of UOBBF must therefore be regarded as having been made in the personal capacity of such person giving the same; and
- (c) the Customer shall not hold UOBBF liable for any Losses which the Customer suffers if it relies on such advice, representations, trading suggestions or recommendations.

## 1.23 **General Power Of Attorney**

1.23.1 By trading with or through UOBBF with respect to the Account(s), the Customer confirms its irrevocable appointment of each and every director and manager of UOBBF (on a several basis), for so long as they are each a director or manager (as the case may be) of UOBBF, as the Customer's attorney for each and all of the purposes of this Client Agreement and with power to:

- (a) sign and execute all documents;
- (b) perform all acts in the name and on behalf of the Customer whether in respect of any Transaction referable to an Account or in respect of anything required to facilitate or give effect and/or substance to the rights conferred on UOBBF under this Client Agreement; and
- (c) do anything reasonably ancillary thereto.

1.23.2 Registration of this power of attorney in any jurisdiction may be effected on the Customer's behalf by UOBBF at the Customer's expense.

1.23.3 The Customer undertakes:

- (a) to ratify and confirm, and hereby ratifies and confirms, all and whatsoever UOBBF or any of the aforesaid attorneys may lawfully do pursuant to this power of attorney; and
- (b) to hold harmless, indemnify and keep indemnified UOBBF and any of the aforesaid attorneys against any and all Losses (including legal costs on a full indemnity basis) suffered or incurred by any of them in the proper exercise of their powers under Clause 1.23.1.

## 1.24 **Trust/Custody Account**

1.24.1 The Customer acknowledges that:

- (a) as a general rule funds of the Customer in the possession or control of UOBBF (whether held in a trust account or subject to a trust in favour of the Customer or held with a clearing house or a member of a futures exchange or a member of an overseas futures exchange or otherwise) will be held commingled with funds of other customers of UOBBF (where applicable in a trust account in accordance with the provisions of the SFA);
- (b) one result of the preceding is that it would be administratively difficult and as a matter of economic costs counter-productive to attempt to allocate the respective interest entitlement (if the trust account is interest bearing) on an individual basis. This is primarily because of

the constant fluctuations in the value of the commingled funds in such trust account;

- (c) it is a condition for UOBFF accepting the Customer as a customer that the Customer agrees therefore to waive and relinquish in favour of UOBFF any and all entitlement to interest accruing to the Customer's share of funds in such trust account;
- (d) the Customer by applying to open an Account with UOBFF and being a customer of UOBFF and/or accessing or using any of UOBFF's services shall therefore be deemed to agree to (and UOBFF will and does materially rely on the effectiveness of) such waiver and relinquishment as set out in Clause 1.24.1(c); and
- (e) UOBFF may however pay from time to time such portion of any actual interest it may receive with respect to such funds as it deems appropriate.

1.24.2 Without prejudice to the provisions of the preceding Clause 1.24.1 and in addition to UOBFF's rights and powers including its investment entitlement pursuant to Regulation 20 of the SFR,

- (a) the Customer hereby grants to UOBFF the authority at its discretion to invest the Customer's funds with UOBFF (whether such funds are held distinctly or on a commingled basis pursuant to UOBFF's entitlement to effect such commingling of customer funds) whether distinctly or as part of a pool of commingled funds with or through any fund manager (including itself or a related entity) in such investments as may also be permitted of UOBFF by the SFA and/or an exchange, market or clearing house;
- (b) the Customer acknowledges that any such investment is at UOBFF's discretion;
- (c) UOBFF shall have no liability or responsibility if no such investment is effected or procured to be effected;
- (d) UOBFF will also not be liable for any loss in principal or lack of enhancement in the value of the principal occasioned by and/or from the investment(s) effected; and
- (e) the Customer also accepts the risk of any and all losses or shortfalls that may result from the investment(s) effected, on a pro-rated basis where relevant, so long as any investment is made in good faith by UOBFF.

1.24.3 The Customer hereby authorises UOBFF to deposit the Customer's monies and/or any other property denominated in a foreign currency with a custodian outside Singapore which is licensed, registered or authorised to act as a custodian or to conduct banking business in the country or territory where the account is maintained by UOBFF.

1.24.4 UOBFF may, upon the specific Order of the Customer, and for a fee as may be determined by UOBFF from time to time:

- (a) place any Commodity with a depository selected by UOBFF; and
- (b) commingle such Commodity with that belonging to UOBFF, its other customers or other persons as may be permitted under Applicable Laws.

The Customer shall be responsible for all taxes, postage, shipping, insurance expenses and storage fees relating to UOBBF's provision of this service. The Customer acknowledges that any insurance coverage taken out by UOBBF in relation to the Commodities stored by UOBBF in accordance with this Clause may not cover all risks that such Commodities may be subject to.

1.24.5

To facilitate the Customer's trading in Securities through the Account:

- (a) UOBBF has made custody arrangements with UOB, under which UOB will serve as the custodian for the Customer's Securities (as UOB and UOBBF may approve) which may be acquired through the Customer's trading under the Account with UOBBF;
- (b) such of the Customer's Securities, if held with UOB, will be held by UOB in UOBBF's customer account which UOBBF maintains with UOB for this purpose (the "**UOBBF Customer Securities Account**");
- (c) in connection with the foregoing and as required to be disclosed to the Customer under Regulation 32(2) of the SFR, the terms and conditions for the time being agreed between UOBBF and UOB in respect of such custody arrangements and the UOBBF Customer Securities Account are as set out in Part A of the Schedule hereto and the Customer hereby consents to any lien, right of retention or sale over any Securities and/or asset standing to the credit of the UOBBF Customer Securities Account as claimed by UOB to the extent as set out in Part A of the Schedule hereto;
- (d) nothing in the foregoing or Part A of the Schedule shall, to the fullest extent permitted by law:
  - (i) prevent or preclude UOB and UOBBF, each in their sole and absolute discretion, from time to time mutually agreeing to vary, amend or terminate the terms of their agreement with respect to such custody arrangements and governing the UOBBF Customer Securities Account;
  - (ii) prevent or preclude such variation, amendment or termination taking effect on or after notice to the Customer;
  - (iii) require that prior written consent of the Customer be obtained for any such variation, amendment or termination; and
- (e) notwithstanding anything in the foregoing or Part A of the Schedule to the contrary, the Customer hereby acknowledges that:
  - (i) the foregoing arrangements are put in place by UOBBF for the convenience and benefit of the Customer;
  - (ii) UOBBF and UOB shall each be entitled, notwithstanding any term in any agreement between UOBBF and UOB to the contrary, to treat the Customer as acting as principal; and
  - (iii) for the avoidance of doubt, UOB shall be regarded as an Intermediary for the purposes of Clause 1.7 above (including in particular, but not limited to, Clause 1.7.2), which clause shall apply to these arrangements with UOB.

1.24.6

To facilitate the Customer's trading in precious metals through the Account or in satisfaction of the Customer's Margin Requirements under this Client Agreement:

- (a) UOBFF has made custody arrangements with UOB, under which UOB will serve as the custodian for certain of the Customer's precious metals (as UOB and UOBFF may approve) which may be acquired through the Customer's trading under the Account with UOBFF or provided to UOBFF as Margin;
- (b) such of the Customer's precious metals, if held with UOB, will be held by UOB in UOBFF's customer account which UOBFF maintains with UOB for this purpose (the "**UOBFF Customer Precious Metals Account**");
- (c) in connection with the foregoing and as required to be disclosed to the Customer under Regulation 32(2) of the SFR, the terms and conditions for the time being agreed between UOBFF and UOB in respect of such custody arrangements and the UOBFF Customer Precious Metals Account are as set out in Part A of the Schedule hereto and the Customer hereby consents to any lien, right of retention or sale over any asset standing to the credit of the UOBFF Customer Precious Metals Account as claimed by UOB to the extent as set out in Part A of the Schedule hereto;
- (d) nothing in the foregoing or Part A of the Schedule shall, to the fullest extent permitted by law:
  - (i) prevent or preclude UOB and UOBFF, each in their sole and absolute discretion, from time to time mutually agreeing to vary, amend or terminate the terms of their agreement with respect to such custody arrangements and governing the UOBFF Customer Precious Metals Account;
  - (ii) prevent or preclude such variation, amendment or termination taking effect on or after notice to the Customer;
  - (iii) require that prior written consent of the Customer be obtained for any such variation, amendment or termination; and
- (e) notwithstanding anything in the foregoing or Part A of the Schedule to the contrary, the Customer hereby acknowledges that:
  - (i) the foregoing arrangements are put in place by UOBFF for the convenience and benefit of the Customer;
  - (ii) UOBFF and UOB shall each be entitled, notwithstanding any term in any agreement between UOBFF and UOB to the contrary, to treat the Customer as acting as principal; and
  - (iii) for the avoidance of doubt, UOB shall be regarded as an Intermediary for the purposes of Clause 1.7 above (including in particular, but not limited to, Clause 1.7.2), which clause shall apply to these arrangements with UOB.

1.24.7 In addition to the custody arrangements specified herein, the Customer acknowledges, agrees and accepts that:

- (a) UOBFF may from time to time enter into other custody arrangements with such other custodians in respect of its Customer's Securities and Customer's precious metals as UOBFF may in its discretion determine, and UOBFF may, upon prior written notice to the Customer by any means as UOBFF deems fit, disclose the terms and conditions of such other custody arrangements as may be

required by applicable Singapore laws and deposit the Customer's Securities and the Customer's precious metals with such other custodians as UOBFF may deem necessary, desirable or expedient to the extent permitted by applicable Singapore laws;

- (b) nothing in the foregoing shall, to the fullest extent permitted by law:
  - (i) prevent or preclude UOBFF, in its sole and absolute discretion, from time to time agreeing with the relevant custodian to vary, amend or terminate the terms of their agreement with respect to such custody arrangements;
  - (ii) prevent or preclude such variation, amendment or termination taking effect on or after notice to the Customer;
  - (iii) require that prior written consent of the Customer be obtained for any such variation, amendment or termination; and
- (c) notwithstanding anything in the foregoing to the contrary:
  - (i) the foregoing arrangements are put in place by UOBFF for the convenience and benefit of the Customer;
  - (ii) UOBFF and each other custodian referred to in this Clause 1.24.7 shall each be entitled, notwithstanding any term in any agreement between UOBFF and such other custodian to the contrary, to treat the Customer as acting as principal; and
  - (iii) for the avoidance of doubt, each other custodian referred to in this Clause 1.24.7 shall be regarded as an Intermediary for the purposes of Clause 1.7 above (including in particular, but not limited to, Clause 1.7.2), which clause shall apply to these arrangements with such other custodian.

## 1.25 **Margin**

1.25.1 UOBFF may, at any time, from time to time and in its absolute discretion require the Customer to provide to UOBFF as collateral, such cash or other property in such form, and of such amount, currency denomination, specifications or value as UOBFF may determine in its absolute discretion for:

- (a) the due performance of the Customer's obligations under any and all Transactions or Accounts;
- (b) for the entry into or maintaining of any and all outstanding Transactions or Accounts; and/or
- (c) for the due performance of the Customer's other obligations to UOBFF whether hereunder or otherwise,

(referred to herein as, "**Margin**").

1.25.2 The Customer undertakes to provide all Margin on the conditions and by the date and the time stipulated by UOBFF.

1.25.3 UOBFF may, without prior notice to the Customer, apply and use as Margin for purposes of any Transaction or Account, any and all cash or other property for the time being deposited with, received by, held by or under the control of UOBFF for the Customer or for the Account.

- 1.25.4 Nothing in Clause 1.25.3 shall oblige UOBFF to apply and use any cash or other property for the time being deposited with, received by, held by or under the control of UOBFF for the Customer or the Account as Margin for purposes of any Transaction or Account.
- 1.25.5 Any and all cash and other property received by UOBFF as Margin for purposes of any Transaction or Account of the Customer may also be applied and used by UOBFF as collateral to secure any and all of the Customer's obligations to UOBFF under any other Transaction or Account.
- 1.25.6 The Customer shall promptly execute and do all such documents, instruments, assurances, acts and things as necessary or as required by UOBFF for creating, perfecting and/or protecting the rights of UOBFF to any Margin, including:
- (a) delivering to UOBFF all security and other documents, in such form or forms acceptable to UOBFF, duly executed by the Customer or for the Customer in favour of UOBFF; and
  - (b) where necessary, having the same duly filed, stamped and registered in accordance with all Applicable Laws.
- 1.25.7 UOBFF may:
- (a) with or without notice to the Customer, vary its Margin limits, levels and other requirements (referred to as "Margin Requirements" for the purposes of this Clause 1.25) for the Account at any time;
  - (b) stipulate that such revised Margin Requirements shall apply to existing positions as well as new positions in the respect of the Transactions or Accounts; or
  - (c) by notice to the Customer, effect an immediate change in Margin Requirements and/or require with or without prior notice additional Margin to be deposited immediately or within a very short period of time which may be less than twenty-four (24) hours.
- The Customer hereby waives any right to object on the grounds that such requirement is unreasonable. No previous Margin Requirements shall set a precedent or bind UOBFF. The Customer accepts that this is a risk inherent in the Customer's entering into and dealing in Transactions.
- 1.25.8 Without prejudice to the generality of Clause 1.6 above:
- (a) UOBFF may, at any time, apply (whether by way of sale, disposal or otherwise) any and all Margin held by UOBFF:
    - (i) towards the payment of any amounts due and payable by the Customer to UOBFF under any Transaction or Account; or
    - (ii) towards meeting any of the Customer's obligations and liabilities to UOBFF (including the obligation to comply with the Margin Requirements and the obligation to provide additional Margin), whether or not any time which has been allowed for the Customer to provide any additional Margin or take any other action has elapsed;
  - (b) in pursuance of the foregoing, the Customer hereby grants UOBFF the authority and the discretion to:
    - (i) sell, dispose of or purchase any or all Margin;

- (ii) cancel any or all open orders for Transactions; and/or
  - (iii) close-out any or all outstanding Transactions in any manner;
- (c) any such sales or purchases may be made at UOBFF's discretion on any exchange or other market where such business is usually transacted or at a public auction or private sale or UOBFF may be the purchaser for its own account; and
- (d) the Customer understands and accepts that UOBFF's giving of:
- (i) any prior demand or call (including a Margin Call); or
  - (ii) any prior notice of the time and place of such sale or purchase,

shall not be considered as a waiver of UOBFF's rights under this Clause 1.25 or Clause 1.6 nor is UOBFF bound by such prior demand, call or notice to forestall the exercise of any of its rights under this Clause 1.25 or Clause 1.6.

1.25.9 The Customer is expected to monitor its Transactions and comply with all Margin Requirements.

1.25.10 UOBFF is not obliged to notify the Customer of any call for Margins (referred to as "Margin Call" for the purposes of this Clause 1.25).

1.25.11 UOBFF may attempt to notify the Customer of Margin Calls, but UOBFF is not and shall not be deemed in any event to be obliged to do so.

1.25.12 Even if UOBFF has notified the Customer and provided a specific date or time by which the Customer is required to meet a Margin Call, UOBFF can still take necessary steps to protect its financial interests before such specified date, including exercising any of UOBFF's rights under Clauses 1.25.8 and 1.6, before the Customer has been furnished with the Margin Call or before the time given for meeting the Margin Call has elapsed.

1.25.13 UOBFF may:

- (a) require additional Margin;
- (b) liquidate any Margin; or
- (c) take such other action or to exercise any of its rights under Clause 1.25.8,

as it deems fit whenever it considers such action to be necessary for its protection, including in the event of, but not limited to the occurrence of any Default or Extraordinary Event, all without demand for Margin or additional Margin, or notice to the Customer.

1.25.14 The Customer does not have a right to an extension of time with regards to Margin Calls.

1.25.15 If UOBFF grants any such extension of time for Margin Calls in its discretion, then unless UOBFF expressly states in writing that such extension of time is intended to override or prevail over UOBFF's rights under this Clause 1.25 and Clause 1.6, such extension of time shall be deemed to have been granted subject always to UOBFF's rights under this Clause 1.25 and Clause 1.6.

1.25.16 UOBFF may at any time and from time to time:

- (a) conduct a valuation or assessment of the Margin provided by or for the Customer; and
- (b) the cost of such valuation or assessment shall be borne by the Customer and for the Customer's account.

The value of all Margin provided to and held by, or to be provided to and held by, UOBBF shall be as determined by UOBBF in its discretion from time to time.

1.25.17 No interest shall be paid on any type of Margin deposited by or for the Customer with UOBBF and the Customer acknowledges and consents that interest earned on the Customer's Margin may be retained by UOBBF for its own account and benefit.

1.25.18 UOBBF shall at no time be required to replace or deliver to the Customer identical property as those delivered by or for the Customer with UOBBF as Margin.

1.25.19 UOBBF may at any time replace or deliver to the Customer such other property of substantially the same kind and amount as the Margin held for the Customer's account, subject to adjustments for quantity and quality variations at the market price prevailing at the time of such delivery.

1.25.20 The Customer hereby acknowledges and agrees that:

- (a) separate Margin shall be provided by the Customer in respect of each Account or Transaction as UOBBF may require;
- (b) the Margin in respect of each Account or Transaction shall be treated as separate for the purposes of this Client Agreement; and
- (c) upon specific instructions provided by the Customer, UOBBF may transfer all or part of the Margin held by UOBBF for the Customer in respect of any Account or Transaction to any other Account or Transaction, or to utilise such Margin for any purposes as required by the Customer.

1.25.21 The Customer hereby further acknowledges and accepts that:

- (a) as a general rule Margin of the Customer in the possession or control of UOBBF (whether held in a trust account or subject to a trust in favour of the Customer or held with a clearing house or a member of a futures exchange or a member of an overseas futures exchange or otherwise) will be held commingled with Margin of other customers of UOBBF (where applicable in a trust account in accordance with the provisions of the SFA);
- (b) one result of the preceding is that it would be administratively difficult and as a matter of economic costs counter-productive to attempt to allocate the respective interest entitlement (if the trust account is interest bearing) on an individual basis. This is primarily because of the constant fluctuations in the value of the commingled Margin in such trust account;
- (c) it is a condition for UOBBF accepting the Customer as a customer that the Customer agrees therefore to waive and relinquish in favour of UOBBF any and all rights and entitlements to interest and investment earnings accruing to the Customer's share of Margin, whether held in such trust account or subject to a trust in favour of the Customer or held with any clearing house as collateral for any applicable Transaction (including without limitation any OTC Clearing

Transaction or Securities Transaction) in respect of the Customer (such portion of Margin held with any clearing house referred to herein as “**Clearing House Collateral**”);

- (d) at no time shall UOBBF be held liable or responsible in any way for any Loss suffered or incurred by the Customer as a result of any investment of Clearing House Collateral by any clearing house;
- (e) the deposit or provision of any Clearing House Collateral in any clearing house shall be subject to:
  - (i) the clearing rules of such clearing house;
  - (ii) any security deed or document which such clearing house may require its clearing members to enter into to govern the provision of Clearing House Collateral (which form may be prescribed and amended or supplemented from time to time by such clearing house); and
  - (iii) any applicable law or regulation (including without limitation the SFA);
- (f) the Customer by applying to open an Account with UOBBF and being a customer of UOBBF and/or accessing or using any of UOBBF's services shall therefore be deemed to agree to (and UOBBF will and does materially rely on the effectiveness of) such waiver and relinquishment as set out in Clause 1.25.21(c); and
- (g) UOBBF may however pay from time to time such portion of any actual interest and investment earnings it may receive with respect to such Margin as it deems appropriate.

## 1.26 **Customer Default in respect of Physical Settlement**

1.26.1 For any open position of any Transaction which involves physical settlement, the Customer shall:

- (a) give UOBBF instructions to terminate, close-out or otherwise liquidate such open position; or
- (b) provide UOBBF with:
  - (i) sufficient funds in respect of the Account to which such open position relates;
  - (ii) the underlying subject matter of the Transaction for any delivery to be made in connection with such physical settlement; and/or
  - (iii) all necessary delivery documents to take or make delivery of the underlying subject matter of the Transaction,

all in accordance with UOBBF's general operating procedures, not later than such date and time as UOBBF may specify.

1.26.2 If the Customer fails to comply with Clause 1.26.1, UOBBF may take any one or more of the following actions:

- (a) liquidate such open position (whether by terminating or closing-out or otherwise);

- (b) make or receive delivery of the underlying subject matter of the Transaction on the Customer's behalf upon such terms and by such methods which UOBFF determines without any liability whatsoever to the Customer;
- (c) take any of the actions described in Clause 1.6 or 1.17; and
- (d) where the Transaction is a foreign exchange Transaction, roll over such Transaction by extending its Value Date to a new Value Date for any number of times and on such terms as UOBFF may determine.

**1.27 General Lien, Set-off, Withholding and Other Rights**

- 1.27.1 All cash and other property of the Customer (including Margin) which may at any time be in UOBFF's possession or control or carried on UOBFF's books for the Customer either solely, jointly with others, or as a guarantor for the account of any person for any purpose, including safekeeping, are to be held by UOBFF as continuing security and subject to a general lien and right of set off for liabilities of the Customer to UOBFF or UOBFF's Associate whether or not UOBFF has made advances in connection with such cash or other property, and irrespective of the number of Accounts the Customer may have with UOBFF.
- 1.27.2 UOBFF is hereby authorised to sell and/or purchase, or otherwise apply, any and all such cash and other property without notice to the Customer to satisfy such general lien.
- 1.27.3 UOBFF may, in its discretion, at any time and from time to time without notice to the Customer apply and/or transfer any or all such cash and other property of the Customer's interchangeably between any of the Accounts.
- 1.27.4 The Customer also hereby grants to UOBFF the right to carry in UOBFF's general loans and to pledge, repledge, hypothecate, rehypothecate, invest or loan, either separately or with the property of other customers, to either UOBFF itself as brokers or to others, any property held by UOBFF on Margin for the Accounts of the Customer or as collateral therefor, without notice to the Customer and without any obligation to pay to the Customer, or to account to the Customer for any interest, income, or benefit that may be derived therefrom. UOBFF shall at no time be required to deliver to the Customer the identical property delivered to or purchased by UOBFF for any Account of the Customer but only property of the same kind and amount.
- 1.27.5 UOBFF's rights set forth in Clause 1.27.4 above shall be qualified by requirements for the segregation of customer funds and assets under the Applicable Laws.
- 1.27.6 UOBFF may, at any time without notice to the Customer, combine and/or consolidate all or any of the Customer's accounts with UOBFF and UOBFF's Associates. Without limiting or modifying the general provisions of this Client Agreement, UOBFF is hereby specifically authorised to transfer any sum or sums among the different accounts that the Customer has with UOBFF and with any of UOBFF's Associates in settlement of any or all the Customer's debts with UOBFF and UOBFF's Associates.
- 1.27.7 For so long as the Customer owes moneys or obligations (of whatsoever nature and howsoever arising whether present or future, actual or contingent, as primary obligor or as surety) to UOBFF, the Customer may not withdraw any cash or other property held with UOBFF (whether as Margin or otherwise) without UOBFF's consent. UOBFF may at any time withhold any cash or

other property of the Customer pending full settlement of all such moneys or obligations of the Customer.

1.27.8 UOBFF may at any time and from time to time without notice set-off any amounts due to the Customer or held in any Account or any other account to which the Customer is beneficially entitled (whether with UOBFF or with any Associate of UOBFF) to reduce or extinguish any liability whether present or future, actual or contingent, as primary obligor or as surety, owed by the Customer to UOBFF or to any of other member of the UOBFF Group.

1.28 **Communications from UOBFF**

1.28.1 Communications may be transmitted or sent by UOBFF to the Customer by telephone, electronic mail, facsimile or to any postal address of the Customer at such numbers or address(es) last known to UOBFF.

1.28.2 Where:

- (a) an Account is a joint account of one or more persons; and
- (b) no specific person is nominated for receiving communications from UOBFF,

UOBFF may address, transmit and/or send all communications to the first of such persons identified in UOBFF's written records and such communication shall be deemed to be sent to all such persons.

1.28.3 Any such communications shall be deemed received by the Customer:

- (a) (in the case of electronic mail or facsimile communications) immediately upon transmission by UOBFF; or
- (b) (in the case of posted communications) one (1) day after the communication was dispatched by UOBFF,

whether or not actually received by the Customer.

1.28.4 Communications served personally on or delivered personally to the Customer by UOBFF shall be deemed received upon service or delivery.

1.28.5 The risk of loss or damage to, and the costs of delivery of, any articles or items sent to the Customer shall be borne by the Customer.

1.29 **Statements, Confirmations and Advice from UOBFF**

1.29.1 The Customer shall verify all statements, Confirmations and advice sent by UOBFF to the Customer.

1.29.2 Each such statement, Confirmation and advice shall be deemed conclusive and binding against the Customer, who shall not be entitled to object thereto and who shall be deemed to have ratified all matters therein stated, unless the Customer makes any objection known to UOBFF within five (5) Business Days after despatch of such statement, Confirmation or advice to the Customer. Notwithstanding any other provision in this Client Agreement or any other agreement or arrangement between the Customer and UOBFF to the contrary, all such objections shall be deemed received by UOBFF only if actually delivered or sent by registered mail, with return receipt requested.

1.29.3 UOBFF may at any time rectify any error on any entry, statement, Confirmation or advice which has been proved to its satisfaction, and may demand immediate repayment from the Customer of any monies erroneously paid over to the Customer as a result of such error.

1.29.4 The Customer shall immediately notify UOBBF if a statement, Confirmation or advice is not received by the Customer in the ordinary course of business.

1.30 **Investment information**

1.30.1 The Customer requests UOBBF to contact the Customer concerning trading and investment opportunities that may come to UOBBF's attention from time to time and that UOBBF believes may be of interest to the Customer.

1.30.2 The Customer fully understands:

- (a) that UOBBF is under no obligation to make any such information available to the Customer or to provide the Customer with any financial, market or investment information or suggestion;

- (e) that UOBBF assumes no responsibility for the accuracy and completeness of any information provided.

1.30.3 Notwithstanding anything herein or other agreement to the contrary, UOBBF shall not be obliged to and does not warrant to contact or inform the Customer when the price in respect of any of its Transactions reaches a certain level. The Customer shall be primarily responsible for the monitoring of the market movements of its Transactions.

1.31 **Updating of Particulars**

1.31.1 The Customer shall keep UOBBF updated as to any change in the particulars of the Customer, or any information relating to any Account or to this Client Agreement, as supplied to UOBBF. If the Customer fails to do so, UOBBF will not be responsible for any resulting Loss to the Customer.

the Customer hereby irrevocably agrees that all such funds and other property including any and all accretions and accruals thereon (which in the case of monies shall include all interests earned thereon and all investments and their respective accretions and accruals which may have been made with such monies; and in the case of Securities shall include all accretions and accruals thereon) shall be deemed to have been abandoned by the Customer in favour of UOBBF and may be appropriated by UOBBF to and for itself. The

Customer thereafter shall have no right to claim such funds or other property or their accretions and accruals.

1.33 **Introductions/Sharing of Fees, Commissions and/or other Charges**

1.33.1 The Customer acknowledges that the Customer may have been introduced to UOBBF by a third party. UOBBF has and will accept no responsibility for any conduct, action, representation or statement of such third party.

2.2.2 It is the Customer's sole responsibility to make itself aware of all relevant Prescribed Cut-off Times in respect of an option. The Customer acknowledges that Prescribed Cut-off Times may be imposed (and from time to time amended) by exchanges, clearing houses or Intermediaries without prior notice or without notice and which may be beyond the control of UOBBF, and the Customer agrees to abide by and be subject to all such Prescribed Cut-off Times.

- 2.5.2 Unless otherwise specified,
- (a) UOBBF shall act as principal to the Customer in respect of OTC Transactions; and
  - (b) all OTC Transactions (regardless of whether the underlying subject matter is traded on an exchange or whose specifications mirror the referenced Commodity traded on an exchange) are entered into on the basis that they shall be cash settled and not physically settled.
- 2.5.3 UOBBF shall with respect to any and all OTC Transactions be the calculation agent for all underlying reference pricings of a Transaction and all relevant settlement and other pricing for the purposes of determining the respective rights and obligations of the parties by reference to such pricing.
- 2.5.4 UOBBF does not assume any obligation or duty to, or any relationship of agency or trust for or with the Customer for such Transactions (the Customer acknowledging that such obligations are inconsistent with a principal to principal relationship between the parties).
- 2.5.5 Any determinations and calculations by UOBBF shall (in the absence of manifest error) be final and binding on the Customer, provided that UOBBF has acted in good faith and in a commercially reasonable manner.
- 2.5.6 In the event of a determination by UOBBF in good faith that any material disruption to the price source set out in the terms for any Transaction or in a relevant reference market has occurred (each such event a "**Market Disruption Event**"), UOBBF may determine in good faith and in a commercially reasonable manner the market pricing of the underlying reference instrument for the purposes of the parties' respective rights and obligations under such Transaction and its determination shall be final and binding on the parties.
- 2.5.7 UOBBF has the sole discretion to determine:
- (a) whether a Market Disruption Event has occurred during the life of a Transaction or on its Settlement Date and if such Market Disruption Event occurs on the Settlement Date what price or level should the

relevant closing level of the underlying reference instrument be for the purposes of settlement of a relevant Transaction; or

- (b) whether any adjustments to the terms of the Transaction should be made as a result of any event(s) affecting the underlying reference instrument or (if the same is an index) any of its constituent components or combination thereof to which the relevant reference instrument and Transaction relate (including an index adjustment event such as a material change in the formula for or the method of calculating the Index or failure to calculate and publish the index).

Any such discretion exercised by, or any calculation made by UOBBF (in the absence of manifest error) shall be binding on the Customer who should note that UOBBF when making any such adjustments or calculations, will not take into account the Customer's individual circumstances and/or tax or other consequences of such adjustments or calculations.

## 2.6 **OTC Clearing Services**

2.6.1 The Customer confirms on a continuing basis for the duration that UOBBF provides OTC Clearing Services that:

- (a) it agrees to the OTC Clearing Services being subject to the OTC Clearing Rules in all cases;
- (b) it shall keep itself updated on the OTC Clearing Rules that are relevant for the OTC Transactions eligible to be cleared through the relevant Agreed Clearing System that the Customer wishes to be effected;
- (c) it shall ensure that neither it nor (in a case where it uses an inter-dealer broker) the inter-dealer broker that it has chosen (the "IDB") to register its OTC Clearing Transactions through the relevant approved trade registration system shall do any act or fail to do any act which may cause UOBBF to be in breach of:
  - (i) the relevant OTC Clearing Rules for the clearing of the OTC Clearing Transactions; or
  - (ii) UOBBF or its Intermediary's obligations as a clearing member of the relevant Agreed Clearing System provider or with respect to the access and use of the relevant approved trade registration system.

The Customer undertakes to keep UOBBF indemnified from and against any and all claims, loss, prejudice or damages that UOBBF may suffer or incur referable to any breach on the Customer's part of its preceding obligations and shall also co-operate fully in admitting to and explaining such breach forthwith upon UOBBF's request for same for the purposes of answering any queries, charges or claims against UOBBF by any relevant Agreed Clearing System provider, regulatory or supervisory authority having jurisdiction over UOBBF (including the MAS) or any other regulatory or enforcement agency having jurisdiction over the relevant OTC Clearing Transaction or UOBBF referable to such breach;

- (d) where it uses an IDB, it agrees and accepts that (although as between UOBBF and a relevant Agreed Clearing System provider and/or Intermediary, UOBBF may be responsible for all the actions of the IDB) as between UOBBF and the Customer, the IDB is in fact

and law solely to be regarded as the Customer's appointed agent for the registration of its OTC Clearing Transactions and:

- (i) for whose actions and omissions (including any and all errors) the Customer is solely responsible; and
- (ii) for whose actions and omissions with respect to the registration of the OTC Clearing Transactions the Customer shall be liable to, hold harmless and indemnify UOBBF from and against.

Without prejudice to the foregoing, UOBBF is fully entitled to assume that all inputs by the IDB purportedly relating to the Customer's OTC Clearing Transactions are, as between UOBBF and the Customer, wholly correct and authorised to be inputted by UOBBF and (to the extent relevant, on the basis that the Customer shall ensure that all relevant margin requirements to enable the OTC Clearing Transactions to be cleared for the Customer have been provided or shall be provided within the relevant deadline for the provision of such margins);

- (e) it agrees and accepts that if for any reason (including the fact that the relevant OTC Clearing Transaction as registered or attempted to be registered by the IDB or UOBBF if the Customer does not use an IDB for the registration of the OTC Clearing Transaction through the approved trade registration system does not fulfil the criteria for registration under the OTC Clearing Rules) the OTC Clearing Transaction is not or is deemed not to have been:
  - (i) submitted to the relevant Agreed Clearing System provider; or
  - (ii) accepted for clearing,

then such OTC Clearing Transaction shall (whether pursuant to the operation of any specific OTC Clearing Rule of the relevant OTC Clearing Rules or general law):

- (I) remain in effect as a bilateral transaction between the Customer and its counterparty to the transaction; or
- (II) be cancelled or terminated as the case may be, in accordance with the terms of the bilateral agreement for such transaction agreed or deemed to be agreed between the Customer and its counterparty.

With respect to the preceding, the Customer hereby agrees and confirms that UOBBF is not privy to and has no responsibility or obligation referable to such bilateral contract;

- (f) for the purpose of enabling and having UOBBF submit the name of the IDB and authorising the IDB, as between UOBBF and a relevant Approved Clearing System provider and/or Intermediary, to register the OTC Clearing Transactions through the relevant approved trade registration system and to accept responsibility as principal for such registration to the relevant Approved Clearing System provider and/or Intermediary upon the registration and submission of the OTC Clearing Transactions to the relevant Approved Clearing System provider in accordance with the relevant OTC Clearing Rules, the Customer shall, if it wishes to use an IDB:

- (i) for the purposes of authorising the IDB to register the Customer's OTC Clearing Transactions through the relevant approved trade registration system, provide UOBBF with the name and all other relevant particulars of the IDB **together with the Customer's consent for UOBBF** to submit such particulars to the relevant Approved Clearing System provider and/or Intermediary;
  - (ii) ensure that, to the extent relevant, the IDB shall at all times be the relevant inter-dealer broker for the registration of requisite counterparty information and particulars, including information on the counterparty's clearing member for the OTC Clearing Transaction, for the OTC Clearing Transactions; and
  - (iii) be deemed to have authorised the IDB as the Customer's appointed agent for the registration of the Customer's OTC Clearing Transactions and for whose actions, omissions (including any and all errors) the Customer is, as between UOBBF and the Customer, solely responsible.
- (g) it agrees and shall ensure that at all times it complies with all margin and other limits to the scope or value of its OTC Clearing Transactions permitted to be cleared through UOBBF. The Customer also agrees that such margin prescriptions and other limits may be different from and greater than those that may be prescribed by the relevant Agreed Clearing System provider and/or Intermediary; and
- (h) if it is using UOBBF and not an IDB for the registration of any OTC Clearing Transaction, to provide UOBBF with full particulars of such OTC Clearing Transaction, including the particulars of the OTC Clearing Transaction and the Customer's counterparty and its clearing member (together, where relevant, with all relevant reference codes/numbers of such counterparty and its clearing member) to enable the proper inputting of the OTC Clearing Transaction for either confirmation by the clearing member providing OTC clearing services to the counterparty or such counterparty clearing member's proper decision on whether to confirm the Clearing Transaction.

## 2.7 **Omnibus Account**

No failure to exercise or no delay or omission on UOBBF or UOB's part in exercising or enforcing any right, remedy, power or privilege hereunder nor any indulgence or concession extended to UOB or UOBBF, as the case may be, shall impair or operate as a waiver thereof, any single or partial exercise or enforcement of any such right, remedy, power or privilege shall not preclude any other or further exercise or enforcement thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided are cumulative and not exclusive of any rights, remedies, powers or privileges provided by law.
17. If any of the provisions or any part of any provision herein becomes invalid, illegal or unenforceable in any respect under any law, the validity, legality and enforceability of the remaining provisions or the remaining part of that provision shall not in any way be affected or impaired.
18. This Agreement shall only be varied, modified or amended by mutual agreement in writing between UOB and UOBBF.
19. This Agreement shall be governed by and construed in accordance with the laws of the Republic of Singapore and UOBBF and UOB hereby agree to submit to the non-exclusive jurisdiction of the courts of the Republic of Singapore and waive any objection to proceedings in such courts on the grounds of venue or that such proceedings have been brought in an inconvenient forum. Service of process on UOBBF may be effected in the same manner as is stated in Clause 15 above and such service shall be deemed to be valid service.

UOBBF hereby declares that UOBBF has read and understands fully the abovementioned terms and conditions of this Agreement and agrees to be fully bound by them.

## **II. UOBBF Customer Precious Metals Account**

To facilitate the Customer's trading in precious metals through the Account or in satisfaction of the Customer's Margin Requirements under this Client Agreement, UOBBF has made custody arrangements with UOB, under which UOB will serve as the custodian for certain of the Customer's precious metals (as UOBBF may approve) which may be acquired through the Customer's trading under the Account held with UOBBF or provided to UOBBF as Margin. Such of the Customer's precious metals, if held with UOB, will be held by UOB in UOBBF's customer account which UOBBF maintains with UOB for this purpose (the "**UOBBF Customer Precious Metals Account**"). In connection with the foregoing and as required to be disclosed to the Customer under Regulation 32(2) of the SFR, the terms and conditions for the time being agreed between UOBBF and UOB in respect of such custody arrangements and the UOBBF Customer Precious Metals Account are as follows:

(The references to the "UOBBF Customer Account" below in this section II are references to the UOBBF Customer Precious Metals Account.)

  - (b) UOB shall hold and record all assets placed or held in the UOBBF Customer Account in accordance with UOBBF's instructions;
  - (c) UOB shall keep such records as shall identify all assets placed or held in the UOBBF Customer Account as belonging to UOBBF's customers;
  - (d) UOB shall keep all assets placed or held in the UOBBF Customer Account on a segregated basis from, and not commingled with, any of UOB's assets or any of UOBBF's own assets; and
  - (e) UOB shall not claim any security interest (including any lien, right of retention or right of sale) over any asset placed or held in the UOBBF Customer Account, except:
    - (i) where UOBBF has obtained UOBBF's customers' written consent for such security interest, and UOBBF has notified UOB in writing of UOBBF having obtained such written consent; or
    - (ii) in respect of any charges as may be agreed between UOB and UOBBF in writing in relation to UOB's administration or custody of any such assets.
- 1.2. UOB shall provide such information as UOBBF may from time to time require in order that UOBBF may comply with all of UOBBF's record-keeping obligations under the SFA, the SFR or any other law.
- 1.3. Unless UOBBF otherwise instructs UOB in writing, all assets placed or held in the UOBBF Customer Account (if registrable in the name of any person) shall be registered in UOBBF's name.
- 1.4. Unless UOBBF otherwise instructs UOB in writing, all entitlements (if any) arising from, or accruing in relation to, any asset placed or held in the UOBBF Customer Account and received by UOB, shall be placed and held in the UOBBF Customer Account.
- 1.5. Notwithstanding paragraph 1.1 above, UOB shall not permit any withdrawal of any asset placed or held in the UOBBF Customer Account, except upon UOBBF's written instructions. For the avoidance of doubt, UOB shall not accept or act on any instructions from any of UOBBF's customers for any dealing, withdrawal or delivery whatsoever of any asset placed or held in the UOBBF Customer Account.
- 1.6. In the absence of any default, fraud or negligence on UOBBF's part, UOB shall indemnify UOBBF, keep UOBBF indemnified and hold UOBBF harmless against any and all loss of the assets maintained in the UOBBF Customer Account arising as a result of or in connection with, any default, fraud or negligence on UOB's part or on the part of any of UOB's agents.
- 1.7. UOB shall be entitled to charge such fees, charges and costs (as UOB and UOBBF may from time to time agree in writing) in connection with UOB's administration or custody of the assets in UOBBF Customer Account.
- 1.8. The terms disclosed above in this Schedule shall supersede and replace any previous understanding or agreements with UOB with respect to UOBBF Customer Account and shall comprise the entire understanding between UOB and UOBBF with respect to the subject matter hereof.

**B. RISK DISCLOSURE STATEMENT REQUIRED TO BE FURNISHED AND KEPT BY THE HOLDER OF A CAPITAL MARKETS SERVICES LICENCE TO TRADE IN FUTURES CONTRACTS OR LEVERAGED FOREIGN EXCHANGE CONTRACTS UNDER THE SFA**

(The references to “you” below are references to the Customer.)

**FORM 13**

**SECURITIES AND FUTURES ACT (Cap. 289)**

**SECURITIES AND FUTURES (LICENSING AND CONDUCT OF BUSINESS) REGULATIONS (Rg 10)**

**RISK DISCLOSURE STATEMENT REQUIRED TO BE FURNISHED UNDER REGULATION 47E(1) AND TO BE KEPT UNDER REGULATION 39(2)(c) BY THE HOLDER OF A CAPITAL MARKETS SERVICES LICENCE TO TRADE IN FUTURES CONTRACTS OR LEVERAGED FOREIGN EXCHANGE CONTRACTS**

1. This statement is provided to you in accordance with regulation 47E(1) of the Securities and Futures (Licensing and Conduct of Business) Regulations (Rg 10).
2. This statement does not disclose all the risks and other significant aspects of trading in futures, options and leveraged foreign exchange. In light of the risks, you should undertake such transactions only if you understand the nature of the contracts (and contractual relationships) into which you are entering and the extent of your exposure to the risks. Trading in futures, options and leveraged foreign exchange may not be suitable for many members of the public. You should carefully consider whether such trading is appropriate for you in the light of your experience, objectives, financial resources and other relevant circumstances. In considering whether to trade, you should be aware of the following:

**(a) Futures and Leveraged Foreign Exchange Trading**

**(i) *Effect of ‘Leverage’ or ‘Gearing’***

Transactions in futures and leveraged foreign exchange carry a high degree of risk. The amount of initial margin is small relative to the value of the futures contract or leveraged foreign exchange transaction so that the transaction is highly ‘leveraged’ or ‘geared’. A relatively small market movement will have a proportionately larger impact on the funds you have deposited or will have to deposit; this may work against you as well as for you. You may sustain a total loss of the initial margin funds and any additional funds deposited with the firm to maintain your position. If the market moves against your position or margin levels are increased, you may be called upon to pay substantial additional funds on short notice in order to maintain your position. If you fail to comply with a request for additional funds within the specified time, your position may be liquidated at a loss and you will be liable for any resulting deficit in your account.

**(ii) *Risk-Reducing Orders or Strategies***

The placing of certain orders (e.g. ‘stop-loss’ orders, where permitted under local law, or ‘stop-limit’ orders) which are intended to limit losses to certain amounts may not be effective because market conditions may make it impossible to execute such orders. At times, it is also difficult or impossible to liquidate a position without incurring substantial losses. Strategies using combinations of positions, such as ‘spread’ and ‘straddle’ positions may be as risky as taking simple ‘long’ or ‘short’ positions.

**(b) Options**

**(i) *Variable Degree of Risk***

Transactions in options carry a high degree of risk. Purchasers and sellers of options should familiarise themselves with the type of options (i.e. put or call) which they contemplate trading and the associated risks. You should calculate the extent to which the value of the options would have to increase for your position to become profitable, taking into account the premium paid and all transaction costs. The purchaser of options may offset its position by trading in the market or exercise the options or allow the options to expire. The exercise of an option results either in a cash settlement or in the purchaser acquiring or delivering the underlying interest. If the option is on a futures contract or leveraged foreign exchange transaction, the purchaser will have to acquire a futures or leveraged foreign exchange position, as the case may be, with associated liabilities for margin (see the section on Futures and Leveraged Foreign Exchange Trading above). If the purchased options expire worthless, you will suffer a total loss of your investment which will consist of the option premium paid plus transaction costs. If you are contemplating purchasing deep-out-of-the-money options, you should be aware that, ordinarily,

the chance of such options becoming profitable is remote.

Selling ('writing' or 'granting') an option generally entails considerably greater risk than purchasing options. Although the premium received by the seller is fixed, the seller may sustain a loss well in excess of the amount of premium received. The seller will be liable to deposit additional margin to maintain the position if the market moves unfavourably. The seller will also be exposed to the risk of the purchaser exercising the option and the seller will be obligated to either settle the option in cash or to acquire or deliver the underlying interest. If the option is on a futures contract or a leveraged foreign exchange transaction, the seller will acquire a futures or leveraged foreign exchange position, as the case may be, with associated liabilities for margin (see the section on Futures and Leveraged Foreign Exchange Trading above). If the option is 'covered' by the seller holding a corresponding position in the underlying futures contract, leveraged foreign exchange transaction or another option, the risk may be reduced. If the option is not covered, the risk of loss can be unlimited.

Certain exchanges in some jurisdictions permit deferred payment of the option premium, limiting the liability of the purchaser to margin payments not exceeding the amount of the premium. The purchaser is still subject to the risk of losing the premium and transaction costs. When the option is exercised or expires, the purchaser is responsible for any unpaid premium outstanding at that time.

**(c) Additional Risks Common to Futures, Options and Leveraged Foreign Exchange Trading**

**(i) Terms and Conditions of Contracts**

You should ask the corporation with which you conduct your transactions for the terms and conditions of the specific futures contract, option or leveraged foreign exchange transaction which you are trading and the associated obligations (e.g. the circumstances under which you may become obligated to make or take delivery of the underlying interest of a futures contract or a leveraged foreign exchange transaction and, in respect of options, expiration dates and restrictions on the time for exercise). Under certain circumstances, the specifications of outstanding contracts (including the exercise price of an option) may be modified by the exchange or clearing house to reflect changes in the underlying interest.

**(ii) Suspension or Restriction of Trading and Pricing Relationships**

Market conditions (e.g. illiquidity) or the operation of the rules of certain markets (e.g. the suspension of trading in any contract or contract month because of price limits or 'circuit breakers') may increase the risk of loss by making it difficult or impossible to effect transactions or liquidate/offset positions. If you have sold options, this may increase the risk of loss.

Further, normal pricing relationships between the underlying interest and the futures contract, and the underlying interest and the option may not exist. This can occur when, e.g., the futures contract underlying the option is subject to price limits while the option is not. The absence of an underlying reference price may make it difficult to judge 'fair' value.

**(iii) Deposited Cash and Property**

You should familiarise yourself with the protection accorded to any money or other property which you deposit for domestic and foreign transactions, particularly in a firm's insolvency or bankruptcy. The extent to which you may recover your money or property may be governed by specific legislation or local rules. In some jurisdictions, property which had been specifically identifiable as your own will be pro-rated in the same manner as cash for purposes of distribution in the event of a shortfall.

**(d) Commission and Other Charges**

Before you begin to trade, you should obtain a clear explanation of all commissions, fees and other charges for which you will be liable. These charges will affect your net profit (if any) or increase your loss.

**(e) Transactions in Other Jurisdictions**

Transactions on markets in other jurisdictions, including markets formally linked to a domestic market, may expose you to additional risk. Such markets may be subject to a rule which may offer different or diminished investor protection. Before you trade, you should enquire about any rules relevant to your particular transactions. Your local regulatory authority will be unable to compel the enforcement of the rules of the regulatory authorities or markets in other jurisdictions where your transactions have been effected. You should ask the firm with which you conduct your transactions for details about the types of redress available in both your home jurisdiction and other relevant jurisdictions before you start to trade.

**(f) Currency Risks**

The profit or loss in transactions in foreign currency-denominated futures and options contracts (whether they are traded in your own or another jurisdiction) will be affected by fluctuations in currency rates where there is a need to convert from the currency denomination of the contract to another currency.

**(g) Trading Facilities**

Most open-outcry and electronic trading facilities are supported by computer-based component systems for the order-routing, execution, matching, registration or clearing of trades. As with all facilities and systems, they are vulnerable to temporary disruption or failure. Your ability to recover certain losses may be subject to limits on liability imposed by the one or more parties, namely the system provider, the market, the clearing house or member firms. Such limits may vary. You should ask the firm with which you conduct your transactions for details in this respect.

**(h) Electronic Trading**

Trading on an electronic trading system may differ not only from trading in an open-outcry market but also from trading on other electronic trading systems. If you undertake transactions on an electronic trading system, you will be exposed to risks associated with the system including the failure of hardware and software. The result of any system failure may be that your order is either not executed according to your instructions or not executed at all.

**(i) Off-Exchange Transactions**

In some jurisdictions, firms are permitted to effect off-exchange transactions. The firm with which you conduct your transactions may be acting as your counterparty to the transaction. It may be difficult or impossible to liquidate an existing position, to assess the value, to determine a fair price or to assess the exposure to risk. For these reasons, these transactions may involve increased risks. Off-exchange transactions may be less regulated or subject to a separate regulatory regime. Before you undertake such transactions, you should familiarise yourself with the applicable rules and attendant risks.

*Note:*

“Margin” means an amount of money, securities, property or other collateral, representing a part of the value of the contract or agreement to be entered into, which is deposited by the buyer or the seller of a futures contract or in a leveraged foreign exchange transaction to ensure performance of the terms of the futures contract or leveraged foreign exchange transaction.

**C. RISK DISCLOSURE STATEMENT REQUIRED TO BE FURNISHED BY A COMMODITY BROKER OR SPOT COMMODITY BROKER UNDER THE CTA**

(The references to "you" below are references to the Customer.)

**FORM 3**

**COMMODITY TRADING ACT (CHAPTER 48A)**

**COMMODITY TRADING REGULATIONS**

**RISK DISCLOSURE STATEMENT REQUIRED TO BE FURNISHED BY A COMMODITY BROKER OR SPOT COMMODITY BROKER**

1. This statement is provided to you in accordance with section 32 (1) of the Commodity Trading Act.
2. The intention of this statement is to inform you that the risk of loss in trading in commodity contracts and in spot commodity contracts can be substantial. You should therefore carefully consider whether such trading is suitable for you in light of your financial condition.
3. In considering whether to trade, you should be aware of the following:
  - (a) **Margin:** You may sustain a total loss of the initial margin and any additional margins that you deposit to establish a position or maintain positions in the commodity market or spot commodity market. If the market moves against your positions, you may be called upon to deposit a substantial amount of additional margins, on short notice, in order to maintain your positions. If you do not provide the required margins within the prescribed time, your positions may be liquidated at a loss, and you will be liable for any resulting deficit in your account.
  - (b) **Liquidation of position:** Under certain market conditions, you may find it difficult or impossible to liquidate a position.
  - (c) **Contingent orders:** Placing contingent orders, such as "stop-loss" or "stop-limit" order, will not necessarily limit your losses to the intended amounts, since market conditions may make it impossible to execute such orders.
  - (d) **"Spread" position:** A "spread" position may not be less risky than a simple "long" or "short" position.
  - (e) **Leverage:** The high degree of leverage that is often obtainable, trading in commodity contracts and spot commodity trading because of the small margin requirements can work against you as well as for you. The use of leverage can lead to large losses as well as gains.
  - (f) **Foreign markets and off-futures exchange transactions:** Funds placed with a commodity broker or spot commodity broker for the purpose of participating in foreign markets, such as the New York Mercantile Exchange or Chicago Board of Trade, may not enjoy the same level of protection as funds placed in commodity markets located in Singapore.
4. This brief statement cannot disclose all the risks and other significant aspects of the commodity market. You should therefore carefully study trading in commodity contracts and spot commodity trading before you trade.

## D. RISK WARNING STATEMENT ON OVERSEAS-LISTED INVESTMENT PRODUCTS

(The references to "you" below are references to the Customer.)

### RISK WARNING STATEMENT

#### OVERSEAS-LISTED INVESTMENT PRODUCTS

##### **RISK WARNING**

An overseas-listed investment product\* is subject to the laws and regulations of the jurisdiction it is listed in. Before you trade in an overseas-listed investment product or authorise someone else to trade for you, you should be aware of:

- The level of investor protection and safeguards that you are afforded in the relevant foreign jurisdiction, as the overseas-listed investment product would operate under a different regulatory regime.
- The differences between the legal systems in the foreign jurisdiction and Singapore that may affect your ability to recover your funds.
- The tax implications, currency risks, and additional transaction costs that you may have to incur.
- The counterparty and correspondent broker risks that you are exposed to.
- The political, economic and social developments that influence the overseas markets you are investing in.

These and other risks may affect the value of your investment. You should not invest in the product if you do not understand or are not comfortable with such risks.

*\*An "overseas-listed investment product" in this statement refers to a capital markets product that is listed for quotation or quoted only on overseas securities exchange(s) or overseas futures exchange(s) (collectively referred to as "overseas exchanges").*

1. This statement is provided to you in accordance with paragraph 29D of the Notice on the Sale of Investment Products [SFA04-N12].
2. This statement does not disclose all the risks and other significant aspects of trading in an overseas-listed investment product. You should undertake such transactions only if you understand and are comfortable with the extent of your exposure to the risks.
3. You should carefully consider whether such trading is suitable for you in light of your experience, objectives, risk appetite, financial resources and other relevant circumstances. In considering whether to trade or to authorise someone else to trade for you, you should be aware of the following:

##### Differences in Regulatory Regimes

- (a) Overseas markets may be subject to different regulations, and may operate differently from approved exchanges in Singapore. For example, there may be different rules providing for the safekeeping of securities and monies held by custodian banks or depositories. This may affect the level of safeguards in place to ensure proper segregation and safekeeping of your investment products or monies held overseas. There is also the risk of your investment products or monies not being protected if the custodian has credit problems or fails. Overseas markets may also have different periods for clearing and settling transactions. These may affect the information available to you regarding transaction prices and the time you have to settle your trade on such overseas markets.

- (b) Overseas markets may be subject to rules which may offer different investor protection as compared to Singapore. Before you start to trade, you should be fully aware of the types of redress available to you in Singapore and other relevant jurisdictions, if any.
- (c) Overseas-listed investment products may not be subject to the same disclosure standards that apply to investment products listed for quotation or quoted on an approved exchange in Singapore. Where disclosure is made, differences in accounting, auditing and financial reporting standards may also affect the quality and comparability of information provided. It may also be more difficult to locate up-to-date information, and the information published may only be available in a foreign language.

#### Differences in legal systems

- (a) In some countries, legal concepts which are practiced in mature legal systems may not be in place or may have yet to be tested in courts. This would make it more difficult to predict with a degree of certainty the outcome of judicial proceedings or even the quantum of damages which may be awarded following a successful claim.
- (b) The Monetary Authority of Singapore will be unable to compel the enforcement of the rules of the regulatory authorities or markets in other jurisdictions where your transactions will be effected.
- (c) The laws of some jurisdictions may prohibit or restrict the repatriation of funds from such jurisdictions including capital, divestment proceeds, profits, dividends and interest arising from investment in such countries. Therefore, there is no guarantee that the funds you have invested and the funds arising from your investment will be capable of being remitted.
- (d) Some jurisdictions may also restrict the amount or type of investment products that foreign investors may trade. This can affect the liquidity and prices of the overseas-listed investment products that you invest in.

#### Different costs involved

- (a) There may be tax implications of investing in an overseas-listed investment product. For example, sale proceeds or the receipt of any dividends and other income may be subject to tax levies, duties or charges in the foreign country, in Singapore, or in both countries.
- (b) Your investment return on foreign currency-denominated investment products will be affected by exchange rate fluctuations where there is a need to convert from the currency of denomination of the investment products to another currency, or may be affected by exchange controls.
- (c) You may have to pay additional costs such as fees and broker's commissions for transactions in overseas exchanges. In some jurisdictions, you may also have to pay a premium to trade certain listed investment products. Therefore, before you begin to trade, you should obtain a clear explanation of all commissions, fees and other charges for which you will be liable. These charges will affect your net profit (if any) or increase your loss.

#### Counterparty and correspondent broker risks

- (a) Transactions on overseas exchanges or overseas markets are generally effected by your Singapore broker through the use of foreign brokers who have trading and/or clearing rights on those exchanges. All transactions that are executed upon your instructions with such counterparties and correspondent brokers are dependent on their respective due performance of their obligations. The insolvency or default of such counterparties and correspondent brokers may lead to positions being liquidated or closed out without your consent and/or may result in difficulties in recovering your monies and assets held overseas.

#### Political, Economic and Social Developments

- (b) Overseas markets are influenced by the political, economic and social developments in the foreign jurisdiction which may be uncertain and may increase the risk of investing in overseas-listed investment products.

## E. ADDITIONAL RISK DISCLOSURES

This risk disclosure statement provides a brief outline of some of the risks associated with holding and trading of financial instruments generally. It cannot be and is not sufficient to explain all the risks. The Customer should therefore fully understand the nature of the transactions and contractual relationships, the extent of its exposure to risk and the potential losses that can be incurred and, as appropriate, consult its professional advisers before entering into any transaction.

**The Customer acknowledges that it has read and understood this statement and accepts these risks.**

### **General Investment Risks**

**Price and Market Risks** - *The prices of securities fluctuate, sometimes dramatically. The price of a security may move up or down, and may become valueless. It is as likely that losses will be incurred rather than profit made as a result of buying and selling securities. The Customer's position on various transactions may be liquidated at a loss and the Customer will then be liable for any resulting deficit.*

*Under certain circumstances, it may be difficult to liquidate an existing position, assess the value, determine a fair price or assess its exposure to risk. The specifications of outstanding contracts (including the exercise price of an option or warrant) may also be modified by an exchange or clearing house to reflect changes in the underlying asset.*

**Off-exchange transactions** - *If the Customer enters into an off-exchange transaction, UOBFF may be acting as the Customer's counterparty. Off-exchange transactions may be less regulated or subject to a separate regulatory regime, compared to on-exchange transactions.*

*Because prices and characteristics of over-the-counter financial instruments are often individually negotiated, there may be no central source for obtaining prices and there can be inefficiencies in the pricing of such instruments.*

*Off-exchange transactions may also involve greater risk than dealing in exchange traded products because there is no exchange market through which to liquidate the Customer's position, to assess the value of the product or the exposure to risk. Bid and offer prices need not be quoted and it may be difficult to establish what is a fair price.*

**Country Risks** - *Transactions on markets in other jurisdictions, including markets formally linked to a domestic market, may expose the Customer to additional risk. Such markets may be subject to rules which may offer different or diminished investor protection. Before the Customer trades, the Customer should make enquiries with UOBFF about any rules relevant to the Customer's particular transactions. The Customer's local regulatory authority will be unable to compel the enforcement of the rules of the regulatory authorities or markets in other jurisdictions where the Customer's transactions have been effected. The Customer should ask UOBFF for details about the types of redress available in both the Customer's home jurisdiction and other relevant jurisdictions before the Customer starts to trade. Any imposition by a country of exchange controls or other limitations or restrictions may cause payments to be made in the local currency instead of the original invested currency, or may result in the inability to effect outward remittances of funds from such country, which can affect the value of the Customer's investment or the Customer's ability to enjoy its benefit.*

*Investment in equities, investment funds and other assets in "emerging markets", including those located in Asia, Latin America and Eastern Europe, may yield high returns but may also carry high investment risks. Such risks include political risks, risks of economic instability, heightened levels of the general risks described above, greater prevalence of unsavoury market practices and laws and regulations which afford inadequate protection and safeguards to investors. Generally less information is publicly available with respect to emerging markets issuers and obligors and many emerging markets companies are subject to less rigorous accounting and reporting requirements than those applicable in developed markets.*

**Liquidity and Market Disruption Risks** - *Adverse market conditions may result in the Customer not being able to effect transactions, liquidate all or part of its investments, assess a value or its exposure or determine a fair price, as and when it requires. This may also arise from the rules in certain markets (for example, the rules of a particular exchange may provide for "circuit breakers" where trading is suspended or restricted at times of rapid price movements).*

*Placing contingent orders, such as "stop-loss" or "stop-limit" orders, will not necessarily limit the Customer's losses to the intended amounts, as it may be impossible to execute such orders under adverse market conditions. Strategies using combinations of positions, such as spread and straddle positions, may be as risky as taking simple long or short positions.*

*The normal pricing relationships between a derivative and the underlying assets may not exist in certain circumstances. For example, this can occur when an asset underlying an option is subject to price limits while the option is not.*

*Most open-outcry and electronic trading facilities are supported by computer-based systems for the order-routing, execution, matching, registration or clearing of trades. As with all facilities and systems, they are*

vulnerable to temporary disruption or failure. The Customer's ability to recover certain losses may be subject to limits on liability imposed by the system provider, the market, the clearing house and/or member firms. Such limits may vary. Before conducting any transactions through such facilities or systems, the Customer should understand the details in this respect. Further, trading on an electronic trading system may differ not only from trading in an open-outcry market but also from trading on other electronic trading systems. If the Customer undertakes transactions on an electronic trading system, it will be exposed to risks associated with the system including the failure of hardware and software. The result of any system failure may be that the Customer's order is either not executed according to its instructions or not executed at all.

**Foreign Exchange Risks** - Fluctuations in foreign currency rates will have an impact on the Customer's profit and loss where a transaction involves a foreign currency element.

**Credit Risks** - Equities and equity-linked products are subject to the credit risks of the issuer or counterparty, including but not limited to failure by such issuer or counterparty to make delivery or payment to the Customer. The Customer should also familiarise itself with the protection accorded to any money or other property which it deposits for domestic and foreign transactions, particularly in a firm's insolvency or bankruptcy. The extent to which the Customer may recover its money or property may be governed by specific legislation or local rules. In some jurisdictions, property which had been specifically identifiable as its own will be pro-rated in the same manner as cash for purposes of distribution in the event of a shortfall.

**Custodial Services** - The Customer acknowledges that there may be risks in leaving securities and assets with UOBBF as custodian. Such risks could involve the loss of all securities and assets, leading to diminished investor protection. The Customer should be prepared to assume these risks if it decides to leave its securities and assets with UOBBF as custodian. The Customer should also understand that in relation to securities and assets held in other jurisdictions, UOBBF may appoint foreign custodians to safe-keep its foreign securities and assets. In this respect, there may be additional risks in relation to such foreign custodians arising from the operation of foreign law, rules and regulations. The Customer should therefore be prepared to assume these further risks before it engages UOBBF to provide such foreign custodial services. The Customer should also be aware that it may incur additional costs for utilising custodial services.

**Counterparty and Intermediary Default Risks** - There may be a number of counterparties and/or intermediaries (including other brokers, dealers, market-makers, exchanges, clearing houses or other third parties) that may be involved with transactions entered into by UOBBF on the Customer's behalf. The Customer acknowledges and agrees that transactions entered into on the Customer's behalf with or through such counterparties and/or intermediaries are subject to the prevailing terms and conditions as may be specified by such counterparties and/or intermediaries and are dependent on the performance, settlement or delivery by such counterparties and/or intermediaries.

Any wrongdoing, act, omission, insolvency, negligence, breach of duty, misconduct, fraud, wilful default or any other failure or default by or in respect of any such counterparty and/or intermediary may result in Losses to the Customer (including the loss of any Collateral, Currencies, Margin, investments, property or other documents of title belonging to the Customer and/or held in respect of the Customer's transactions) or lead to the Customer's positions being liquidated or closed out without prior notice to or consent from the Customer and, by trading through or with UOBBF, the Customer acknowledges and understands that any and all such Losses will be for the Customer's own account. In certain circumstances, the Customer may not even get back (in whole or in part) the actual cash and/or assets which the Customer may have deposited with UOBBF (whether as Margin, Collateral or otherwise) or the Customer may have to accept cash in lieu of the delivery of any available assets.

Upon an insolvency or other default of any such counterparty or intermediary (the "**Defaulting Intermediary**"), it may sometimes be possible to transfer the Customer's open positions to another appropriate counterparty or intermediary (the "**Replacement Intermediary**"). However, there may be occasions where the Customer's margins, cash and/or assets deposited with the Defaulting Intermediary may not be transferred to the Replacement Intermediary together with the transferred open positions. In such a scenario, the Customer's margins, cash and/or assets deposited with the Defaulting Intermediary ("**Original Margin**") may continue to be retained by the Defaulting Intermediary and the Customer may be required to provide fresh or additional margin, cash and/or other assets to the Replacement Intermediary ("**Replacement Margin**") in order for the Customer's open positions to be transferred to the Replacement Intermediary. In such a situation, UOBBF may, if permitted by Applicable Law, and whether with or without notice to the Customer, provide to the Customer an advance or a loan for the purpose of meeting the Replacement Margin requirements so as to facilitate and support the transfer of the Customer's open positions from the Defaulting Intermediary to the Replacement Intermediary. The Customer will have to repay UOBBF in full for any such advance or loan granted by UOBBF. Any and all Original Margin subsequently received by UOBBF from the Defaulting Intermediary may be used by UOBBF to repay all such advances and loans granted by UOBBF. While UOBBF will generally endeavour to notify the Customer of the insolvency or default of a Defaulting Intermediary, the possibility of transferring the Customer's open positions to a Replacement Intermediary and the Replacement Margin requirements, the Customer accepts that it may not always be possible or feasible for UOBBF to do so given prevailing market conditions and that it may not be in the Customer's interest for there to be any delay in the transfer of its open positions to a Replacement Intermediary. So long as UOBBF acts in good faith and in a commercially reasonable manner, UOBBF will accept no liability or responsibility for any Loss suffered by the Customer and the Customer will be required to indemnify UOBBF against all Losses (including legal costs on

a full indemnity basis) suffered or incurred by UOBBF in connection with any act, omission or step taken by UOBBF in good faith in connection with the insolvency or other default of the Defaulting Intermediary and the transfer of open positions to a Replacement Intermediary and the grant of any advances or loans for Replacement Margin. The Customer acknowledges and accepts that the foregoing risks are inherent in trading with or through UOBBF which requires transactions to be placed with or executed through counterparties or intermediaries.

**Margin and Leveraged Transactions** - Financial transactions may sometimes involve a high degree of leverage. This can work against the Customer as well as for the Customer. A small market movement can produce large losses as well as gains.

The risk of loss in financing a transaction by deposit of collateral is significant. The Customer may sustain losses in excess of its cash and any other assets deposited as collateral with the licensed or registered person. Market conditions may make it impossible to execute contingent orders, such as "stop-loss" or "stop-limit" orders. The Customer may be called upon at short notice to make additional margin deposits or interest payments. If the required margin deposits or interest payments are not made within the prescribed time, the Customer's collateral may be liquidated without its consent. Moreover, the Customer will remain liable for any resulting deficit in its account and interest charged on its account. The Customer should therefore carefully consider whether such a financing arrangement is suitable in light of its own financial position and investment objectives.

**Impact of Fees and Charges** - Before the Customer begins to trade, the Customer should obtain a clear explanation of all commissions, fees and other charges for which it will be liable. These charges will affect the Customer's net profit (if any) or increase its loss and must be considered in any risk assessment made by the Customer.

**Deposited cash and assets** - The Customer should familiarise itself with the protections given to money or other property it deposits for domestic and foreign transactions, particularly in the event of a firm's insolvency or bankruptcy. The extent to which the Customer may recover its money or property may be governed by specific legislation or local rules. In some jurisdictions, property which had been specifically identifiable as the Customer's will be pro-rated in the same manner as cash for purposes of distribution in the event of a shortfall.

**Derivatives Products** - Derivatives are financial contracts for which the price is derived from an underlying asset or benchmark, such as a share or share index. Derivatives may be comprised of a number of different elements and this often makes them difficult to understand. The Customer should not deal in derivatives unless it asks about and understands the nature of the contract it is entering into, the terms and conditions of the contract and the extent of its exposure to risk. While the following sections of this risk disclosure statement describe the principal risks relevant to certain derivatives products, such as options, warrants, futures and forwards, it does not disclose all of the risks and other significant aspects of these products or other derivatives products. The risks relating to transacting in futures contracts and options are further described in Form 13 of the Securities and Futures (Licensing and Conduct of Business) Regulations, a copy of which produced below.

**Options** - An option is a right granted by a person (the seller or writer) to another (the buyer or holder) to buy (call option) or to sell (put option) a specified amount of an underlying share or other asset at a predefined price (strike price) at or until a certain time (expiration date), in exchange for the payment of a premium. American-style options are exercisable on any trading day up until the expiration date. European-style options may only be exercised on their expiration date. Transactions in options carry a high degree of risk. The Customer should familiarise itself with the type of options (i.e. put or call) which it contemplates trading and the associated risks. The Customer should calculate the extent to which the value of an option would have to increase for the Customer's position to become profitable, taking into account the premium paid and all transaction costs.

Exercising an option results in either a cash settlement or in the buyer acquiring delivery of the underlying asset. The buyer of options may offset its position by trading in the market or exercise the options or allow the options to expire. If the option is on a futures contract, for example, the buyer will acquire the futures position together with associated liabilities for margin; this will expose the buyer to the risks of the futures contract, described below under "Futures and Forwards". If the purchased options expire worthless, the Customer will suffer a total loss of its investment, which will consist of the option premium paid plus transaction costs. If the Customer is contemplating purchasing deep-out-of-the-money options, the Customer should be aware that, ordinarily, the chance of such options becoming profitable is remote.

The risks associated with writing an option are generally considerably greater than buying an option. If the option is covered by a corresponding position in the underlying asset, the risk may be reduced. Conversely, if the option is uncovered, then the possible loss may be unlimited. Only experienced persons should contemplate writing uncovered options, and then only after securing full details of the applicable conditions and potential risk exposure.

During the life of an option, the buyer will often have to provide margin. The margin is determined by the counterparty or, in the case of exchange traded options, the exchange. If the deposited margin proves insufficient, the buyer may have to provide additional collateral or be faced with its position being closed-out. Certain exchanges in some jurisdictions permit deferred payment of the option premium, limiting the liability of

the buyer to margin payments not exceeding the amount of the premium. The buyer is still subject to the risk of losing the premium and transaction costs. When the option is exercised or expires, the buyer is responsible for any unpaid premium outstanding at that time.

**Commodity options** - Before entering into any transaction involving a commodity option, the Customer should thoroughly understand the nature and type of option involved and the underlying physical commodity. In addition to the risks set out above, the Customer should note that specific market movements of the underlying physical commodity cannot be predicted accurately. The prices of commodities can and do fluctuate, and may experience up and down movements which would affect the value of the option.

**Exotic options** - Unlike "plain vanilla" put and call options, exotic options are subject to additional conditions and agreements. Exotic options come in the form of tailor-made over-the-counter options or as warrants (see section on "Warrants" below). Given the special composition of exotic options, their price movements can vary markedly from those of their "plain vanilla" cousins. The Customer must also be aware that larger transactions can trigger price movements even shortly before expiration and that these can render an option worthless. There is no limit to the structures exotic options may take and the Customer should seek comprehensive advice about the particular risks involved before entering into any transaction involving an exotic option.

**Warrants** - A warrant is a right to subscribe for shares, debentures or other securities, and is exercisable against the original issuer of the securities. As in the case of options, warrants often involve a high degree of gearing, so that a relatively small movement in the price of the underlying security results in a disproportionately large movement in the price of the warrant. The prices of the warrants can therefore be volatile. As in the case of options, the buyer of a warrant is subject to the risk of losing the premium and transaction costs.

Some other instruments are also called warrants but are actually options -- for example, a right to acquire shares or other securities which is exercisable against someone other than the original issuer of the securities, which is often called a "covered warrant". More generally, options which are in securitised form are often referred to as warrants.

An investment in warrants involves valuation risks in relation to the underlying asset, which may vary over time and may increase or decrease by reference to various factors, which may include corporate actions (where the underlying asset is a share or a basket of shares), changes in computation or composition (where the underlying asset is an index), macro economic factors and market trends. Although the issuer may be required or permitted to adjust or amend the conditions of the warrants under certain circumstances, if an event occurs which does not require the issuer to make such adjustments, the price of the warrants and the return upon the exercise of the warrants may be affected.

**Forwards and Futures** - Forwards and futures entail the obligation to deliver or take delivery on a specified expiration date of a defined quantity of an underlying asset at a price agreed on the contract date. Futures are standardised contracts traded on-exchange. Forwards are traded over-the-counter. Futures and forwards involve a high degree of risk: the "gearing" or "leverage" often obtainable in forwards or futures trading means that a small deposit or down payment can lead to large losses as well as gains.

On buying or (short) selling an underlying asset on the futures market, the Customer must supply a specified initial margin on agreement of the contract. This is usually a percentage of the total value of the contracted instruments. In addition, a variation margin is calculated periodically during the life of the contract. This corresponds to the book profit or loss arising from any change in value in the contract or underlying instrument. In the event of a book loss, the variation margin can be several times as large as the initial margin.

For forward sales, the underlying must be delivered at the price originally agreed even if its market value has since risen above the agreed price. In such a case, the Customer risks losing the difference between these two amounts. Theoretically, there is no limit to how far the market value of the underlying can rise. Hence, potential losses are similarly unlimited and can substantially exceed the margin requirements. For forward purchases, the Customer must take delivery of the underlying at the price originally agreed even if its market value has since fallen below the agreed price. The Customer's potential loss corresponds to the difference between these two values. The maximum loss corresponds to the originally agreed price. Potential losses can substantially exceed the margin requirements. If the Customer sells forward an underlying which it does not hold at the outset of the contract, this is referred to as a short sale. In this case, the Customer risks having to acquire the underlying at an unfavourable market price in order to fulfill its obligation to effect delivery on the contract's expiration date.

**OTC forwards** - There is no actual market for OTC forwards agreed individually, and hence such positions may only be closed out with the agreement of the counterparty.

**Contracts for Differences** - Certain futures, forward or option contracts can also be referred to as a "contract for differences" -- for example, a forward relating to an equity index. However, these contracts can only be settled in cash. Investing in a contract for difference carries the same risks as investing in a futures contract, forward or an option, and the Customer should be aware of these as set out in the respective sections of this risk disclosure statement above. Transactions in contracts for differences may have margin requirements and the Customer should be aware of the implications of this as set out in the section above entitled "Margin and Leveraged Transactions".

**Structured Products** - Structured products are formed by combining two or more financial instruments, including one or more derivatives. They may be traded either over-the-counter or on-exchange. Structured products carry a high degree of risk and may not be suitable for many members of the public, as the risks associated with the financial instruments may be interconnected. Prior to engaging in structured product transactions, the Customer should understand the inherent risks involved. In particular, the various risks associated with each financial instrument should be evaluated separately as well as taking the structured product as a whole.

With structured products, buyers can only assert their rights against the issuer. The Customer therefore needs to be aware that, as well as any potential loss it may incur due to a fall in the market value of the underlying, a total loss of its investment is possible should the issuer default.

Equity-linked notes (or ELNs) are an example of structured products. ELNs may be viewed as combining a debt instrument with an option that allows a bull (rising), bear (falling) or range bet. The return on an ELN is usually determined by the performance of a single share or other security, a basket of securities or an equity index or other index. The Customer should also note that the return on investment of an ELN may be predetermined, so that even if the Customer's view of the direction of the underlying market is correct, the Customer will not gain more than the specified amount. In addition, there is a limited secondary market for outstanding ELN issues.

Market risk is the risk that the value of a Transaction will be adversely affected by fluctuations in the level or volatility of or correlation or relationship between one or more market prices, rates or indices or other market factors or by illiquidity in the market for the relevant Transaction or in a related market. In short that the value of the Transaction or the underlying commodity can go down as well as up.

Credit risk is the risk that a counterparty (including UOBFF) may fail to perform its obligations to the Customer when due.

Funding risk is the risk that, as a result of mismatches or delays in the timing of cash flows due from or to UOBFF in Transactions or related hedging, trading, collateral or other transactions, the Customer or a relevant counterparty will not have adequate cash available to fund current obligations.

Operational risk is the risk of loss to UOBFF arising from inadequacies in, or failures by UOBFF in, monitoring and/or quantifying the risks and contractual obligations associated with the Transactions the Customer enters into, for recording and valuing the Transactions, or for detecting human error, systems failure or management failure.

There may be other significant risks that UOBFF should consider based on the terms of a specific Transaction the Customer enters into. Highly customized Transactions in particular may increase liquidity risk and introduce other significant risk factors of a complex character.

Highly leveraged transactions may experience substantial gains or losses in value as a result of relatively small changes in the value or level of an underlying or related market factor. If the Customer intends to hedge a Transaction which the Customer enters into, there is a risk that that may not be possible.

In evaluating the risks and contractual obligations associated with a particular Transaction, the Customer should also consider that an OTC bilateral Transaction may be modified or terminated only by mutual consent and subject to agreement on individually negotiated terms. Accordingly, it may not be possible for the Customer to modify, terminate or offset the Customer's obligations or its exposure to the risks associated with a Transaction prior to its agreed termination or settlement date.

The prices of any Commodities, options and other property in which UOBFF may trade for the Customer under the Account that are quoted on the exchanges may be volatile, unpredictable and sensitive to events both happening within the jurisdiction of the exchange and extraneously or internationally.

The risk of Loss from undertaking such Transactions is high and the degree of such Loss may be substantial and far in excess of the value of the Margin and as such the Transactions are only suitable for those who are experienced investors capable of assuming such Loss by virtue of their financial conditions.

It may, in certain circumstances, be difficult or even impossible to off-set a position in relation to an option on any exchange and in such event, the Customer shall be required to exercise the option.

UOBFF may refuse to execute any Order which is impossible or not reasonably practicable to execute including but not limited to the execution of a "stop", "contingent" or other similar Order on electronic systems which may generally only be able to accept "limit" Orders.

Transactions in respect of foreign exchange or otherwise involving foreign currencies may be subject to foreign exchange fluctuations, which may affect the returns on the Transactions for the Customer. In addition, exchange controls may also be from time to time imposed in respect of any foreign currency applicable to such Transactions and such exchange controls may have an impact on the convertibility or transferability of such foreign currencies and may also result in the Customer incurring a loss on such Transactions as a result thereof.

*The disclosures above (even when taken and read in conjunction with the risk disclosures statements in the Schedule) do not purport to disclose all of the risks and other material considerations associated with Transactions the Customer may enter into. The Customer specifically should not take the general disclosures herein as business, legal, tax or accounting or other advice or as modifying applicable law.*

**IF THE CUSTOMER IS IN ANY DOUBT ABOUT AN ACTUAL OR PROPOSED TRANSACTION, THE CUSTOMER SHOULD CONSULT ITS OWN BUSINESS, LEGAL, TAX, ACCOUNTING AND OTHER ADVISERS WITH RESPECT TO THE TRANSACTION AND IN ALL CASES THE CUSTOMER SHOULD REFRAIN FROM ENTERING INTO ANY TRANSACTION WITH OR THROUGH UOBBF UNLESS THE CUSTOMER HAS FULLY UNDERSTOOD THE TERMS AND RISKS OF THE TRANSACTION, INCLUDING THE EXTENT OF ITS POTENTIAL RISK OF LOSS AND IS WILLING AND ABLE TO SUSTAIN SUCH LOSS.**

## F. DISCLOSURES, TERMS AND OTHER MATTERS RELATING TO TRADING ON SGX-ST AND SGX-DT AND CLEARING ON CDP AND SGX-DC

When the Customer instructs UOBBF to execute any Transaction on SGX-ST or SGX-DT or to clear any Transaction through CDP or SGX-DC, the Customer shall be deemed to have accepted the terms and the risks set out in this Part F as additionally applying to all such Transactions.

#### **False trading and market rigging transactions**

**197.** — (1) No person shall do any thing, cause any thing to be done or engage in any course of conduct, if his purpose, or any of his purposes, for doing that thing, causing that thing to be done or engaging in that course of conduct, as the case may be, is to create a false or misleading appearance —

- (a) of active trading in any securities on a securities market; or
- (b) with respect to the market for, or the price of, such securities.

(1A) No person shall do any thing, cause any thing to be done or engage in any course of conduct that creates, or is likely to create, a false or misleading appearance of active trading in any securities on a securities market, or with respect to the market for, or the price of, such securities, if —

- (a) he knows that doing that thing, causing that thing to be done or engaging in that course of conduct, as the case may be, will create, or will be likely to create, that false or misleading appearance; or
- (b) he is reckless as to whether doing that thing, causing that thing to be done or engaging in that course of conduct, as the case may be, will create, or will be likely to create, that false or misleading appearance.

(2) No person shall, by means of any purchase or sale of any securities that do not involve a change in the beneficial ownership of those securities, or by any fictitious transaction or device, maintain, inflate, depress, or cause fluctuations in, the market price of any securities.

(3) Without prejudice to the generality of subsection (1), a person who —

- (a) effects, takes part in, is concerned in or carries out, directly or indirectly, any transaction of purchase or sale of any securities, being a transaction that does not involve any change in the beneficial ownership of the securities;

it shall be presumed that his purpose, or one of his purposes, for doing so is to create a false or misleading appearance of active trading in securities on a securities market.

(4) The presumption under subsection (3) may be rebutted if the defendant establishes that the purpose or purposes for which he did the act was not, or did not include, the purpose of creating a false or misleading appearance of active trading in securities on a securities market

(5) For the purposes of this section, a purchase or sale of securities does not involve a change in the beneficial ownership if a person who had an interest in the securities before the purchase or sale, or a person

associated with the first-mentioned person in relation to those securities, has an interest in the securities after the purchase or sale.

#### **Section F7: Limitations and risks of on-line or internet trading**

This statement is being provided to the Customer pursuant to Rule 12.3A (*Customer Education*) of the SGX-ST Rules of the SGX-ST and Rule 3.3.5 (*Customer Education*) of the Futures Trading Rules of the SGX-DT. The Customer acknowledges that it has read and understood this statement and accepts these limitations and risks. The Customer may contact UOBBF if it requires any clarification or further information on these limitations and risks.

#### ***On-line or internet identification***

*UOBBF is entitled and authorised to act upon, rely on or regard electronic instructions given on-line or via the internet as if they were carried out or transmitted by the Customer or its authorised persons. Whilst UOBBF uses reasonable efforts to ensure that access to and use of its on-line or internet services will be given only where a user accesses the service with a valid user ID and corresponding password, user authentication on the Internet or other on-line systems is generally difficult to establish. There is therefore a risk that on-line or internet activities may be subject to fraudulent or deceptive activity (including but not limited to unauthorised users falsely pretending to be authorised representatives of the Customer).*

#### ***Security and confidentiality***

*The Customer and its authorised persons play a part as well in protecting the security and confidentiality of the Customer's information. Some recommended good practices include the following:*

- (a) *A user should not share its user ID or password with any other person.*
- (b) *A user should never display its user ID or password in an area visible to others.*
- (c) *A user's personal computer or trading terminal should never be left unattended.*

#### ***Limitations***

*Any on-line or internet services provided by UOBBF, and all information, materials and functions contained therein including software, programs, data, databases, text, graphics, links or other materials, are provided "as is" and "as available". NO WARRANTY OF ANY KIND, IMPLIED, EXPRESS OR STATUTORY, INCLUDING BUT NOT LIMITED TO ANY WARRANTIES OF TITLE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS, MERCHANTABILITY, SATISFACTORY QUALITY, FITNESS FOR A PARTICULAR PURPOSE AND FREEDOM FROM COMPUTER VIRUS OR OTHER MALICIOUS, DESTRUCTIVE OR CORRUPTING CODE, AGENT, PROGRAM OR MACROS, IS GIVEN IN CONJUNCTION WITH SUCH SERVICES OR ANY INFORMATION AND MATERIALS PROVIDED THROUGH SUCH SERVICES. UOBBF does not warrant: (i) the accuracy, timeliness, adequacy or completeness of the information, materials, services and/or functions provided at or contained in on-line or internet services; (ii) that the Customer's use of and/or access to such services or any information or any materials on the services, or the services as a whole, will be uninterrupted, secure or free from errors or omissions or that any identified defect will be corrected; (iii) that the services or any information or materials provided are free from any virus or other malicious, destructive or corrupting code, agent, program or macros.*

*On-line, internet and other electronic or computer-based systems are vulnerable to disruption or failure of hardware or software, because of high demand, market volatility, systems upgrades or maintenance, or any other reason. Accordingly, the Customer acknowledges that any on-line or internet service (including order-*

routing, execution, matching, registration or clearing of trades) may be subject to such disruption or failure. For example:

- (a) market, order or transaction information transmitted to the Customer through the on-line or internet system may not be accurate, even if it appears to be real-time information. The price at which the Customer's order is executed may be different from the displayed quote at the time the order was entered;
- (b) the Customer may not be able to enter new orders, or modify or cancel existing orders;
- (c) existing orders may not be executed according to the instructions given by the Customer, or may not be executed at all. Such orders may be lost or modified, or their priority affected; and
- (d) where an order has been executed, the Customer may experience delay in receiving confirmation of such execution, or may not receive a confirmation at all, or may receive inaccurate or conflicting information.

Where there is any disruption or failure of an on-line or internet system, or where the Customer experiences any delay in the transmission of its orders or instructions, the Customer should immediately contact UOBBF's Head of Operations, Singapore.

#### **Speed of on-line or internet trading**

Although execution of an order that was entered on-line or via the internet typically occurs only seconds after being sent to the market, sometimes orders can be delayed due to high volume or low liquidity. Prices can change very quickly, and even where the order is executed in seconds, the Customer may not always receive the quoted price last seen before placing the order. To avoid entering into a transaction at a price higher or lower than is acceptable to the Customer, the Customer may consider using limit orders rather than market orders. A limit order is an order to enter into a transaction at no higher or lower than a specified price. However, using a limit order often results in the trade executions failing to occur when that specified price cannot be met.

Delays in executing trades may occur for other reasons. For example, UOBBF may manually review and enter an order. It may do this to verify that Customer's account and margin requirements are in order, or to examine the order for trading restrictions.

Where there is delay in execution of an order, the Customer may be tempted to cancel and resubmit an order. However, by cancelling and resubmitting an order in a fast market, the Customer runs the risk of entering duplicate orders.

Conversely, the fact that orders are sometimes executed quickly may be to the Customer's disadvantage, where the Customer has erroneously placed an order; in this situation, the Customer may not be able to withdraw or correct the erroneous order before it is executed and the Customer may then be bound to perform its obligations under the erroneous trade.

#### **Section F8: Rules for Negotiated Large Trades ("NLTs")**

The Customer acknowledges that it has been made aware of Rule 4.1.11 (*Negotiated Large Trades*) of the Futures Trading Rules of the SGX-DT, approves the execution of the Customer's NLT orders via the NLT facility and undertakes to comply with such requirements as may be imposed by UOBBF for the purpose of ensuring compliance with Rule 4.1.11 including the requirement that NLTs not be transacted for the Customer if he has the same beneficial interest in both sides of the transactions.

#### **Section F9: Liability of CDP**

This statement is provided to the Customer as required by the Clearing Rules of the CDP.

The Customer acknowledges that it has been notified of Rule 1.1.1 to 1.1.4 of the Clearing Rules of the CDP (as reproduced below) and that the same is acceptable to the Customer.

- 1.1.3 *Except where CDP otherwise expressly agrees with or expressly commits itself to any party, the benefit of any performance by CDP of its obligations under these Clearing Rules and/or Clearing Directives is restricted only to Clearing Members. CDP shall have no liability to any other party (including Trading Members). In particular, CDP shall have no liability to any party affected or*

*aggrieved by any alleged action or omission of CDP or any of the directors, officers or employees of CDP.*

- 1.1.4 *All Clearing Members are to note the foregoing and ensure that they are taking on membership, and/or carrying on business, as Clearing Members, and that they transact and will transact by reference to CDP or upon information or action referable to CDP, only on the foregoing basis, and will also ensure that they will not open or allow the continued operation of any account for any person with respect to any transaction unless such person has been notified of the foregoing provisions and has satisfied itself that the same is acceptable and accepts the same.*

#### **Reproduction of Rule 6B.7.2**

- 6B.7.2 *All Collateral deposited or provided by each Clearing Member to CDP shall be subject to these Clearing Rules, the Security Deed and the SFA (each as amended or supplemented from time to time). Each Clearing Member shall ensure that all Collateral deposited or provided to CDP are deposited or provided only on the foregoing basis and shall also ensure that, prior to depositing or providing any Collateral to CDP for the account or for the contracts of any person, such person has been notified of and has accepted the foregoing.*

#### **Section F11: Contract Notes and Statement of Account**

A member company is required by Rule 12.6 (*Contract Notes*) and Rule 12.7 (*Statement of Account to Customers*) of the Rules of the SGX-ST and Rule 3.3.9 (*Customer's Statement of Account and Contract Note*) of the Futures Trading Rules of the SGX-DT to obtain its client's revocable and informed consent before issuing contract notes or statements of account in electronic form.

For the purposes of Rule 12.6 and Rule 12.7 of the Rules of the SGX-ST and Rule 3.3.9 of the Futures Trading Rules of the SGX-DT and also for the purposes of all Applicable Laws, the Customer hereby agrees and consents to the provision by UOBFF to it of contract notes, confirmation notes, daily statements, monthly statements and other advices (the "**statements**") by electronic means. The Customer agrees that:

- (a) UOBFF may deliver such statements by electronic mail to the electronic mail address(es) specified by the Customer to UOBFF in the Application or such other form as UOBFF may prescribe;
- (b) delivery of such statements shall be in lieu of printed contract notes and statements of account, and the Customer will not receive printed versions of these documents;
- (c) UOBFF will not impose any additional fees or charges in connection with the provision of the statements by electronic means; and
- (d) the Customer may at any time revoke its consent to the delivery of these statements by electronic means by written notice to UOBFF and, following receipt by UOBFF of such written revocation, UOBFF shall deliver printed contract notes and statements of account to the Customer by fax or post.

#### **Section F12: Position limits**

A member company is required by Rule 18.5 (*Position Limits*) of the Rules of the SGX-ST (as reproduced below) to inform its client of the applicable position limits and that the member company will not accept any order from the client if the member company has reason to believe that the client, acting alone or in concert with others, has exceeded or is attempting to exceed such position limits.

The Customer acknowledges that it has been made aware of the position limits currently set out in Rule 18.5 as reproduced below. The Customer agrees to comply with such requirements as well as any other position or other limits as may be imposed by UOBFF.

#### **Reproduction of Rule 18.5.1, 18.5.2, 18.5.3, 18.5.4 and 18.5.7**

##### **18.5.1 Members Prohibited from Opening Transactions that would Violate Individual Position Limits**

*Except with the prior written approval of SGX-ST in each instance, no Trading Member shall, for any account in which it has an interest or for the account of any customer, effect an opening transaction in an Option of any Class dealt on SGX-ST if that Trading Member has reason to believe that as a result of such transaction the Trading Member or its customer would, acting alone or in concert with*

others directly or indirectly, hold or control or be obligated in respect of an aggregate position (whether short or long) in excess of the individual position limits set out as follows:

- (1) 2,000 Options on the same side of the market where the issued capital of the issuer of the underlying securities is less than 400 million shares. The aggregate position limit for both sides of the market shall accordingly be 4,000 Options.
- (2) 3,000 Options on the same side of the market where the issued capital of the issuer of the underlying securities is between 400 million and 600 million shares (both numbers inclusive). The aggregate position limit for both sides of the market shall accordingly be 6,000 Options.
- (3) 4,000 Options on the same side of the market where the issued capital of the issuer of the underlying securities is more than 600 million shares. The aggregate position limit for both sides of the market shall accordingly be 8,000 Options.

#### **18.5.2 Market Position Limits**

Notwithstanding Rule 18.5.1 the total number of outstanding Options on both sides of the market of any underlying security shall not exceed 15% of the issued capital of the issuer of the underlying security. This limit shall be known as the market position limit.

#### **18.5.3 Position Limits Subject to Change**

SGX-ST may from time to time vary the individual position and market position limits in Rules 18.5.1 and 18.5.2 respectively by a circular issued to all Trading Members, such new position limits to take effect on such date specified therein. Such new position limits shall not, unless otherwise stated, affect existing Options positions.

#### **18.5.4 Definition of "Control"**

- (1) For purposes of aggregation of Option positions under Rule 18.5.1, control may be presumed by SGX-ST:
  - (a) when a person has the power or ability to make investment decisions for an Options trading account; or
  - (b) when a person has the power or ability to influence directly or indirectly the investment decisions of any person who makes investment decisions for an Options trading account. A person who has such power or ability shall be presumed to control such account unless and until the presumption is rebutted by evidence and a determination to the contrary has been made by SGX-ST.
- (2) Control will be presumed in the following circumstances:
  - (a) among all parties to a joint account who have authority to act on behalf of the Options trading account;
  - (b) when a person holds an ownership interest of 10% or more in a Corporation (ownership interest of less than 10% will not preclude aggregation);
  - (c) when Option trading accounts have common directors or management; or
  - (d) where a person or entity has the authority to execute transactions in an Options trading account.

#### **18.5.7 Trading Member's Duty to Inform Customers of Position Limits**

It shall be the responsibility of each Trading Member and Trading Representative accepting orders for opening transactions (purchase or written) in Options to inform customers of the applicable position limits and not to accept orders from any customer if the Trading Member or Trading Representative has reason to believe that the customer, acting alone or in concert with others, has exceeded or is attempting to exceed such position limits.

### **Section F13: Exchange Options Transactions**

A member company is required by Rule 18.7.3 of the Rules of the SGX-ST to obtain from its client a written undertaking upon the approval of the client's options trading account.

Upon the approval of the Customer's options trading Account with UOBBF, the Customer undertakes, agrees and acknowledges that:

- (a) all options transactions shall be subject to the Rules and Directives of SGX-ST and all other Applicable Laws;
- (b) the Customer will not violate, either alone or in concert with others, the individual position limits established pursuant to the Rules and Directives of the SGX-ST;
- (c) the Customer has received (1) an explanatory booklet (together with all updates thereto) containing information to investors on the trading of options; and (2) a risk disclosure statement in such form and manner as may from time to time be approved or prescribed by the Options Clearing Company (Pte) Limited or its successor company, and the Customer has read and understood the contents thereof and is aware of the special risks involved in the trading of options as outlined therein;
- (d) if at any time the Customer should exceed the individual position limits prescribed by SGX-ST, his outstanding options positions in excess of the individual position limit shall be liable to be closed out and any losses, charges and expenses arising from the closing of his options positions shall be charged to his account; and
- (e) the Customer shall at all times promptly furnish, maintain and top-up such deposits and margins as shall be required by UOBBF from time to time in respect of the short positions in his options trading account.

#### **Section F14: Marking of Sell Orders**

Pursuant to Rule 8A.3 (Marking of Sell Orders) of the Rules of the SGX-ST, UOBBF and its trading representative shall not enter a sell order in any electronic trading system for the automatic matching of orders designated and approved by SGX-ST for transactions on SGX-ST if a customer has not indicated whether the sell order is a short sell order or a normal sell order and further, UOBBF is obliged to ensure that the necessary procedures and systems are implemented to facilitate compliance with the foregoing obligations. In this regard, the Customer acknowledges that trading activities on SGX-ST are subject to any short selling requirements that may be prescribed by SGX-ST or MAS and undertakes to provide such information as UOBBF may from time to time require in connection therewith.

#### **Section F15: Disclosure Statement for Clearing OTC Commodity Contracts for U.S. Persons**

A member company is required by Directive No. 1 (*Requirement for Clearing Members Clearing OTC Commodity Contracts for U.S. Persons to Issue Disclosure Statement*) issued under the Clearing Rules of SGX-DC (as reproduced below) to issue to its U.S. customers who hold open positions in OTC Commodity Contracts as at 20 December 2013 a disclosure statement to, *inter alia*, inform all such persons that new positions in OTC Commodity Contracts accepted, cleared and carried by UOBBF and related margin are not protected by U.S. Laws. The Customer (if a U.S. customer who holds open positions in OTC Commodity Contracts as at 20 December 2013) acknowledges that it has been made aware of Directive No. 1 of the Clearing Rules of SGX-DC and, in particular, the disclosure statement set out therein.

#### **Reproduction of Directive No. 1**

#### **Directive No. 1 Requirement for Clearing Members Clearing OTC Commodity Contracts for U.S. Persons to Issue Disclosure Statement**

##### **1 Background**

- 1.1 *Singapore Exchange Derivatives Clearing Limited ("SGX-DC") refers to certain provisions of the U.S. Commodity Exchange Act ("CEA"), introduced in accordance with the Dodd-Frank Act, which came into effect on 12 October 2012 ("New U.S. Laws"). This included the definition of the term "swap".*
- 1.2 *Section 5b(a) of the CEA makes it unlawful for any clearing organisation to clear swaps for a U.S. person if it is not registered (or otherwise exempt) as a derivatives clearing organisation ("DCO"). As a result of this, SGX-DC is required to comply with the DCO registration requirements under CEA Section 5b(a). SGX-DC will be registered as a DCO as at 31 December 2013.*
- 1.3 *Further, Clearing Members clearing through SGX-DC on behalf of U.S. persons would be required to comply with futures commission merchant ("FCM") registration requirements under CEA Section 4d(f)(1). CEA Section 4d(f)(1) provides that it is unlawful for any person to accept margins on behalf of a U.S. swaps customer to secure a swap cleared through a DCO unless that person is registered with the Commodity Futures Trading Commission (the "Commission") as an FCM.*
- 1.4 *SGX-DC currently clears OTC commodity contracts through its Clearing Members and for U.S. persons, some of which fall within the swap definition under the New U.S. Laws ("OTC Commodity Contracts").*

##### **2 No-Action Relief**

- 2.1 On 21 December 2012, SGX-DC submitted a letter of request ("**Request Letter**") to the Commission for no-action relief from, among other things, CEA Section 4d(f)(1) in respect of SGX-DC Clearing Members clearing OTC Commodity Contracts (the "**Relief**"). A copy of SGX-DC's Request Letter is attached as Appendix 1 [to Directive No. 1 in SGX-DC's Clearing Rules].
- 2.2 The Relief was initially granted by the Commission on 21 December 2012. On 20 December 2013, the Commission extended the Relief until 31 March 2014. Copies of the Commission's letters are attached as Appendix 2 and Appendix 3 [to Directive No. 1 in SGX-DC's Clearing Rules].
- 2.3 On 28 March 2014, the Commission further extended the Relief until the earlier of (a) 30 April 2014 or (b) the date upon which all OTC Commodity Contracts positions of Affected U.S. Persons<sup>1</sup> and FCM customers have either been closed or transferred to an FCM Clearing Member. After such date, SGX-DC may not clear for Affected U.S. Persons or other U.S. customers unless such customers clear through an FCM Clearing Member. A copy of the Commission's further extension letter is attached as Appendix 4 [to Directive No. 1 in SGX-DC's Clearing Rules].
- 2.4 The Relief permits non-FCM Clearing Members to continue carrying existing positions in OTC Commodity Contracts for Affected U.S. Persons or on behalf of FCM customers clearing through an FCM omnibus customer account until the expiration of the Relief.
- 2.5 With respect to new positions in OTC Commodity Contracts, only positions entered into for the purpose of offsetting existing positions of Affected U.S. Persons or on behalf of FCM customers clearing through an FCM omnibus customer account may be cleared. It is noted that such offsetting transactions shall be cleared by SGX-DC in accordance with the straight-through processing requirements under the Commission's regulations<sup>2</sup>.
- 2.6 The Relief has been granted on the condition that Clearing Members issue to Affected U.S. Persons and any FCM that maintains an FCM omnibus customer account a disclosure statement as specified in section 3 below (the "**Disclosure Statement**").

### **3 Disclosure Statement Requirement**

- 3.1 SGX-DC hereby directs Clearing Members who clear OTC Commodity Contracts for Affected U.S. Persons or FCM customers to issue a Disclosure Statement to such customers or to the FCM, as the case may be, that prominently states the following statements:
- (a) accounts holding customer positions in OTC Commodity Contracts and related customer property are not subject to Section 4d(f) of the CEA;
  - (b) such positions and related property will not be subject to, and therefore will not receive the protections of, Subchapter IV of Chapter 7 of the U.S. Bankruptcy Code and Part 190 of the Commission's regulations;
  - (c) the treatment of the customer positions and related property in the event of an insolvency proceeding of SGX-DC or any of its Clearing Members will be subject to Singapore's laws; and
  - (d) the positions cleared by the Clearing Members on behalf of such customers are subject to the terms of the Relief, which is available for reference on SGX-DC's website as Appendix 4 to Directive No. 1 in SGX-DC's Clearing Rules.
- 3.2 SGX-DC directs all Clearing Members clearing OTC Commodity Contracts for Affected U.S. Persons or FCM customers to issue the Disclosure Statement to the Affected U.S. Persons or the relevant FCM as soon as practicable.

#### Notes:

1. "**Affected U.S. Persons**" refers to U.S. customers of Clearing Members, who hold open positions in OTC Commodity Contracts as at 20 December 2013.
2. Commission regulation 39.12(b)(7), read with the terms of the Relief, provides that SGX-DC shall accept or reject for clearing such offsetting transactions as quickly after submission as would be technologically practicable if fully automated systems were used.

## **G. TERMS AND CONDITIONS APPLICABLE TO LME RELATED CONTRACTS**

Please read the terms and conditions below for UOBBF's entering into London Metal Exchange ("LME") related Transactions with the Customer. (The references to "you" below are references to the Customer.)

### **1. SCOPE**

#### **1.1 APPLICATION**

The clauses in this Part G apply to LME related contracts ("LME Contracts") to be entered into from time to time between UOBBF as your agent broker where permitted of UOBBF as a non-LME member and otherwise on an OTC principal to principal basis as set out below.

#### **1.2 SUPPLEMENTAL EFFECT OF THIS APPENDIX**

Please note that the terms and conditions in this Part G are intended to be read in conjunction with and as supplementary to the terms of the Client Agreement (collectively the "Terms") executed by you. Your LME Contracts shall therefore be subject to the Terms and not merely the clauses in this Part H. Accordingly you agree to these terms and conditions forming part of the terms of the Client Agreement executed by you as if the transactions to be covered under such Client Agreement were also to include UOBBF's entering into LME Contracts with you.

### **2. SPECIFIC TERMS FOR LME CONTRACTS**

UOBBF is only agreeable to enter into LME Contracts with you, the "Customer", from time to time on the following terms:

#### **2.1 RISK DISCLOSURE:**

##### **(i) Relationship Between Parties**

The relationship between you and UOBBF for LME Contracts is as described in these Terms.

Neither that relationship, nor the services UOBBF may provide for any other transaction with or for you nor any other matter, will give rise to any fiduciary or equitable duties or duties as an adviser on UOBBF's part.

The relationship between you and UOBBF with respect to a concluded LME Contract (the "Transaction") is intended to be, in all cases where it is not possible or permitted of UOBBF (as between UOBBF and you) to effect as your agent with or through an LME member the Transaction as an LME registered transaction or contract, a bi-lateral principal to principal transaction and strictly on a "buyer beware" basis but with UOBBF expressly intended to be riskless principal in the transaction to you in the sense that (i) UOBBF's obligation to you with respect any concluded LME Contract is limited only to passing on to you the benefit of such rights as UOBBF may ourselves actually have to enforce under a corresponding LME Market Contract (as the expression is defined below); and (ii) UOBBF's obligation to perform on any LME Market Contract is dependent upon your performance of your obligations under the corresponding LME Contract and hence your liability to indemnify and keep UOBBF harmless against any default in your performance leading to a default of UOBBF's performance. Notwithstanding (ii) in the preceding sentence, UOBBF is entitled where UOBBF determines in good faith the same to be in UOBBF's interest to proceed with performing under a corresponding LME Market Contract notwithstanding your default under the relevant LME contract without prejudice to UOBBF's right to damages and indemnity from you. Where it is possible or permitted of UOBBF as between UOBBF and you to effect as your agent with or through an LME member the Transaction as an LME registered transaction or contract, it will be deemed so effected as between ourselves.

Where it is not possible or permitted of UOBBF as between UOBBF and you to effect as your agent with or through an LME member the Transaction as an LME registered transaction or contract, the following provisions also apply:

##### **(ii) Conflicts Of Interest And Duty**

UOBBF's only obligation with respect any Transaction is as riskless principal to you and therefore that UOBBF will also conclude in good faith a corresponding LME Market Contract (as the expression is defined below).

As a riskless principal, UOBBF is not intended to incur any loss or damage for having effected a corresponding LME Market Contract and as such and amongst other things:

- (a) In the event of severe market disruption and/or price volatilities which may result or may have resulted in the current market value of a commodity which is the subject matter of a corresponding LME Market Contract falling to what UOBBF's counter-party may regard as

an unacceptable level giving rise to their right to do any of the following with respect to the corresponding LME Market Contract

- (1) to close out the corresponding LME Market Contract;
- (2) to require an immediate delivery of additional margin;

then in such event UOBFF shall have corresponding rights under the LME Contract with you.

- (b) You also acknowledge that business on the LME may from time to time be suspended or restricted in the interests of, inter alia, maintaining a fair and orderly market. In such circumstances UOBFF may be unable to close out the corresponding LME Market Contract and you acknowledge that in such event you shall correspondingly have no right to close out the LME Contract with UOBFF.
- (c) In the event that UOBFF is required to effect payment or delivery of any relevant warrant(s) under the corresponding LME Contract, UOBFF shall correspondingly be entitled to payment/warrant(s) delivery from you under the corresponding Transaction to put UOBFF in funds/warrant(s) in due time to onward effect payment/delivery under the corresponding LME Contract. As such your right to the return of any payment/warrant(s) delivery made to UOBFF is dependent on UOBFF's actual receipt of any corresponding return of payment/warrant(s) from UOBFF's counter-party under the corresponding LME Market Contract.

Without prejudice to the above, whilst UOBFF may charge you a commission (as agreed between UOBFF and you from time to time) for entering into an LME Contract with you, you acknowledge that UOBFF does so only after going into the market to secure a corresponding LME registered contract for UOBFF.

The price UOBFF concludes the LME Contract will be the same as the price of the corresponding LME registered Contract (such corresponding LME registered contract to be hereafter referred to as the "LME Market Contract").

**(iii) Non-LME Member**

You acknowledge that UOBFF is not a member of the London Metal Exchange and therefore that the LME Contract concluded between UOBFF and you while related and corresponding to an LME Market Contract which UOBFF concludes on a back to back basis for UOBFF's own account is not a contract which is registered with or concluded on the LME or by an LME broker/member.

You also acknowledge that as a non-LME member it is incumbent on UOBFF to conclude corresponding LME Market Contracts with an LME member and as such the holding of any underlying commodity or warrant in respect thereof will necessarily be effected through such LME member or its custodian.

You further acknowledge and agree that holding of any commodity or documents of title to commodities which you have acquired from UOBFF pursuant to an LME Contract concluded with UOBFF or intend to effect delivery with respect to will be procured by UOBFF to be held by such LME member or its custodian and in accordance with their terms for such holding. The same will apply with respect to any and all commodity delivery obligation which UOBFF is obliged to discharge under a relevant corresponding LME Market Contract which UOBFF concludes held to delivery/settlement date.

Accordingly you agree that so long as UOBFF exercises good faith:-

- (i) in the selection of such LME member or its custodian for holding of any commodity or documents of title to commodities which you have acquired from UOBFF pursuant to an LME Contract concluded with UOBFF or intend to effect delivery with respect to; and
- (ii) in agreeing respectively to such LME member and/or its sub-custodian's terms respectively for the delivery of commodities and/or for the holding of any commodity or documents of title to commodities which you have acquired from UOBFF pursuant to an LME Contract concluded with UOBFF or intend to effect delivery with respect to

as between ourselves, UOBFF is intended to have and shall have no liability whatsoever with respect to the delivery obligations under any corresponding LME Contract or for any default on the part of the LME member or its sub-custodian and you shall ensure that you will take all actions as may be required and give UOBFF such authority as may be required to ensure that UOBFF may comply with and not be default of the terms for the delivery of commodities or their respectively sub-custody.

Without prejudice to the foregoing, the terms as set out in the attached document entitled "Delivery/Custodianship – LME Contract" shall apply to UOBFF's holding or procuring the holding of any commodity or documents of title to commodities which you have acquired from UOBFF pursuant to an LME Contract concluded with UOBFF or intend to effect delivery with respect to.

## 2.2 NON-RELIANCE

Regardless of whether UOBFF may act as between the parties as your broker agent or must act as riskless principal to you, you acknowledged and agree:

- (i) that UOBFF is not acting as your fiduciary or adviser in connection with any LME Contract entered into between you and UOBFF;
- (ii) that you are acting for your own account and will make your own independent decisions about whether (a) to enter into any proposed Transaction; and (b) whether the Transactions and/or any proposed Transaction is appropriate or proper for you based on your own judgment and upon advice from such legal, tax, regulatory, accounting and/or other advisers as you deem necessary and appropriate;
- (iii) that although UOBFF will, in its absolute discretion in good faith, provide you with information on actual and potential Transactions, it is your responsibility to ask UOBFF for any explanations that you require in order for you and/or your advisers to assess the risks attached to any such Transaction and its suitability for you;
- (iv) that information and explanations related to the terms and conditions of any Transaction shall not be considered investment advice or a recommendation to enter into any transaction;
- (v) that you have not and shall not rely on any communication (written or oral) from UOBFF as legal, tax, regulatory or accounting advice, nor (except as provided for under the next paragraph below) as investment or financial or other advice;
- (vi) that UOBFF is not giving you advice on the merits of any LME Contract or any particular aspect of it unless, in relation to a particular potential or actual Transaction, UOBFF has expressly acknowledged in writing that UOBFF is doing so; and that where such advice is given, it is subject to any agreed terms between UOBFF and you for the giving of such advice; and
- (vii) that no communication (written or oral) received from UOBFF, whether before a Transaction is entered into or before it is terminated or expires, shall be deemed to be an assurance, guarantee or opinion as to the anticipated results of any transaction.

## DELIVERY/CUSTODIANSHIP – LME CONTRACT

### Section A – Physical Delivery

#### 1. SCOPE

- 1.1 **Transactions:** The clauses in this Part G apply, except to the extent inconsistent with the terms of the Client Agreement apart from this document to any and all LME Contracts concluded with UOBFF under which physical delivery is intended by or required of you (each a "Transaction").

#### 2. TITLE AND QUALITY

- 2.1 **Title Guarantee:** You covenant that you will deliver or procure delivery of all commodities under all relevant Transactions with full title guarantee and in due time and so as to enable UOBFF to effect delivery of all commodities under the respective corresponding LME Market Contracts. Without limitation any transfer of a commodity pursuant to a Transaction shall be free of any right of retention, pledge, lien, other encumbrance or any other third party right including a warehouse's lien.
- 2.2 **Representation:** You represent and covenant that there is no encumbrance, nor will you create or permit to exist any encumbrance in respect of any commodity which is in UOBFF's possession or control delivered to UOBFF or UOBFF's order by you under and for the purposes of any Transaction and intended for UOBFF to onward discharge UOBFF's obligation under a corresponding LME Market Contract. You repeat this representation as of the time of entry into any Transaction relating to any commodity.
- 2.3 **Passing of title:** Property in any Warrant-based Commodity shall pass at the time the Warrant is delivered. In any other case, unless otherwise agreed in writing, property shall pass upon delivery of the commodity. Notwithstanding the foregoing, in any Transaction under which you purchase a commodity, property in the commodity shall remain with UOBFF until UOBFF has received full payment for it.

2.4 **Quality:** Unless otherwise agreed, any commodity to be delivered under a Transaction shall be delivered such that UOBFF is entitled to and will be able to onward effect delivery in accordance with the requirements of applicable LME rules or regulations by reference to which such commodity is described.

2.5 **Statutory conditions:** When UOBFF transfers or procures a transfer of a commodity to you or to your order all statutory and implied conditions and warranties as to title, correspondence to description, quality and fitness for purpose are excluded.

### 3. DELIVERY

3.1 **Delivery:** Delivery of any Warrant-based Commodity shall be effected by transfer of Warrants. Where UOBFF holds Warrants in UOBFF's physical possession or control for you, delivery by you to UOBFF shall be effected by UOBFF authorising the relevant LME member to appropriate the requisite number and amount of Warrants. Delivery by UOBFF to you of any Warrant-based Commodity where UOBFF's LME member hold Warrants in their physical possession shall be effected by UOBFF instructing the LME member to immediately segregate the requisite number and amount of Warrants held by the LME member, after which UOBFF shall hold them and the commodity to which they relate as per the Custody terms below.

3.2 **SWORD deliveries:** Where Warrants are capable of being held in SWORD, transfer of Warrants shall be effected by transfer to or from the sword account of the relevant LME member's SWORD Account. If you do not have a SWORD Account, and UOBFF causes the holding of your Warrants in the LME member's Customer Account in SWORD accompanied by UOBFF's instructions to the LME member to segregate your entitlements from UOBFF's proprietary account with the LME member, UOBFF instructing the transfer of appropriate Warrants from such account of the LME member not rejected by the LME member shall constitute delivery. In any other case where your Warrants are held in SWORD, and subject to contrary written agreement between you and UOBFF, transfer to you shall be deemed to occur at 10am London time on the prompt date applicable to the Transaction.

3.3 **Risk:** The risk in any commodity bought by you will pass to you on delivery. Where a commodity is in your possession before the property in it has passed to you, you agree fully to preserve, or procure the full preservation of, its condition and make good any damage or deterioration that may occur, or fully compensate UOBFF for any such damage or deterioration.

3.4 **Delivery Costs:** Unless otherwise agreed in writing between UOBFF and you, any costs incurred by UOBFF in effecting physical delivery of any commodity (including, without limitation, costs in respect of collection, packaging, shipment, storage, warehousing or insurance) whether under or pursuant to the corresponding LME Market Contract or the Transaction shall be borne by you.

3.5 **Place of Delivery:** Any commodity which is required to be delivered physically by you to UOBFF will be delivered by you at your expense to such location as UOBFF may specify.

3.6 Where you intend to make delivery to UOBFF for onward delivery under the corresponding LME Market Contract of Warrants not already held by UOBFF or to UOBFF's order in SWORD then UOBFF will require delivery in due time for UOBFF to comply with UOBFF's delivery obligation under the corresponding LME Market Contract, being generally 5pm on the previous business day.

### Section B – Custody

4.1 **Commodities purchased by you:** UOBFF may, from time to time, at your request but in UOBFF's discretion, agree to hold on your behalf either ourselves or through a sub-custodian of UOBFF's choice any commodity or documents of title to commodities which you have acquired from UOBFF pursuant to an LME Contract concluded with UOBFF (each a "Transaction").

Where UOBFF effects the holding itself, such commodity or documents will be segregated from any like commodity or documents in UOBFF's ownership but otherwise will be subject to the same custody and insurance arrangements as UOBFF's own property.

Where UOBFF effect the holding through a sub-custodian of UOBFF's choice, UOBFF's duty is only to secure from UOBFF's sub-custodian an acknowledgement that such commodity or documents will be segregated from any like commodity or documents held for UOBFF's proprietary account but otherwise will be subject to the same custody and insurance arrangements as UOBFF's own property.

UOBFF shall in any event owe you no fiduciary duty in respect of any such commodity or documents and UOBFF's responsibility (i) where UOBFF effects the holding itself shall be limited to taking reasonable care to restore such commodity or documents to you upon your giving UOBFF reasonable notice and the payment to UOBFF of fees and charges for such holding of such commodity or documents of title with or through UOBFF; and (ii) where UOBFF effects the holding through a sub-custodian of UOBFF's choice shall be limited to assigning you the benefit of UOBFF's rights of action (or where the same is not assignable, the fruits of the exercise and enforcement of

such rights subject to you indemnifying UOBBF for the costs of such exercise and enforcement of rights) against the sub-custodian with respect the property held and otherwise to onward request the sub-custodian to restore such commodity or documents to you upon your giving UOBBF reasonable notice and the payment to UOBBF of fees and charges for such holding of such commodity or documents of title with or through UOBBF.

UOBBF reserves the right to levy charges for this service (which shall at the minimum be equal to the charges payable by UOBBF to a sub-custodian for such holding).

UOBBF's duties with respect such holding shall be strictly limited to the duties expressly set out in this document.

- 4.2 **SWORD Warrants:** Where a Warrant is capable of being held in SWORD UOBBF shall hold or arrange with a sub-custodian of UOBBF's choice to hold, such a Warrant physically for you (or in the latter case for the benefit of a segregated customer account maintained with the sub-custodian distinctly from UOBBF's own proprietary account with them) only for temporary periods. UOBBF may give you reasonable notice (or in the latter case onward notification of the notice received by UOBBF from UOBBF's sub-custodian) to collect any such Warrants or to cause them to be lodged in SWORD in accordance with the SWORD Regulations.
- 4.3 **Collection of Warrants:** Where you have Warrants which are in UOBBF's physical possession or control and have authorised a person to collect Warrants from UOBBF, UOBBF shall not verify the identity of any person claiming to be so authorised, and UOBBF owes you no duties to operate any specific security procedures unless separately agreed in writing between you and UOBBF.
- 4.4 **Rent:** You will in due time pay rent and other charges applicable to any commodity represented by any Warrant held by UOBBF for you.
- 4.5 **Liability:** UOBBF shall have no liability for the neglect or default of any sub-custodian or with respect to any Warrant held by UOBBF for you through any sub-custodian so long as UOBBF had exercised good faith in the appointment of such sub-custodian.

UOBBF's liability to you in respect of any Warrant held directly by UOBBF for you is limited as follows: UOBBF shall have no liability for any damage, loss, expenses or liability of any nature which you may suffer as a result of any act or omission by UOBBF except to the extent of direct losses or expenses attributable to UOBBF's fraud or wilful default or negligence. In the event of such direct losses or expenses UOBBF's liability is limited to issuing an indemnity in respect of the market value of the Warrant at the time of discovery of the loss.

- 4.6 **Storage and Insurance:** If you deposit commodities, documents of title to commodities, or other tangible assets with UOBBF or to UOBBF's control as margin or otherwise, UOBBF reserves the right (but have no obligation) to insure them, to charge you and debit your account with the costs of storage and insurance either periodically or when UOBBF returns the assets to you, and to refuse withdrawal until such costs have been paid. If UOBBF collects, delivers or holds commodities or other tangible assets on your behalf, UOBBF does so at your risk.

Without prejudice to the foregoing, you shall be solely responsible for the taking out of any insurance in respect of the commodities and documents of title subject to the pursuant to the terms for holding hereunder.

## 5. HOLDING YOUR WARRANTS IN SWORD

- 5.1 **Bailment:** Where you do not have a SWORD Account UOBBF may hold Warrants on your behalf in SWORD either directly or through a sub-custodian. If UOBBF does so, UOBBF acts as bailee and owes you no fiduciary duty, and UOBBF does not undertake the responsibilities of a trustee or any other duties in relation to such Warrants not implied by the law of bailment for bare custody of such Warrants.
- 5.2 **Warrant lodgement:** You consent for the purposes of the SWORD Regulations to UOBBF lodging or causing the lodgement of Warrants through a sub-custodian with the Depository and to UOBBF's and/or UOBBF's sub-custodian's dealing with the Warrants on the terms of the SWORD Regulations. Where UOBBF has lodged or caused to be lodged through a sub-custodian a Warrant on your behalf, you represent and warrant to UOBBF that the Warrant and the commodity to which it relates are beneficially owned by you and free of encumbrances and that all requirements of the SWORD Regulations for lodgement are satisfied and authorise UOBBF in turn to make, as between UOBBF and UOBBF's sub-custodian, an identical representation and warranty. You shall accordingly indemnify and keep UOBBF harmless against any and all loss, claims and damage UOBBF may sustain referable to any breach of your representation and warranty or UOBBF's corresponding breach of representation and warranty.
- 5.3 **Warrant withdrawal:** If you wish to withdraw Warrants which UOBBF is holding for you in SWORD, you will give UOBBF reasonable notice to enable UOBBF and UOBBF's sub-custodian (where

applicable) to comply with the SWORD Operating Procedures, and UOBBF shall not be responsible other than to take reasonable steps to comply with your request insofar as it is practicable.

### **Section C - Limitation Of Obligation**

#### **6. RISKLESS PRINCIPAL/AGENT**

6.1 You agree that the relationship between UOBBF and you is such that UOBBF acts at all times only as a riskless principal where UOBBF is not permitted to act as your agent with respect to any LME related commodity transaction. As such and without prejudice to the acknowledged limitation of the scope of UOBBF's duties and obligations as generally stated in this Part G setting out your agreement with UOBBF, you also acknowledge and agree that:

- (i) so long as you are not in breach of your obligations, UOBBF is obliged only to either onward communicate your instructions with respect to delivery or custody or to communicate materially identical instructions to the relevant LME member and/or its custodian but without any responsibility to assure or guarantee performance on their respective parts; and
- (ii) UOBBF is not in any event be liable for any deficiency or breach in the performance of any obligation nor for the negligence or fraud of such LME member and/or its custodian.

Without prejudice to the foregoing, UOBBF's obligation to effect any further communication or dealings with the LME member and/or its custodian shall cease following UOBBF's communication of any instruction to either or both of them to effect delivery to you or your order which is not rejected by them. Thereafter you agree that all further communications and dealings with respect the commodity which is the subject of any delivery or custody shall be wholly your responsibility to follow up with the LME member and/or its custodian.

#### **7. INTERPRETATION**

In this Part G:

**"SWORD"** means the system for electronic transfer of entitlement to Warrants of certain descriptions regulated by the LME;

**"SWORD Regulations"** means the LME's regulations governing the operation of SWORD, and unless otherwise expressly defined, any term defined in the SWORD Regulations has the same meaning;

**"Warrant"** means a warehouse warrant issued in circumstances regulated by LME which evidences entitlement to a commodity; and

**"Warrant-based Commodity"** means a commodity which, under the rules of an LME, is capable of being delivered by transfer of a Warrant.

## **H. TERMS AND CONDITIONS FOR TRANSACTIONS ON THE LIFFE EXCHANGE (“LIFFE”)**

(The references to “you” below are references to the Customer.)

### **1. RULES OF LIFFE AND UOBBF’S CAPACITY**

All contracts in the terms of an Exchange Contract made on LIFFE shall be subject to the Rules of LIFFE as from time to time in force. As a member of LIFFE, UOBBF contracts only as a principal in respect of contracts in the terms of an Exchange Contract. In the event of a conflict between the Rules of LIFFE and the terms of this Client Agreement the Rules of LIFFE shall prevail.

### **2. MATCHING CONTRACTS**

In respect of every contract made between UOBBF subject to the Rules of LIFFE, UOBBF shall have made an equivalent contract on the market conducted on an automated trading system administered by a futures and options market/futures and options exchange.

### **3. ALLOCATION**

In respect of every contract made between UOBBF for allocation to another member specified by you:

- (a) in the event that such other member accepts the allocation, UOBBF shall (without prejudice to any claim UOBBF may have for commission or other payment) upon such acceptance cease to be a party to the contract and shall have no obligation to you for its performance; and
- (b) in the event that such other member declines to accept the allocation, UOBBF shall be entitled at UOBBF’s option to either to confirm the contract with you or to liquidate it by such sale, purchase, disposal or other transaction or cancellation as UOBBF may in UOBBF’s discretion determine, whether on the market, or by private contract, or by any other feasible method; and any balance resulting from such liquidation shall be promptly settled between UOBBF.

### **4. DELIVERY AND EXERCISE ALLOCATION METHOD**

Where the clearing house for LIFFE contracts or an intermediate broker thereto does not specify a particular contract when making a delivery or exercise, UOBBF will allocate such delivery or exercise randomly or in some other manner that seems most equitable to UOBBF.

### **5. EXCLUSION OF LIABILITY**

As a member of the LIFFE market, and pursuant to the Rules of LIFFE, UOBBF is required to include a provision dealing with exclusion of liability in UOBBF’s agreement with you.

The following provisions shall apply without prejudice to the generality of Clause 1.20 of the Client Agreement.

LIFFE is obliged under the Financial Services and Markets Act 2000 to ensure that business conducted by means of its facilities is conducted in an orderly manner and so as to afford proper protection to investors. To this end, LIFFE will at all times endeavour to maintain a fair and orderly market as is consistent with LIFFE’s legal obligations and the object of the market.

LIFFE wishes to draw to the attention of members and clients that, inter alia, business on the market may from time to time be suspended or restricted or the market may from time to time be closed for a temporary period or for such longer period as may be determined in accordance with the Rules including, without limitation, as a result of a decision taken under LIFFE Rule 4.15 or 4.16 on the occurrence of one or more events which require such action to be taken in the interests of, inter alia, maintaining a fair and orderly market. Any such action may result in UOBBF’s being unable, and through UOBBF, you and your customers (if any) being unable to enter into contracts in accordance with the Rules on the terms of Exchange Contracts either by means of contracts entered into on the market floor or through an ATS. Furthermore, UOBBF and you and your clients (if any) may from time to time be prevented from or hindered in entering into contracts in the terms of Exchange Contracts, or errors in orders or in contracts in the terms of Exchange Contracts may arise, as a result of a failure or malfunction of communications, or equipment, or market facilities, or the ATS central processing systems, or any other system supplied or operated by LIFFE or UOBBF or software supplied to you by UOBBF or to UOBBF by LIFFE or by LIFFE to you.

LIFFE further wishes to draw the following exclusion of liability to your attention. Unless otherwise expressly provided in the Rules or in any other agreement to which LIFFE is party, LIFFE shall not be liable to any member or client for loss (including any indirect or consequential loss including,

without limitation, loss of profit), damage, injury, or delay, whether direct or indirect, arising from any of the circumstances or occurrences referred to in LIFFE Rule 1.4.2 (a copy of which is published on euronext.liffe's website and will also be available to you by UOBBF on request) or from any act or omission of LIFFE, its officers, employees, agents or representatives under the Rules or pursuant to LIFFE's obligations under statute or from any breach of contract by or any negligence howsoever arising of LIFFE, its officers, employees, agents or representatives.

## **6. LIFFE CONNECT**

As a member of LIFFE, UOBBF is required to ensure that you are aware that LIFFE has a number of powers which, if exercised, may impact upon UOBBF's ability to submit an order after submission to the LIFFE CONNECT Trading Host prior to execution. In addition to the powers already available to LIFFE (including those in relation to investor protection and proper markets), you should be aware that LIFFE may reject, cancel, and/or suspend your order for a number of reasons. Your attention is drawn to the fact that:

- (a) LIFFE has the power to suspend UOBBF's (and thereby your) access following a single warning, and to terminate UOBBF's (and thereby your) access under certain conditions;
- (b) LIFFE will cancel all outstanding orders on the default of a member;
- (c) orders outside the price in force at the time may be rejected automatically by the Trading Host;
- (d) all orders (with the exception of GTC orders) will be cancelled automatically at Market Close or when the responsible trader logs out without having nominated a replacement responsible trader, whichever is the earlier;
- (e) all orders (including GTC orders) will be cancelled at close of business on the last Trading Day of the expiry month to which they relate; and
- (f) all orders (with the exception of GTC orders) will be cancelled automatically if the Trading Host fails.

## **7. CHANGES TO AGREEMENT**

Notwithstanding any previous agreement between UOBBF and you to the contrary, UOBBF now agrees that a variation of these supplemental terms does not require your written agreement. Any modification that is necessitated by LIFFE, or a direct implementation of changes made by LIFFE over which UOBBF has no control, will come into effect immediately and without notice. Any modifications to these supplemental terms that are made by UOBBF that are not necessitated by LIFFE and not implementations of changes made by LIFFE will be made in accordance with Clause 1.39 of this Client Agreement.

## **8. ERROR CORRECTION**

In UOBBF's and your interests, LIFFE may from time to time sanction the making of contracts by UOBBF outside the pit in order to satisfy your order, where there has been an error in the execution of your order in the pit. Where a better price (an improvement) can be obtained, UOBBF will seek to secure and offer that improvement to you. However, you should note that where, in response to your order, UOBBF has bought or sold in accordance with the instruction in your order to buy or, as the case may be, to sell but have traded the wrong delivery/expiry month or wrong exercise price of the relevant contract, then UOBBF may in accordance with the LIFFE's Rules offset any loss arising from that trade against any improvement achieved for you in the course of correctly satisfying your order, thus offering you only the net improvement, if any.

## **9. ARBITRATION**

Any dispute arising from or relating to this Part I, in so far as it relates to contracts made between UOBBF and you subject to the Rules of LIFFE, and any dispute arising from or relating to any such contract as aforesaid and hereunder shall, unless resolved between UOBBF and you, be referred to arbitration under the arbitration rules of LIFFE, or to such other organisation as LIFFE may direct before either UOBBF or you resort to the jurisdiction of the courts (other than to obtain an injunction or an order for security for a claim).

## **10. GOVERNING LAW**

The terms in this Part H and all contracts made under the terms in this Part H shall be subject to and construed in accordance with English Law.

## **11. JURISDICTION**

Subject to the Arbitration clause above, disputes arising from the terms in this Part H or from contracts made under this Part H shall be subject (for UOBBF's benefit) to the exclusive jurisdiction of the English courts to which both parties irrevocably submit, provided that this shall not prevent UOBBF bringing an action in the courts of any other jurisdiction.

## 12. DEFINITIONS

For this Part H:

**ATS** means, as the context requires, the automated trading systems administered by LIFFE or any of them;

**ATS Central Processing System** means that part of an ATS operated by or on behalf of LIFFE which performs the functions set out in documents from time to time published by LIFFE including controlling, monitoring and recording trading by LIFFE members and concluding transactions between LIFFE members;

**Contract Terms and Administrative Procedures** means the contract terms and administrative procedures published from time to time in respect of an Exchange Contract;

**Exchange Contract** means a class of contract permitted to be made by LIFFE members in the Pit, for which Contract Terms and Administrative Procedures are published by LIFFE from time to time;

**LCH** means The London Clearing House Limited;

**LIFFE CONNECT** means the electronic derivatives trading system designed and developed by LIFFE;

**LIFFE CONNECT Trading Host/Trading Host** means the LIFE CONNECT central processing system;

**Market Close** means the time specified for the cessation of trading in contracts on LIFFE CONNECT on that trading day;

**Pit** means, in respect of an Exchange Contract, that part of the relevant ATS Central Processing System handling bids and offers; and

**Trading Day** means a day on which LIFFE CONNECT is open for business.

## I. GLOBEX® CUSTOMER INFORMATION AND RISK DISCLOSURE STATEMENT

The rules of the exchanges that will be participating in GLOBEX® trading require that UOBBF provides the Customer with this GLOBEX® Customer information and Risk Disclosure Statement prior to accepting Orders for the Account. If the Customer has any questions, please contact UOBBF.

GLOBEX is a world-wide automated order entry and matching system for futures and options. It is not a regulated futures exchange. Participating U.S. and foreign exchanges will list their contracts for trading on the system. Each exchange that lists futures and options for trading through GLOBEX will have sole control to determine the hours that the instruments may be traded and the rules that will apply to such trading, subject to review by the relevant regulatory authority. Before trading through GLOBEX, the Customer should understand that certain features of GLOBEX make trading through the system different than pit trading and that such differences may affect order entry. The following paragraphs highlight some of these features. For further explanation, the Customer should confer with UOBBF.

(The references to “you” below are references to the Customer.)

### ORDERS MATCHED ELECTRONICALLY

Orders entered through GLOBEX will not be executed on the floor of an exchange in trading pit. Such orders will be electronically matched.

#### **Risk Factor: Possible System Failure**

**GLOBEX has been designed to provide an efficient and dependable system for entering and matching orders. It includes backup facilities that will enable the system to continue operations through certain types of system failure. However, as with any automated system, it is possible that service could be interrupted by a system failure. In that event, depending on the type of failure, it may not be possible, for some period of time, to enter new orders, execute existing orders or to cancel orders that were previously entered.**

#### **Risk Factor: Limitation of Liability**

**Each participating exchange has adopted provisions that limit the liability of the exchange, the GLOBEX Joint Venture, L.P., and others. These provisions limit the amount of damages that you can collect, if any. The text of these provisions is set forth at the end of this Statement.**

### TRADING SESSIONS

Participating exchanges may have trading sessions in addition to their GLOBEX Trading Session. For U.S. exchanges which do not have Night Trading Hours (“NTH”), the Trading Day shall consist of two trading sessions beginning with the Electronic Trading Hours (“ETH” or “GLOBEX”) Session and ending with the Regular Trading Hours (“RTH”) Session. If a U.S. exchange has Night Trading Hours, the Trading Day will consist of three Trading Sessions beginning with the Night Trading Hours Session followed by the Electronic Trading Hours Session and ending with the Regular Trading Hours Session.

The settlement prices shall be determined based on the close of the RTH Session. You should be aware that not all contracts that are listed during RTH will be listed for trading through GLOBEX. Also, not necessarily all options months and strike prices that are listed during RTH will be listed for trading through GLOBEX. For further information on the trading sessions and contracts offered by participating exchanges, you should confer with your brokerage firm.

### SINGLE PRICE OPENING

GLOBEX will calculate an opening price by finding an equilibrium based on all bids and offers entered into the system prior to the opening. Orders entered prior to the open may or may not be executed on the open.

**Risk Factor: For a brief period prior to the open, orders entered into the system for execution at the opening may not be cancelled.**

## ORDER TYPES

The GLOBEX system will not accept orders (such as market orders) that do not specify a limit price. A customer may, however, obtain the effect of a market order by specifying a limit price that betters the current market price. Such a "price or better" order will be filled against standing orders in the system, at the price of the standing orders, until the customer's order is filled or his limit price is reached.

The GLOBEX system will not accept contingency orders including MIT and STOP orders. Unless otherwise prohibited by exchange rules, a firm may accept contingency orders from customers. In such cases, the orders will be handled manually by a terminal operator entering a limit order (or series of limit orders) when the contingent event occurs. For example, in the case of a stop order, once the stop has been elected the terminal operator would enter a limit order (or series of limit orders) until the order is completely filled.

**Risk Factor: There is no guarantee that a "price or better" order will be filled, particularly if a previously entered "price of better" order was filled against the standing orders. Further, if the customer fails to specify a limit on a contingent order there is not guarantee that the order will be filled at a price comparable to the contingency price.**

## ORDER PRIORITY

GLOBEX will match orders based first on price and second on time of entry, with orders at the same price being matched so that the order received first at the host computer is matched first.

**Risk Factor: In the event of a GLOBEX host computer failure, all orders that were previously entered into the system will lose their time priority. Each firm will be responsible to re-enter the orders, at which time matching will be based on price and the time that the orders were re-entered to the host.**

## ORDER PRESUMPTIONS

Unless the customer and broker agree otherwise, it will be presumed that all orders other than limit orders are being entered for the NTH and/or RTH Sessions rather than the ETH Session.

A limit order that does not contain a Trading Session designation will be cancelled if not filled during the Session in which it was received or, if it was received between Trading Sessions, during the next Session. A limit order may specify one of the following Trading Session designations:

- (a) NTH only - the order will be cancelled if not filled during that Night Trading Session.
- (b) ETH only - the order will be cancelled if not filled during that GLOBEX Trading Sessions.
- (c) RTH only - the order will be cancelled if not filled during that RTH Session.
- (d) Cancel after RTH - if the order is received during Electronic Trading Hours, it is available for execution during that GLOBEX Session and the immediately following RTH Session. If the order is received after the close of a GLOBEX Session, the order is available for execution during the next RTH Session. In either case, the order is cancelled if not filled by the end of the RTH Session.

An Open or Good-Till-Cancelled ("GTC") limit order will, in the absence of a specific designation limiting its scope, remain in force during NTH, ETH and RTH Sessions until executed or cancelled. An open limit order may be restricted by including one of the following designations:

- (a) NTH/Open - the order will remain in force during Night Sessions only until executed or cancelled.
- (b) ETH/Open - the order will remain in force during GLOBEX Sessions only until executed or cancelled.
- (c) RTH/Open - the order will remain in force during RTH Sessions only until executed or cancelled.

## CONTROLLING LAW

Trade execution for all contracts listed by U.S. exchanges will be conducted in the United States, and the rights and liabilities growing out of such execution are subject to U.S. law. Trade execution

of instruments listed on GLOBEX by non-U.S. exchanges is subject to the law of the country of the listing exchange.

#### EXCHANGE RULES

You should be aware that trading an exchange's contracts through GLOBEX is subject to the rules and regulations of that exchange, including the following provision adopted by each U.S. participating exchange:

**LIMITATION OF LIABILITY-EXCEPT AS PROVIDED IN THE "GLOBEX CONTROL CENTER LIMITATION OF LIABILITY" PROVISION, AND EXCEPT IN INSTANCES WHERE THERE HAS BEEN A FINDING OF WILLFUL OR WANTON MISCONDUCT, IN WHICH CASE THE PARTY FOUND TO HAVE ENGAGED IN SUCH CONDUCT CANNOT AVAIL ITSELF OF THE PROTECTIONS IN THIS PROVISION, NEITHER THE EXCHANGE INCLUDING ITS SUBSIDIARIES, AFFILIATES AND PARTNERSHIPS OF WHICH IT IS A PARTNER, ITS ASSOCIATED CLEARING ENTITY, J.V. **GLOBEX CONTROL CENTER-LIMITATION OF LIABILITY.**- The GLOBEX Joint Venture, L.P. ("Joint Venture") shall provide employees in the GLOBEX Control Center ("GCC") to perform certain services for members and clearing members with respect to GLOBEX. Such employees may not always be available to assist members and clearing members. The Joint Venture shall be liable when such employees negligently: (1) cancel or fail to cancel orders resting in the GLOBEX system; (2) deactivate a GLOBEX terminal, in which case only those orders that were resting in the system at the time of deactivation may be the basis for an allowable claim; (3) fail to deactivate a GLOBEX terminal pursuant to a clearing member's instructions, in which case those orders that were entered or matched after the instruction was received by the GCC, but before the GCC has had a reasonable period of time to act upon such instruction, shall not form the basis for an allowable claim; and (4) issue passwords to unauthorised persons in violation of a clearing member's instructions.

The liability of the Joint Venture for the above shall be limited as follows:

- \$10,000 for any single claim; and
- \$100,000 for all claims arising out of the negligent actions or failures to act of all GCC employees on any single day.

A single claim shall mean a loss resulting from all actions to act as described above that were performed negligently by all GCC employees with respect to a single order entered through GLOBEX, or multiple orders entered through GLOBEX for a single customer. Such claim may be brought by the member or clearing member who (or whose customer) was damaged.

If the number of allowed claims arising out of the negligent actions or failures to act of all GCC employees on a single day cannot be fully satisfied because of the above limitations, all such claims shall be limited to a pro rata share of the maximum per day amount.

A claim against the Joint Venture for the negligent actions or failures to act enumerated above of the GCC employees shall only be allowed if such claim is brought pursuant to and in accordance with this provision.

(The remainder of the provision, which has been omitted, addresses the procedure for arbitrating a claim pursuant to the provision.)

**J. DISCLOSURES, TERMS AND OTHER MATTERS RELATING TO TRADING OF DERIVATIVES ON BURSA MALAYSIA DERIVATIVES BERHAD (BURSA)**

1. The capital control measures introduced by the Malaysian government apply to all non-residents. One of these measures require all ringgit profits generated from trading on all Malaysian futures exchanges to be kept in Malaysia for one year before they can be remitted overseas. However, a recent concession by the Malaysian authorities, allows non-residents to withdraw such trading profits including any excess margin deposit, provided the trading is carried out through Designated External Account (DEA) opened solely for the purpose of trading in derivatives on these Exchanges.
2. The procedures require UOBBF to open a DEA with a Malaysia bank and also with UOBBF's Malaysian broker, to facilitate the Customer's trading of derivatives on BURSA. The Customer's cash deposits with UOBBF for trades on BURSA will be remitted to UOBBF's DEA with the Malaysian bank and converted to MYR for use as margin deposit for the trades. As explained above, the Malaysian foreign exchange concession rule allows any profits and excess MYR deposit over and above that required for margin purposes to be converted to foreign currency and repatriated.
3. Any foreign exchange differences resulting from currency conversions for the inward and outward remittances will be for the Customer's account.
4. The Customer shall be bound by any future changes in Malaysian foreign exchange rules and regulations affecting derivatives trades and customers' cash deposits held in the DEA.

## **K. TERMS AND CONDITIONS FOR THE PROVISION OF CLEARING ARRANGEMENTS**

### **1. General**

- 1.1 Where the Customer, being a non-clearing member of the relevant exchange or clearing house, instructs UOBBF to provide clearing arrangements in respect of the Customer's transactions on the relevant exchange (the "Exchange Transactions") and to clear such Exchange Transactions through the relevant clearing house, the Customer shall be deemed to have accepted the terms and conditions of this Part K (this "**Clearing Agreement**") as additionally applying to such clearing arrangements.
- 1.2 All expressions used in this Clearing Agreement shall, unless the context requires otherwise or unless defined in this Clearing Agreement, have the same meanings assigned to them in the Client Agreement, and if also not defined in the Client Agreement, they shall have the same meanings assigned to them under the rules of the relevant exchange or clearing house.
- 1.3 In the event of any inconsistency between the provisions of the Client Agreement and this Clearing Agreement, the provisions of this Clearing Agreement shall prevail.

### **2. Applicable Laws**

- 2.1 The Customer shall at all times observe and comply with all Applicable Laws, including the rules of the relevant exchange(s) and clearing house(s) for the time being in force and do all things necessary to facilitate the clearing of the Customer's Exchange Transactions through the relevant clearing house. The Customer shall also ensure that it does not, by its actions or omissions, cause UOBBF to be in breach of any Applicable Laws or any provision of the rules of the relevant exchange or clearing house.

### **3. Margin**

- 3.1 Prior to commencement of trading on the relevant exchange and throughout the duration of this Clearing Agreement, the Customer shall provide to, and maintain with, UOBBF collateral and security in such form, and for such amount (including but not limited to cash, fixed deposits and banker's guarantees) as UOBBF may, from time to time, require in UOBBF's absolute discretion as security for:
  - (a) UOBBF providing the clearing arrangements and clearing the Customer's Exchange Transactions;
  - (b) any and all liability which UOBBF may assume when providing clearing arrangements hereunder and clearing the Customer's Exchange Transactions, including but not limited to any indemnity, guarantee or other liability which UOBBF may assume to the relevant exchange or clearing house, pursuant to all Applicable Laws;
  - (c) the performance of the Customer's obligations under this Clearing Agreement, the Client Agreement and in respect of each Exchange Transaction; and
  - (d) the payment of all sums of money, and the delivery of all property, which are now or shall at any time be owing or deliverable to UOBBF anywhere on the Customer's accounts with UOBBF or the Customer's Exchange Transactions whatsoever, whether from the Customer solely or jointly with any other person or persons.

### **4. Limits**

- 4.1 Pursuant to Clause 1.12 of the Client Agreement, UOBBF has, at its discretion, the right to impose and to vary limits, including but not limited to trading, exposure and position limits, (the “Limits”) on the Customer’s Accounts and/or Exchange Transactions, and the Customer shall strictly comply with all such Limits. In this regard, the Customer confirms its familiarity with and awareness of the Applicable Laws and the rules of the relevant exchange or clearing house in relation to such Limits. If there is a breach of such Limits, UOBBF may, in its discretion, immediately withhold and not pay any money or deliver any property to the Customer that may otherwise be due, owing or deliverable, take steps to disable the Customer’s trading on the relevant exchange, suspend its clearing arrangements with the Customer and/or close out any of the Customer’s open positions under any Transaction, until UOBBF is satisfied that such breach has been fully remedied.
- 4.2 UOBBF may communicate such Limits (and any changes to such Limits) to the Customer from time to time and in such manner as UOBBF may deem appropriate.
