3. Exchange Rate Transactions

- 3.1 All exchange rate transactions carried out to convert the Fresh Funds deposit amounts into the relevant foreign currency prior to it being deposited in the Account during the Promotion Period shall be effected at the Bank's prevailing rate of exchange. Once a foreign exchange rate is contracted with the Bank, it is binding and the transaction cannot be changed or cancelled. Bank charges and adverse exchange rate movements could reduce interest earnings or the original principal amount for foreign currency deposits. Foreign currency deposits are subject to exchange rate fluctuations which may result in gains or losses. Such deposits may also be subject to exchange controls imposed on the currency held. Earnings on foreign currency deposits would be dependent on the exchange controls prevalent at the time of their withdrawal if any conversion takes place.

4. Withdrawals / Closure of Account

- 4.1 An Accountholder shall not be entitled to the Promotional Interest Rate if the Incremental Fresh Funds Balance in his Account falls below the sum of \$50,000, whether as a result of withdrawals, deductions or otherwise. In the event that the Account is closed within six months from the Account opening date, the Account will be subject to an early account closure fee of S\$30.
- 4.2 Accounts which are suspended, terminated, cancelled or in the Bank's opinion, are deemed to be delinquent or unsatisfactorily conducted during the Promotion Period shall not enjoy the Promotional Interest Rates.
- 4.3 If the Bank subsequently discovers that the Accountholder is in fact not eligible to participate in this Promotion, the Bank may at its discretion amend the interest rate applicable to the deposits to the Prevailing Interest Rates or reclaim any the additional interest(s), if already awarded. The Accountholder shall not be entitled to any payment or compensation from the Bank should any additional interest be forfeited or reclaimed by the Bank.
