## 4. REVIEW OF PERFORMANCE

- (a) The financial statements have been prepared in accordance with Singapore Financial Reporting Standards ("FRS") and are presented in Singapore dollars. The new and revised FRS that are applicable to the Group with effect from 1 January 2005 and that have impact on the Group's financials are as follows:
  - i) FRS39 Financial Instruments: Recognition and Measurement
  - ii) FRS103 Business Combinations / FRS36 Impairment of Assets / FRS38 Intangible Assets
  - iii) FRS102 Share-based Payment
  - iv) FRS105 Non-current Assets Held for Sale and Discontinued Operations

FRS39 requires prospective application with the opening balances of the affected financial assets and financial liabilities as at 1 January 2005 to be restated and the resulting changes adjusted to the shareholders' equity. The restated 31 December 2004 balances in this announcement refer to the adjusted opening balances as at 1 January 2005 and are presented to facilitate comparison with the current period's balances.

Other than the above changes, the accounting policies and computation methods adopted in the financial statements for the first nine months of 2005 are the same as those adopted in the audited financial statements for the financial year ended 31 December 2004.

(b) The Group acquired Bank of Asia Public Company Limited and its subsidiaries ("BOA") on 27 July 2004. Accordingly, only two months of BOA's results were included in the Group's profit and loss account for the first nine months / third quarter of 2004.

# ₩ 大 華 銀 行 集 團 UNITED OVERSEAS BANK GROUP

#### (c) 9 Months 2005 versus 9 Months 2004

- (i) The Group's net profit after tax ("NPAT") of \$1,277 million recorded for the first nine months of 2005 ("this year-to-date") was an increase of \$201 million or 18.7% over the \$1,076 million registered in the first nine months of 2004 ("last year-to-date"). The increase was mainly due to higher net interest income, higher fee and commission income, discontinuation of goodwill amortisation, and higher other operating income. These were partly offset by higher operating expenses, write-off of goodwill in respect of United Overseas Bank Philippines, and lower share of profit of associates. Excluding BOA's profit contribution, the Group's NPAT would have shown an increase of 16.2% over that of last year-to-date.
- (ii) Total income increased \$335 million or 14.0% to \$2,734 million for this year-to-date from \$2,399 million for last year-to-date, primarily due to higher net interest income mainly from customer loans, higher fee and commission income mainly from fund management and investment-related activities, and net gain on trading securities, government securities and derivatives as against losses for last year-to-date. BOA contributed \$214 million to the Group's total income for this year-to-date, mainly on net interest income and fee and commission income. Excluding BOA's income, the Group's total income for this year-to-date would have increased 6.9% over that of last year-to-date.
- (iii) The Group's total operating expenses increased 18.2% to \$1,020 million for this year-to-date from \$863 million for last year-to-date attributed mainly to the acquisition of BOA. Staff costs increased 16.1% to \$484 million while other operating expenses increased 20.1% to \$536 million. Consequently, the expense-to-income ratio of the Group increased to 37.3% from 36.0% a year ago. Excluding BOA's operating expenses, the Group's total operating expenses would have shown a lower increase of 5.2% and the expense-to-income ratio would be lower at 34.8%.
- (iv) Total impairment charges increased \$4 million or 4.3% to \$100 million for this year-to-date, mainly due to lower write-back of collective impairment, partially offset by lower impairment charges on investment securities and loans.
- (v) Share of pre-tax profit of associates decreased 37.6% to \$77 million for this year-to-date compared to the \$123 million for last year-to-date. The decrease was mainly due to the cessation of equity accounting for United Overseas Land Limited with effect from 1 January 2005 following the divestment exercise.

#### (d) 3rd Quarter 2005 versus 3rd Quarter 2004

- (i) The Group's NPAT increased 24.6% to \$463 million in the third quarter of 2005 ("3Q05") from \$371 million in the third quarter of 2004 ("3Q04"). The increase was mainly due to higher fee and commission income, discontinuation of goodwill amortisation, higher net interest income and higher other operating income. These were partially offset by higher operating expenses and impairment charges in 3Q05.
- (ii) Total income increased 14.9% to \$927 million in 3Q05 from \$807 million in 3Q04, mainly due to higher fee and commission income largely from investment-related and fund management activities, net gain on trading securities, government securities and derivatives as against losses in 3Q04, and higher net interest income mainly from customer loans.
- (iii) The Group's total operating expenses increased 12.3% to \$353 million in 3Q05 compared to \$315 million in 3Q04. Staff cost increased 11.0% to \$169 million while other operating expenses increased 13.5% to \$185 million. Expense-to-income ratio improved to 38.1% in 3Q05 from 39.0% in 3Q04.
- (iv) Total impairment charges was \$19 million in 3Q05 as compared to a write-back of \$1 million in 3Q04, mainly due to the write-back of collective impairment in 3Q04, partially offset by lower impairment charges on loans in 3Q05.

₩₩ 大 華 銀 行 集 團 UNITED OVERSEAS BANK GROUP

- (e) The Group's net loans and advances to customers of \$65,739 million as at 30 September 2005 were 2.4% higher than the \$64,188 million as at 31 December 2004 (restated). Group non-performing loans ("NPLs") decreased 17.5% to \$4,290 million as at 30 September 2005 from \$5,199 million as at 31 December 2004 (restated). Consequently, Group NPL ratio improved to 6.2% as at 30 September 2005 from 7.6% as at 31 December 2004 (restated). Of the total Group NPLs as at 30 September 2005, \$2,432 million or 56.7% were secured by collateral, and \$2,769 million or 64.5% were in the Substandard category.
- (f) Total cumulative impairment of the Group was \$2,946 million as at 30 September 2005 compared to the \$3,573 million as at 31 December 2004 (restated). Collective impairment as at 30 September 2005 was \$1,318 million or 44.7% of total cumulative impairment. The total cumulative impairment as at 30 September 2005 and 31 December 2004 (restated) provided coverage of 68.7% against Group NPLs. As at 30 September 2005, unsecured NPLs were 158.6% covered by total cumulative impairment, compared to the 133.1% as at 31 December 2004 (restated).
- (g) Total assets of the Group as at 30 September 2005 were \$139,792 million, representing a growth of 3.7% over the \$134,776 million as at 31 December 2004 (restated).
- (h) Shareholders' equity of the Group as at 30 September 2005 was \$13,735 million, representing an increase of 2.1% over the \$13,456 million as at 31 December 2004 (restated).
- (i) As at 30 September 2005, the Group's total Capital Adequacy Ratio ("CAR") of 15.0% was 5.0% points above the minimum of 10% set by Monetary Authority of Singapore and 0.5% point lower than the total CAR of 15.5% as at 31 December 2004 (restated).

### 5. DIVIDEND

No dividend has been declared for the quarter ended 30 September 2005.

## 6. EVENT SUBSEQUENT TO THE BALANCE SHEET DATE

On 14 October 2005, the Bank announced that its wholly-owned subsidiary, UOB International Investment Pte Ltd ("UOBII"), has completed the acquisition of additional 30% of the issued common shares in P.T. Bank Buana Indonesia Tbk ("Bank Buana") for a purchase consideration of Rupiah 1,650,000 million (approximately \$269 million). With the completion of the acquisition, UOBII's shareholding in Bank Buana has increased from 23% to 53% and Bank Buana has become a subsidiary of UOBII.
