What Do You Need to Login

UOB Infinity Login

Before you login to UOB Infinity for the first time, please ensure that you have received the two items listed below:

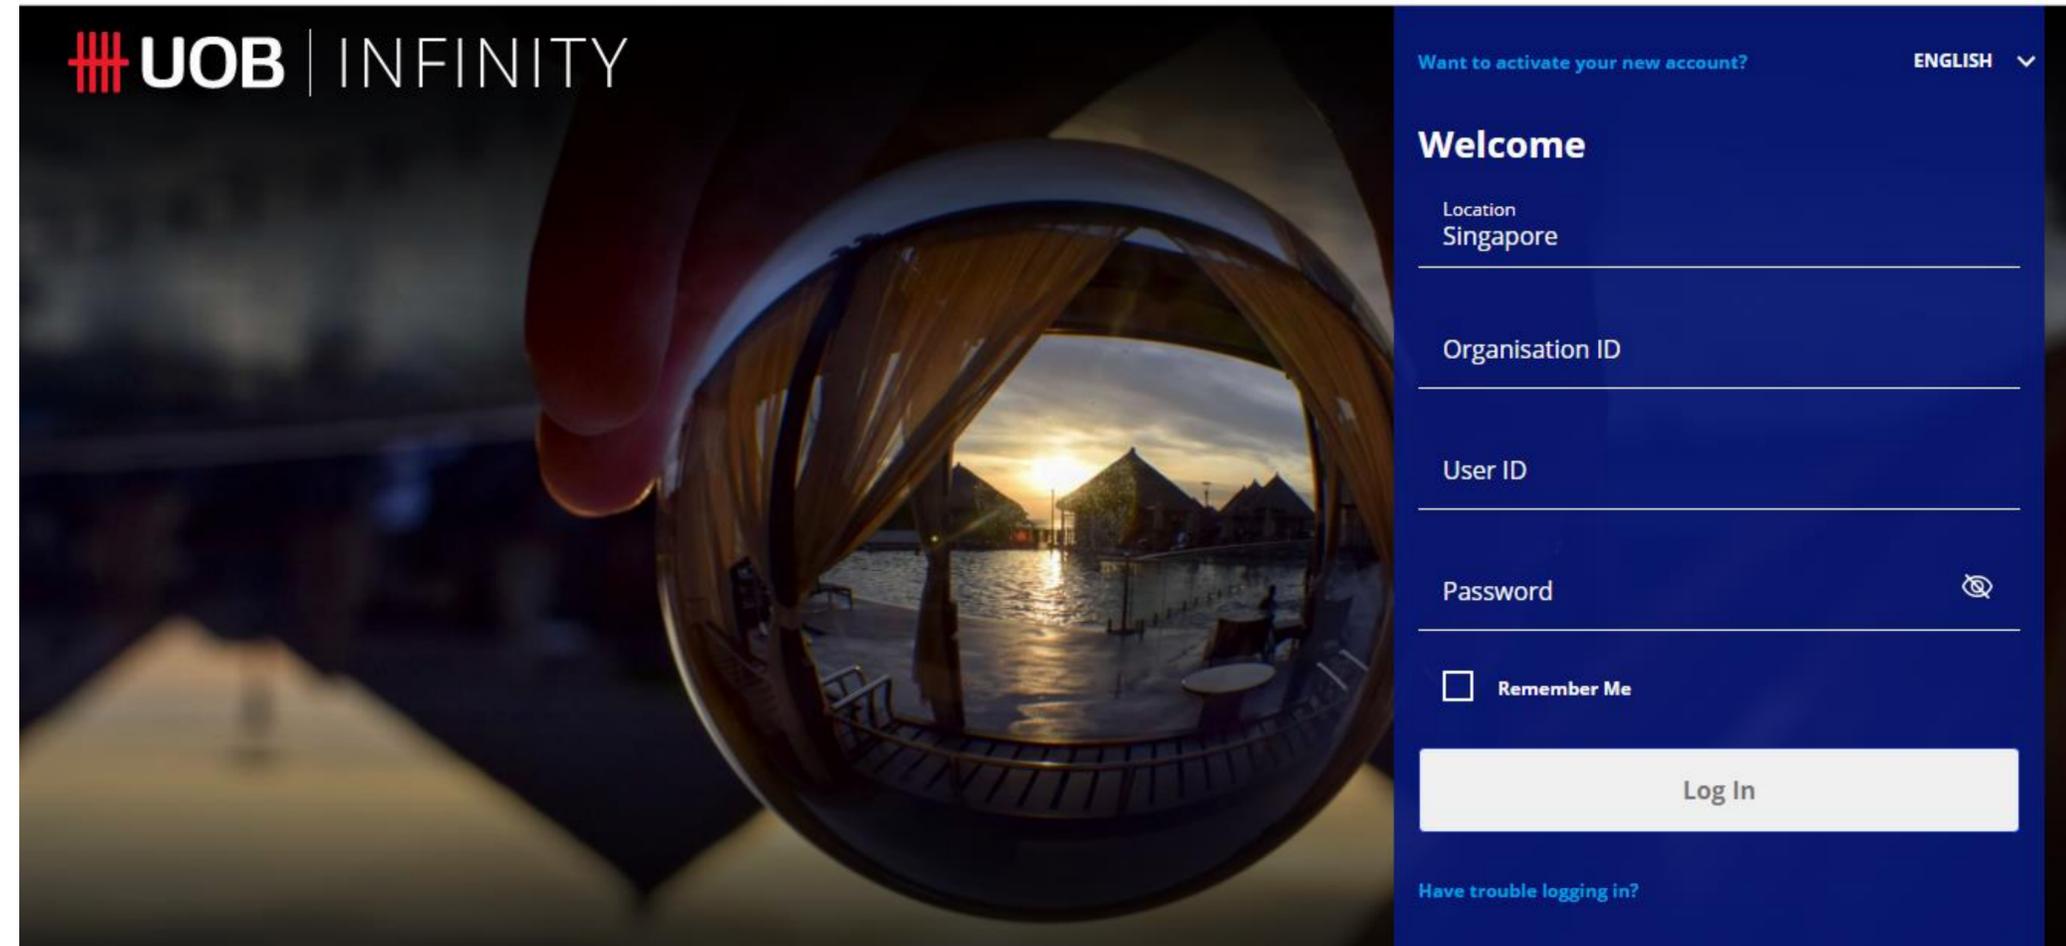

1) User ID

2) Digital/Physical Token*

(required for login to UOB Infinity and to approve transactions)

You can activate your UOB Infinity access online via the login page upon receipt of your User ID and Security Token.

Login Page (Default View)

*The physical token will only be issued to users with Global View, Trade subscription and Token Sharing scenario. For other users, you will be able to use our digital token called Infinity Secure. Steps to register and activate Infinity Secure can be found in the "Infinity Secure User Guide".

Self Service Functions

You can perform the following functions via the UOB Infinity login page (applies to both browser/desktop and mobile app):

- A. Activate your new user ID*
- B. Recover your password

A. Activate your new User ID

1. You may activate using Infinity mobile app (tap on “Activate Account” icon at the bottom right corner of the login screen) or using desktop browser (click on “Want to activate your new account?”).

If you do not have a physical token, it is recommended to activate using Infinity mobile app because you will be able to setup the digital token upon first time login via Infinity mobile app after the activation is completed.

2. Input your Organisation ID and User ID.
3. Tick the checkbox to accept Terms and conditions for your user ID activation.
4. Click on the “Next” button.

* Required if you are logging in to UOB Infinity for the first time.

Quick Guide to Login Page

Features

Note: If you are logging in to UOB Infinity for the first time, you need to activate your user ID.

1. Enter Organisation ID and User ID (you will receive a letter to inform you about your user credentials).
2. Input valid password. The “eye” icon enables you to see the password that you enter.
3. Tick the “Remember Me” checkbox to save Organisation ID and User ID so that, in your subsequent login, you only need to key in your password.
4. Upon clicking the “Log In” button:
 - a) If you are logging in for the first time without physical or digital token, you will be prompted by a message to setup a digital token
 - b) If you are logging in using Infinity Secure (digital token), you will see a notice that a push notification is sent to your mobile phone.
 - c) If you are logging in using a physical token, you will see an on-screen instructions to generate the token response.
5. This option will help you to recover your password if you have forgotten it.
6. Languages available are English, Simplified Chinese or your local language.

Login Page (Default View)

The screenshot shows the login page with the following elements:

- Language Selection:** A dropdown menu at the top right showing "English" and "简体中文".
- Account Activation:** A link "Want to activate your new account?" at the top left.
- Welcome Section:** "Welcome" heading, "Location Singapore", and a "Log In" button.
- Input Fields:** "Organisation ID", "User ID", and "Password" (with an eye icon for visibility toggle).
- Remember Me:** A checkbox labeled "Remember Me".
- Help Link:** "Have trouble logging in?" at the bottom left.

Two modal windows are shown:

- Sign In:** A notification window stating "We have sent a notification to your UOB Infinity Secure enabled device. Do ensure that you are connected to the internet to receive it. Confirm the request within the next 60 seconds to proceed." It includes a "I did not receive the notification" link.
- Enter Token Response:** A window for token authentication. It has tabs for "Infinity Secure" and "Physical Token". Under "Physical Token", it instructs the user to "Follow these steps on your token: 1 | Press [OK] 2 | Enter the 6-digit security code on your token." It shows a "Token Response" field with six dots, a "Token Serial Number: *****43", and a "Set as default authentication method" checkbox. It includes "Cancel" and "Submit" buttons.
