

**Shortening of Property Loan Redemption Notice Period  
Effective from 1 July 2021**

Dear Customers,

With effect from 1 July 2021, United Overseas Bank Limited (“the Bank”) will shorten the redemption notice period for property loans secured by all types of Singapore properties from current three (3) months to two (2) months.

The redemption notice period as stated in your existing Letter of Offer shall continue to apply for redemption notices received before 30 June 2021 (date inclusive).

This revision will not impact you if your existing redemption notice period is less than two (2) months.
