One fruit bud will be awarded to you in the Game for every S\$1,000 of New Funds (rounded down to the nearest S\$1,000) deposited into your Account in the relevant Qualifying Period, computed in accordance with Clause 2.9 below. So, for example, if you had topped up S\$2570 in New Funds into your Account during a Qualifying Period based on the computation mechanism in Clause 2.9 below, you will be eligible to receive 2 fruit buds in respect of that Qualifying Period.
- 2.9 The New Funds deposited during each Qualifying Period will be determined by comparing the difference between your end-of-day (EOD) Account balance on the last day of that Qualifying Period (“**Closing Balance Date**”) and your end-of-day Account balance on the day immediately preceding the start of that Qualifying Period (“**Opening Balance Date**”). - 2.11 The maximum number of fruit buds that may be awarded to you for New Funds deposited into your Account in each Qualifying Period is capped at five.
- 2.12 Fruit buds earned from New Funds deposited during each Qualifying Period will be credited to you within the Game in accordance with the timeline below:

Qualifying Period	Fruit Buds Crediting Date
14 August 2026 – 31 August 2026	By 10 September 2026
1 September 2026 – 15 September 2026	By 25 September 2026
16 September 2026 – 30 September 2026	By 10 October 2026
1 October 2026 – 15 October 2026	By 25 October 2026
16 October 2026 – 31 October 2026	By 10 November 2026

- 2.13 You will only be required to submit your Registration once in this Campaign Period. If you make a New Funds deposit during a Qualifying Period but fail to successfully submit your Registration in the Game Site by the applicable Game Registration Cut-Off Date set out in Clause 2.7 above, you will not be eligible to receive any fruit buds for the New Funds deposited in that Qualifying Period. This means that if, for example, you had deposited New Funds during the Qualifying Period from 14 August 2026 to 31 August 2026, but did not submit your Registration by the Game Registration Cut-Off Date for the Qualifying Period from 14 August 2026 to 31 August 2026, you will not be eligible to receive any fruit buds for the New Funds deposited during the Qualifying Period from 14 August 2026 to 31 August 2026. If you subsequently submit your Registration during the Qualifying Period from 1 September 2026 to 15 September 2026, by the applicable Game Registration Cut-Off Date set out in Clause 2.7 above, then you do not need to submit another Registration for the Qualifying Periods from 1 October 2026 to 15 October 2026 and 16 October 2026 to 31 October 2026.
- 2.14 If you meet the New Funds requirement in Clause 2.8 above and topped up at least S\$1,000 in New Funds during based on the computation set out in Clause 2.9 above for at least three consecutive months during the Campaign Period, you will be awarded with an additional three fruit buds in the Game (the “**Additional Buds**”). The Additional Buds will be credited to you in the Game by 10 November 2026. For the avoidance of doubt, the Additional Buds are credited on top of any fruit buds which you have earned pursuant to Clauses 2.8 and 2.9 above. You can only receive the Additional Buds once in this Game.
- 2.15 To play the Game, you are required to access the Game Site and actively water the tree within the Game throughout the Campaign Period. Watering can only occur once a day within the Game. If you miss any watering-opportunity on a day, that ability to do so for that day will be forfeited entirely. This means that you cannot accumulate or carry forward missed feeding opportunities or feed multiple times on another day to catch up.
- 2.16 Once the Game shows that your fruit bud has fully developed into a fruit, you may then harvest the fruit within the Game. You may only harvest one fruit per day. If you have more than one developed fruit on any given day during the Campaign Period, the rest can be harvested on other days during the Campaign Period subject to the limit of one harvest a day.
- 2.17 To facilitate gameplay, fruit buds will be released and displayed on the Game Site on a Qualifying Period basis. This means that you will only be able to use the fruit buds awarded in respect of a Qualifying Period to play the Game. You will not be allowed to carry forward fruit buds awarded in a previous Qualifying Period and fruit buds awarded for a subsequent Qualifying Period will only become visible and available after all fruit buds from the preceding

Qualifying Period have been fully harvested or otherwise completed in accordance with the game mechanics.

- 2.18 The Game Site will remain accessible until 31 December 2026 (2359 hours Singapore time). However, you must finish playing the Game (including harvesting all fully developed fruits in the Game) by 30 November 2026 (2359 hours Singapore time). You will not be able to play the Game (including harvesting the fruits) after the Game play cut-off time. You will be required to re-enter your Participation Details provided in your Registration in the Game Site every 14 days from your last log-in date.
- 2.19 Each harvested fruit represents a chance for you to win a prize in the Game (each, a “**Prize**”). This means that a developed fruit in the Game does not in itself guarantee that you will actually win a Prize.
- 2.20 You will be informed whether you have won a Prize at the time when you harvest the fruit in the Game – at such time, a message will be instantly displayed within the Game informing you of the outcome. The Prize allocation in the Game will be at random based on a computerised system.
- 2.21 The Prizes available to be won in the Game and the corresponding quantities for each type of Prize are set out in the table below:
