

Notification under Section 309B(1)(c) of the Securities and Futures Act (Chapter 289) of Singapore (the “SFA”) - In connection with Section 309B of the SFA and the Securities and Futures (Capital Markets Products) Regulations 2018 of Singapore (the “**CMP Regulations 2018**”), the Issuer has determined the classification of the Covered Bonds as capital markets products other than prescribed capital markets products (as defined in the CMP Regulations 2018) and Specified Investment Products (as defined in MAS Notice SFA 04-N12: Notice on the Sale of Investment Products and MAS Notice FAA-N16: Notice on Recommendations on Investment Products).

MiFID II product governance / Professional investors and ECPs only target market – Solely for the purposes of each manufacturer’s product approval process, the target market assessment in respect of the Covered Bonds has led to the conclusion that: (i) the target market for the Covered Bonds is eligible counterparties and professional clients only, each as defined in Directive 2014/65/EU (as amended, “**MiFID II**”); and (ii) all channels for distribution of the Covered Bonds to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Covered Bonds (a “**distributor**”) should take into consideration the manufacturers’ target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Covered Bonds (by either adopting or refining the manufacturers’ target market assessment) and determining appropriate distribution channels.

ANNEX 1

SUPPLEMENTARY INFORMATION

The Issuer accepts responsibility for the information contained in this Annex 1. To the best of its knowledge (having taken all reasonable care to ensure that such is the case) the information contained in this Annex 1 is in accordance with the facts and does not omit anything likely to affect the import of such information.

To the fullest extent permitted by law, none of Credit Suisse Securities (Europe) Limited, HSBC Bank plc, ING Bank N.V., Singapore Branch, UBS AG London Branch and United Overseas Bank Limited (the “**Lead Managers**”) accepts any responsibility or liability for the contents of this Annex 1, for the information incorporated by reference into the Offering Circular, or for any other statement, made or purported to be made by the Lead Managers or on their behalf in connection with the Issuer or the issue and offering of the Covered Bonds. Each Lead Manager accordingly disclaims all and any liability whether arising in tort or contract or otherwise which it might otherwise have in respect of this Annex 1 or any such statement.

STRUCTURE OVERVIEW

In the section “Structure Overview” the following sub-paragraph shall be deemed to be added after the sub-paragraph “(j) Cashflows” appearing on page xi of the Offering Circular and the sub-paragraphs in the section “Structure Overview” shall be renumbered accordingly:

- “(k) **Stamp Duty Payable in Respect of the Transfer of Beneficial or Equitable Interest in Mortgages:** In connection with the establishment of the Programme, the Issuer had applied for and was granted various tax exemptions and/or remissions in relation to certain taxes which would otherwise be payable under the covered bond structure, including stamp duty which would be payable on the transfer of the beneficial or equitable interest in the Mortgages which secure the Loans when (i) there is a sale of the Loans and Related Security from the Seller to the CBG and (ii) there is a repurchase of any Loans and Related Security (including Selected Loans) by the Seller from the CBG (the “**Stamp Duty Remission**”). These tax exemptions and/or remissions were granted for each tranche of Covered Bonds issued under the Programme on or before 31 December 2018.

The Issuer had applied in 2018 for the renewal of these tax exemptions and/or remissions. The Ministry of Finance had responded in early January 2019 with decision minutes which renewed the tax exemptions and/or remissions received in connection with the establishment of the Programme for the lifespan of each tranche of Covered Bonds issued by the Issuer under the Programme from 1 January 2019 to 31 December 2023, except for the Stamp Duty Remission.

As the Stamp Duty Remission was not renewed and based on separate confirmation obtained from the Inland Revenue Authority of Singapore, stamp duty would thus be chargeable on each instrument which transfers, assigns or disposes of interests in Mortgages, of up to a maximum of S\$500 per instrument. A Deed of Assignment and a Notice of Trust Assets executed in respect of a sale of the Loans and Related Security from the Seller to the CBG and a Deed of Assignment and the relevant Loan Repurchase Notice executed in respect of a repurchase of the Loans and Related Security by the Seller from the CBG, would in each case

constitute such instruments and stamp duty would thus be payable by the transferee of such Loans and Related Security, of up to a maximum of S\$500 per instrument.”

REGULATION AND SUPERVISION

- (i) In the sub-section “Regulation and Supervision – Regulation and Supervision in Singapore – The Regulatory Environment – Other Key Prudential Provisions” the following words appearing on pages 179 and 180 of the Offering Circular:

“On 3 January 2018, the MAS released a Consultation Paper on Proposed Revisions to the Regulatory Framework for Large Exposures of Singapore-Incorporated Banks. The proposed revisions take into account relevant aspects of the “Supervisory framework for measuring and controlling large exposures” published by the Basel Committee in April 2014, and will apply only to Singapore-incorporated banks. The MAS issued its response to feedback received on 31 August 2018. Among other things, the MAS will tighten the large exposures limit to 25% of Tier 1 capital. The revisions will strengthen the regulatory framework for addressing concentration of exposures to counterparties and limiting the maximum loss that a bank faces in the event of a sudden counterparty default. The revised requirements will take effect from 30 September 2019.”

- (ii) In the sub-section “Regulation and Supervision – Regulation and Supervision in Singapore – The Regulatory Environment – Other Key Prudential Provision - Corporate Governance Regulations and Guidelines” the following words appearing on page 181 of the Offering Circular:

“The Banking (Corporate Governance) Regulations 2005, as amended by the Banking (Corporate Governance) (Amendment) Regulations 2007 and as further amended by the Banking (Corporate Governance) (Amendment) Regulations 2010, define what is meant by an independent director and set out the requirements for the composition of the board of directors and board committees, such as the Nominating Committee, Remuneration Committee, Audit Committee and Risk Management Committee.”

- (iii) In the sub-section “Regulation and Supervision – Regulation and Supervision in Singapore – The Regulatory Environment – Other Key Prudential Provision – Other Significant Regulations” the following words appearing on page 182 of the Offering Circular:

“Currently, banks in Singapore have to maintain separate accounting units for Singapore dollar transactions (the Domestic Banking Unit, or “**DBU**”) and foreign currency transactions (the Asian Currency Unit or “**ACU**”). On 31 August 2015, the MAS released a consultation paper entitled “Removing the DBU-ACU Divide – Implementation Issues”. The consultation paper sets out a proposal to remove this divide. Consequential amendments would be made to section 62 to remove references to the ACU and to provide instead that Singapore dollar deposit liabilities incurred by the bank with non-bank customers would rank above other deposit liabilities incurred by the bank with non-bank customers (but behind premium contributions under the Deposit Insurance Act and liabilities in respect of insured deposits). On 10 February 2017, the MAS issued the Response to Feedback Received on Removing the DBU-ACU Divide – Implementation Issues. Among other things, the MAS noted that the removal of the DBU-ACU divide would require significant changes in banks’ regulatory reporting systems. The MAS issued a second consultation paper and response to feedback received (the “**Second Consultation**”) on the proposed revisions to MAS Notice to Banks No. 610 “Submission of Statistics and Returns” on 10 February 2017, wherein it stated that the distinction between the DBU and the ACU would be removed. On 17 May 2018, the MAS issued the Response to Feedback Received on the Second Consultation, in which the MAS stated that there would be a 24-month implementation timeline and that legislative amendments to remove the DBU-ACU divide will be made in due course, to take effect at the same time as the revised MAS Notice No. 610. In this regard, the MAS issued an updated MAS Notice to Banks No. 610 “Submission of Statistics and Returns” on 17 May 2018 that will take effect from 1 October 2020.”
