#### **4) How do I use the items in the BRUNO Hotplate and Toaster Grill Set + Trio Attachment Bundle (worth S\$546)?**

The BRUNO Hotplate and Toaster Grill Set + Trio Attachment Bundle is the all-in-one starter set which will help you kick start your home cooking journey and gather the family at the table for delicious, fast, fun and easy to cook meals.

The BRUNO Hotplate combines a vintage, classic look with modern, Japanese functionality for an all-in-one cooking device that will make you forget your stove. Pretty enough to leave permanently on the dinner table, and taking up only an A4 sized amount of space, it still packs a punch and you can cook virtually everything with this one wonder.

##### BRUNO Hotplate + Attachments:

1. Takoyaki Pan – whip up meatballs, do a mini chocolate fondue, or prepare grilled rice balls for lunchboxes
2. Ceramic Nabe Pot – enjoy steamboat in the comfort of your home with any ingredients you like, or whip up a stir fried rice and noodle dish for a one pot meal. Use this to serve up popiah filling, curries, or stews and keep warm for parties.
3. Grill Plate – perfectly grilled, sizzling meats, seafood and vegetables are attainable with minimum smoke with our special slatted grill plate
4. Multi Plate – Multi-tasking made easy – whip up a full breakfast of sausages, pancakes and sunny side up eggs in this compartmentalized wonder. The six holes also make the best molds for rice burgers, burger patties and savoury pancakes or crepes.

##### BRUNO Toaster Grill

The BRUNO Toaster Grill perfectly complements the BRUNO Hotplate both in aesthetics and function.

1. Two heating elements on top and bottom for superior and fast heating
2. User friendly design. Glass window allows you to see how your cooking is progressing, crumb tray can be filled with water to absorb oil and keep food moist and rehydrate baked goods
3. Can be used as a conventional oven toaster or simply opened up from the top (unique selling point) for a fast and easy table-top BBQ without all the smoke and charcoal.
4. Heating (top and bottom, only top, only bottom) is adjustable along with a built in timer
5. Bake, grill, barbecue or just toast – forget the heavy ovens and get your space back with this compact and gorgeous Oven Toaster.
